Note: Students are expected to incorporate suggestions from the solution provided in the answers. Discussion classes for the tests are also available online in your portal to aid in your preparation. Further, students are requested to see the good copies of the tests and learn from them. You can also discuss your copy with a Mentor and discover ways and means to improve your answers, or if you have any issues with this test / copy. Asks specific questions, to get specific answers.

EXAMINER'S REMARKS

CRITERIA FOR THE FEEDBACK SECTION AT THE END OF EACH QUESTION

1. **AWIS = Answered What is Asked.** This means whether you have addressed the core demand of the question or not. Addressing the core demand of the question gets you an objectively fair score. It is examiner's perception if you have understood the question and if you know the answer in the first place. Creative answer writing, sometimes missing the core demand, may fetch very high or very low scores, and exposes your answer to the subjectivity of the examiner.
2. **CD & VA = Content Density & Value Addition.** Examiner will evaluate the quality and quantity of your content in the answer. In the same word limit and space limit have you (a) written what is asked (b) gone beyond what is asked (c) enriched answers through combination of (but not all!) suggestions, ideas, quotes, flowcharts, diagrams, facts and figures, data etc. This affects objective components of assessment.
3. **S & F = Structure & Flow =** Whether you have structured your answer properly or not. Whether the answer has been broken into parts and sub-parts and each part has been addressed appropriately or not. Whether the flow of the answer is maintained. Affects both subjective and objective components of assessment.
4. **P & R =** How your answer performs on the criteria of **presentation, ease of read, clarity and apparent effort** in writing the answer. This affects the subjective components of assessment.

Section - A

Q.1) a) Celebrity endorsements raise pertinent ethical concerns about responsibility that delve into the realm of ethical considerations of social influence that run deeper than mere surface appeal. In this context, suggest measures to tackle the ethical challenges of celebrity brand endorsements. (10 marks, 150 words)

सेलिब्रिटी एंडोर्समेंट/परांकन जिम्मेदारी के बारे में प्रासंगिक नैतिक चिंताओं को उठाते हैं जो सामाजिक प्रभाव के नैतिक विचारों के दायरे में आते हैं जो महज सतही अपील से कहीं अधिक गहरे होते हैं। इस संदर्भ में, सेलिब्रिटी ब्रांड एंडोर्समेंट/परांकन की नैतिक चुनौतियों से निपटने के उपाय सुझाएं। (10 अंक, 150 शब्द)

Celebrity endorsement involves persuasion

it attracts audience, who try to associate with the celebrity by mimicking them & start using those products
eg. Mahesh babu - deodorant (actor)

Ethical issues involved

- 1) Advertise but not use those products
eg. Alia Bhatt - perk chocolate ad but doesn't eat sugar outside is reality
- 2) Misuse of stature for monetary benefit
eg. Shah Rukh Khan - pan masala ad ⇒ bad causes cancer ← for health

- 3) Lack of accountability for actors
 (eg) Logan paul advertised 200 tokens & investors lost money
- 4) Risk to the users (eg) Kourtney Kardashian promoted spring festival, it never happened, followers lost money

Measures to tackle celebrity endorsements

- 1) Adding legal liability clause - must pay compensation if product causes harm
- 2) Endorser must use the product they advertise
- 3) Regulations on ads, ban on anti-social ads like - alcohol, pan masala etc
- 4) Share of profits to be contributed for social welfare
 "With great power comes great responsibility"
 - 2nd ARC
 Celebrities must use their stature
 fame for social well-being

b) Embracing a scientific mindset involves setting aside impulsive inclinations in favor of the pursuit of truth. In your view, how does the integration of scientific thinking contribute to addressing contemporary challenges and promoting societal progress? How can we effectively cultivate a scientific attitude in society? (10 marks, 150 words)

