ABOUT THE PROGRAM

About Anthropology - ATS

This test series has been designed to ensure comprehensive revision of the subject, which will be ensured by the sectional tests followed by full length practice tests so that the students get acquainted with the UPSC mains answer writing. The **value addition discussion classes** will ensure that multiple dimensions of answer writing are addressed, keeping in mind the need of the examination.

The test series will enable the students to write "impromptu answers" within the stipulated time period as will be the scenario in the examination hall. It will help in establishing inter-connections between the topics and hence the students will be able to write a balanced answer covering multiple dimensions.

What are the deliverables under Anthropology ATS - for Mains 2024?

1. The program's focus is on maximizing your score in Anthropology optional through a series of tests and detailed test discussions for value addition.
2. **The program includes:**
 - a) **Sectional tests:** Students will be able to read and evaluate the complete syllabus of both Anthropology Paper I and Paper II through **6 sectional tests**.
 - b) **Full Length Test:** Evaluating your overall preparation and making final corrections and offering crucial suggestions for the exam through **4 FLT's (Full Length Tests)**.
3. Answers/Synopsis of each Question will be provided after the test.
4. The discussion classes will provide student strategically apt value-added content through incorporation of Anthropological insights on relevant current affairs and well-researched credible resources for both the papers.
5. **Mentorship:** Discuss your paper with the mentor to get insights on requisite presentation and content improvement. Tailor-made strategic grooming of each candidate.
6. Test Solutions will be provided in PDF format (Online), or can be picked up from the Center.

About Anthropology - ATS+

Anthropology ATS + is a unique program that aims to **add value to your content and answer writing through targeted delivery of the content, references, case studies** and examples. The content delivery is supplemented through tests that will help you put the content delivered into your answers.

This is the only program needed when you have completed your optional foundation and understood about the basic answer writing through tests.
