There are no changes to the solutions/answers. Some explanations have been provided for the students who have raised doubts.

Q.3) There was a doubt raised with respect to Statement 3 of the Question: “The Crafts Council of India (CCI) primarily aims to promote, maintain and increase the export of Indian handicrafts.”

Explanation: The Statement remains incorrect as the ‘primary’ function of the Crafts Council of India is not to promote and increase the export of Indian handicrafts. **Its primary function is the promotion of India’s artisans and their crafts, and to promote sustainable livelihoods through crafts.** One of its mission statements is “To help bring technology, design, marketing and entrepreneurial skills for self-reliance within changing markets at home and abroad”. This statement is talking about ensuring self-reliance amid changing markets. It does not talk about promotion of exports.