वैज्ञानिक मानसिकता को अपनाने में सत्य की अनुसरण के पक्ष में आवेगपूर्ण प्रवृत्ति को अलग रखना शामिल है। आपके विचार में, वैज्ञानिक सोच का समाकलन समकालीन चुनौतियों से निपटने और सामाजिक प्रगति को बढ़ावा देने में कैसे योगदान देता है? हम समाज में वैज्ञानिक प्रवृत्ति को प्रभावी ढंग से कैसे विकसित कर सकता है? (10 अंक, 150 शब्द)

Article 51(A) - fundamental duties command us to cultivate scientific temper, it helps clear our mind & make right judgement

Scientific thinking - addressing contemporary challenges & societal progress

- 1) Discrimination - caste, gender, religion can be fought to create equality, liberty & fraternity
- 2) Climate justice & secure right to life of third world nations
- 3) Scientific innovations for vaccines, food technology can save lives & improve quality of life

4) Social innovation for public service delivery
 @ Awaneesh sharma IAS - bike ambulance in Chattisgarh

How to cultivate scientific attitude in society

- 1) Education & training ^{institutes can be} organised to attain it
- 2) debates & discussions to use objectivity as basis
- 3) Family & peer groups encouraging open thinking & critical thinking
- 4) State/Society - encouraging participation & free speech to question everything & come to conclusions based on facts

Scientific thinking is the core of Objectivity & Rationality. It has power to transform a nation

Q.2) a) In the realm of professional conduct, ethics plays a role that tends to go far beyond fulfilling the roles and responsibilities of the job with diligence and honesty. But some people consider professional competence as the only critical requirement for a job. If faced with a choice, who would you prefer to hire - someone with professional competence or one with strong moral values?
(10 marks, 150 words)

पेशेवर आचरण के क्षेत्र में, नैतिकता एक ऐसी भूमिका निभाती है जो परिश्रम और ईमानदारी के साथ नौकरी की भूमिकाओं और जिम्मेदारियों को पूरा करने से कहीं आगे तक जाती है। लेकिन कुछ लोग पेशेवर योग्यता को नौकरी के लिए एकमात्र महत्वपूर्ण आवश्यकता मानते हैं। यदि आपको किसी विकल्प का सामना करना पड़ता है, तो आप किसे नियुक्त करना पसंद करेंगे - पेशेवर योग्यता वाला व्यक्ति या दृढ़ नैतिक मूल्यों वाला व्यक्ति?
(10 अंक, 150 शब्द)

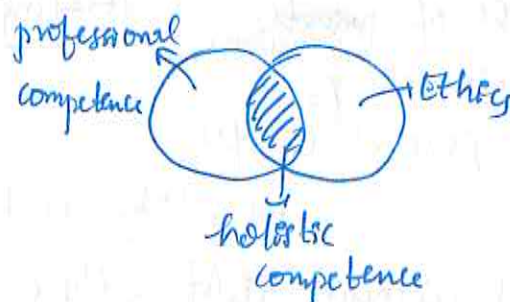

"While hiring look for Integrity, Intelligence without the first, the candidate will ruin you"
— Warren Buffet

* Gandhiji opines knowledge with morality and Science without humanity as big sin

