PRELIMS SPRINT
FOR CSE PRELIMS 2027

Because it takes more than just a test series to clear the mother of all examinations

ADMISSIONS OPEN

Prelims 2026 was weird, absurd and difficult. Yet it was not hard because the syllabus is vast; it was hard because it tests recall under uncertainty. Lakhs read the same books, but only a few can retain, eliminate and decide with composure when every option looks true. Most miss the cut-off not for lack of effort, but for lack of a system.

WHAT IS PRELIMS SPRINT?

ForumIAS Prelims Sprint 2027 is a structured classroom program built for one purpose: a confident performance in Prelims on 23 May 2027. Content Building Classes and PYQ Analysis Classes establish the syllabus, while annotatable handouts expose the traps UPSC sets. A Learning Outcome Test after every class secures retention, and SFG Levels 1 and 2 with full-length simulators test readiness under examination conditions.

Prelims Sprint

I joined the prelims sprint program in Delhi after giving nearly four attempts at prelims without success. The Sprint along with SFG helped me clear my first Prelims. Followed MGP for Mains and by God's grace I secured AIR 303.