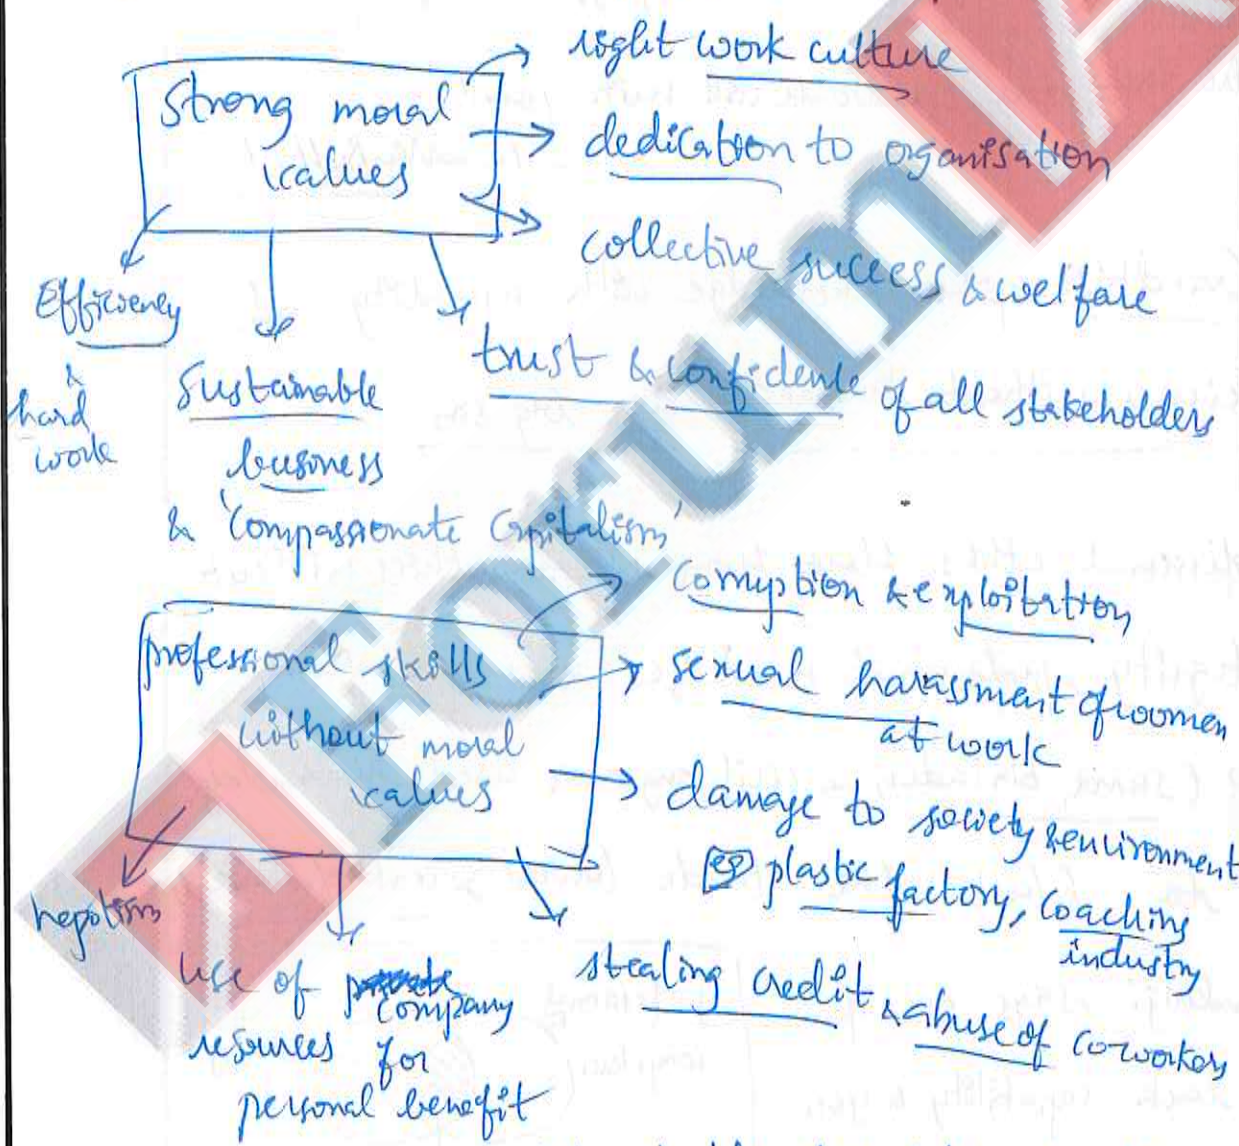

* professional ethics flows from private ethics without Integrity, professional knowledge causes social harm

eg Osama bin Laden - a civil engineer, used his knowledge to blast the trade towers \Rightarrow death of thousands

* Gandhiji says even if you lack capability & you have morals & commitment you will gain capability eventually

hence I would choose the person with morals and put him through training for gaining the skills. with dedication & commitment he would gain the skills & professional competence with one

b) Patriotism can hold different meanings for different people, often shaped by personal experiences and convictions. What does patriotism mean to you? Explain narrating incidents from your life when you exhibited patriotism. (10 marks, 150 words)

देशभक्ति अलग-अलग लोगों के लिए अलग-अलग अर्थ रख सकती है, जिसे अक्सर व्यक्तिगत अनुभवों और दृढ़ विश्वासों द्वारा आकार दिया जाता है। आपके लिए देशभक्ति का क्या तात्पर्य है? अपने जीवन की उन घटनाओं का वर्णन कीजिए जब आपने देशभक्ति का प्रदर्शन किया था। (10 अंक, 150 शब्द)

Patriotism is dedication to progress of nation,
putting nation's interests before self, acting in a
socially responsible manner spreading love & dedication
to our society

Incidents in my life where I was patriotic

- 1) I had participated in flood relief drive for Andhra Pradesh
- 2) I had donated my pocket money to

P.19 National Relief fund during Kerala floods

3) I confronted discriminatory treatment towards

my friend from Northeast in IIT Delhi (social integrity)

4) I have participated in Nation Cadet Corps for patriotic fervour

5) I have reported anti-national agenda on social media, to check false propaganda by media outlets against nation

6) I have attended debates, arguing for nationalism & patriotic stances, attended Independence day & Republic day parade at India Gate

patriotism is all encompassing, it can create social capital, provide motivation to live life for the welfare of our neighbours

Q.3) a) Max Weber's concept of bureaucracy was developed in the early 20th century, but it still influences administrative structures today. In what ways do you see Weberian bureaucracy as relevant in today's rapidly changing world? (10 marks, 150 words)

मैक्स वेबर की नौकरशाही की अवधारणा 20वीं सदी की शुरुआत में विकसित हुई थी, लेकिन यह आज भी प्रशासनिक संरचनाओं को प्रभावित करती है। आज की तेजी से बदलती दुनिया में वेबेरियन नौकरशाही को आप किस प्रकार प्रासंगिक मानते हैं? (10 अंक, 150 शब्द)

Max Weber's ideas of bureaucracy were created as ideal stance for running organizational duties

Relevance of Weberian bureaucracy

- 1) Respect Rule of law & remain objective
 - eg) allocation of money towards road infrastructure
- 2) Uphold Efficiency & financial prudence
 - eg) Open bidding to get affordable contract for construction of office

3) Hardworking, Commitment & perseverance

Ex) Elections conducted by District magistrate working 14/7 for weeks

Limitations of Weberian Bureaucracy

1) Compassionate treatment of vulnerable sections

Ex) offering ration card to migrant worker

2) Building trust & confidence of people

Ex) S. Rishankaran IAS, trust of Maoists, got them to negotiating table with government

3) Emotional intelligence for handling stress

Ex) Saumya Pandey IAS - settled conflicts between warring groups through national anthem singing

Modern bureaucracy requires social progressiveness, Impartiality, Integrity, dedication to constitution and Transparency as foundational values

b) "Global challenges often test the ethical fiber of nations, urging them to channel narrow pursuit of national-interest into an enlightened self-interest." Enumerating the various ethical principles underlying the concept of enlightened national-interest examine its efficacy in helping nations navigate the fine line between pursuing their strategic interests and upholding ethical principles, particularly in times of conflict? (10 marks, 150 words)

"वैश्विक चुनौतियाँ अक्सर राष्ट्रों के नैतिक ताने-बाने का परीक्षण करती हैं, जो उन्हें राष्ट्रीय-हित की संकीर्ण खोज को प्रबुद्ध स्व-हित में बदलने का आग्रह करती हैं।" प्रबुद्ध राष्ट्रीय-हित की अवधारणा में निहित विभिन्न नैतिक सिद्धांतों को गणना करते हुए, राष्ट्रों को अपने रणनीतिक हितों को आगे बढ़ाने और नैतिक सिद्धांतों को बनाए रखने के बीच सूक्ष्म लाइन (fine line) को मार्गनिर्देशन के लिए मदद करने में इसकी प्रभावकारिता की जांच कीजिए, खासकर संघर्ष के समय में? (10 अंक, 150 शब्द)

Enlightened national interests is the expansion of cognitive identification of self with the world, it creates social & political peace

Enlightened national-interest: balancing self & others

- 1) It brings out responsibility towards weak
 (eg) India offering refuge to Tibetans from China
- 2) It creates comradere & social bonds against divisions
 (eg) ~~USA offered aid during floods~~ Germany allowing reparations to Poland for worldwar-II losses
- 3) Gives chance for peace & India's petition for peace between Russia & Ukraine
- 4) Neutrality & Compassion to all & India providing aid to Pakistan during floods even though they cause terror attacks.

Enlightened national interests cause common & shared identity in pursuit of collective welfare of all humanity & ethical existence

Q.4) a) In the realm of governance, a crucial aspect is the art of persuasion. The qualities that make civil servants proficient persuaders empower them to fulfill their responsibilities in an effective manner. Discuss with illustrations. (10 marks, 150 words)

शासन के क्षेत्र में, एक महत्वपूर्ण पहलू अनुनय की कला है। वे गुण जो सिविल सेवकों को कुशल प्रेरक बनाते हैं और उन्हें प्रभावी तरीके से अपनी जिम्मेदारियों को पूरा करने के लिए सशक्त बनाते हैं। उदाहरण सहित चर्चा कीजिए। (10 अंक, 150 शब्द)

persuasion is an act of altering the
behaviour of others willfully & voluntarily.

persuasion for civil servants - fulfill responsibility

- 1) Settle conflicts in government between departments
eg Ramanakanth Reddy IAS as chief Secretary of Andhra
between forest and tribal department
- 2) Build trust & faith in people in government policies
eg Bhanu Tej IPS, helped Covid-
vaccination by taking it himself.
- 3) Causing behaviour change for social wellbeing
eg Aastha Amin IAS, Rajasthan
stopped child marriages

4) protect national & broad social interest

eg Daya DAS, helped rehabilitation & displacement of tribes for irrigation project

5) Uphold law & order during communal riots
persuade public to calm down

6) settle trade union disputes in government factories, offering compensation

7) Social change eg Mithila Bajaj DAS -

mid day meals run by dalit cook against casteist oppression

persuasion gives strength to mould behaviour of people to align them with national / societal interest hence is a foundational trait of all bureaucrats

Q.5) a) Corruption has multifaceted implications. Some consider it an undeniable vice, while others contend it to be an unavoidable necessity for navigating the bureaucratic complexities. In your opinion, does corruption oil or corrode the gears of development? Substantiate your arguments. (10 marks, 150 words)

भ्रष्टाचार के बहुआयामी प्रभाव होते हैं। कुछ लोग इसे एक निर्विवाद बुराई मानते हैं, जबकि अन्य इसे नौकरशाही जटिलताओं से निपटने के लिए एक अपरिहार्य आवश्यकता मानते हैं। आपकी राय में, क्या भ्रष्टाचार विकास के पथ को प्रेरित करता है या बाधित करता है? अपने तर्कों को प्रमाणित कीजिए।

(10 अंक, 150 शब्द)

Corruption is misuse of power & discretion for self gain" Transparency International

Corruption → collusive - forced on person
 → coercive - nexus with criminal

Corruption oils development → quick sanction of licenses for trade
 → temporarily solves issues
 → breaking red tape
 → black money used for construction → boosts economy gives jobs

Corruption corrodes gears of development

1) long term makes structure inefficient

2) Revenue department not granting title deeds
 long delays for businessmen

- 2) Ruins work culture, removes accountability
 - ⊗ Road construction permit given without due diligence, poor road ⇒ logistic costs increase
 ↓
exports suffer
 - 3) Harassment of business @ Karnataka, demanding fixed share of profits from private sector
 - 4) Crony Capitalism ⇒ monopolies, removing competition @ Jio removed competition in telecom
 - 5) Regulatory overlook, revolving door policy
 bureaucrats join company post retirement hence benefit it with government contracts while in service
- Ethical Code of Conduct, strict
enforcement of Prevention of Corruption Act, Lokpal
and Social Audits are necessary to wipeout corruption

b) Ethical hacking and malicious hacking stand as divergent paths with distinct intentions and consequences. As technology advances, it becomes imperative to comprehend the nuances that set these practices apart in the cybersecurity landscape. In this perspective, elucidate the principles that differentiate ethical hacking and malicious hacking. (10 marks, 150 words)

एथिकल हैकिंग और मालिसिअस (malicious) हैकिंग के अलग-अलग इरादों और परिणामों के साथ अलग-अलग मार्ग हैं। जैसे-जैसे प्रौद्योगिकी आगे बढ़ती है, उन बारीकियों को समझना अनिवार्य हो जाता है जो साइबर सुरक्षा परिदृश्य में इन प्रथाओं को अलग करती हैं। इस परिप्रेक्ष्य में, उन सिद्धांतों को स्पष्ट कीजिए जो एथिकल हैकिंग और मालिसिअस (malicious) हैकिंग को अलग करते हैं। (10 अंक, 150 शब्द)

Ethical hacking is developing the capability of hacking for socially positive goals and purposes eg hacking into terrorists phone to identify where bomb is and diffuse it.

Malicious hacking involves illegal intrusion into persons device, steal data and blackmail them for money, or sell data for profit eg wannacry malware attack.

principles that differentiate ethical & malicious hacking

1) Legality & law oriented ethical hacking is backed by parliamentary law/order

2) Social welfare / collective wellbeing : ethical hacking is done to protect & uphold ~~collective~~ public good

3) Respect for privacy & confidentiality : the privacy is protected in ethical hacking

4) Non-monetary - no profit motto : hacking is done for upholding individual rights.

5) Transparency & open communication : once the task is carried out it is open declared & not suppressed

6) Accountability : ethical hacking involves responsibility for their actions.

7) Respect for sovereign boundaries : ethical hacking respects the changing jurisprudence & sensitive to other governments
 e.g. Pegasus software used for only Israel government
 Ethical hacking skill is necessary in age of "hybrid war," cyber force is to be developed under cyber policy.

Q.6) What does each of the following quotation mean to you?

- a) "Our greatest ability as humans is not to change the world, but to change ourselves."
- Mahatma Gandhi (10 marks, 150 words)

निम्नलिखित में से प्रत्येक उद्धरण का आपके लिए क्या अर्थ है?

- "मनुष्य के रूप में हमारी सबसे बड़ी क्षमता दुनिया को बदलना नहीं है, बल्कि खुद को बदलना है।"
- महात्मा गांधी (10 अंक, 150 शब्द)

"Yesterday I woke up & complained the world is unfair
Today, I changed my attitude & I am grateful"
— Rabindranath Tagore

Greatest ability is to change ourselves

1) Involves self-scrutiny & Integrity

⊗ Gandhiji left early morning, liquor consumption

2) It requires acceptance of mistake → needs courage

⊗ Gandhiji accepted patibhli defeat against
Subhas Chandra Bose as his defeat
in 1937 Haripure Congress session

3) Perseverance to endure difficulty in change

⊗ Gandhiji changed to khadi from foreign
cloth

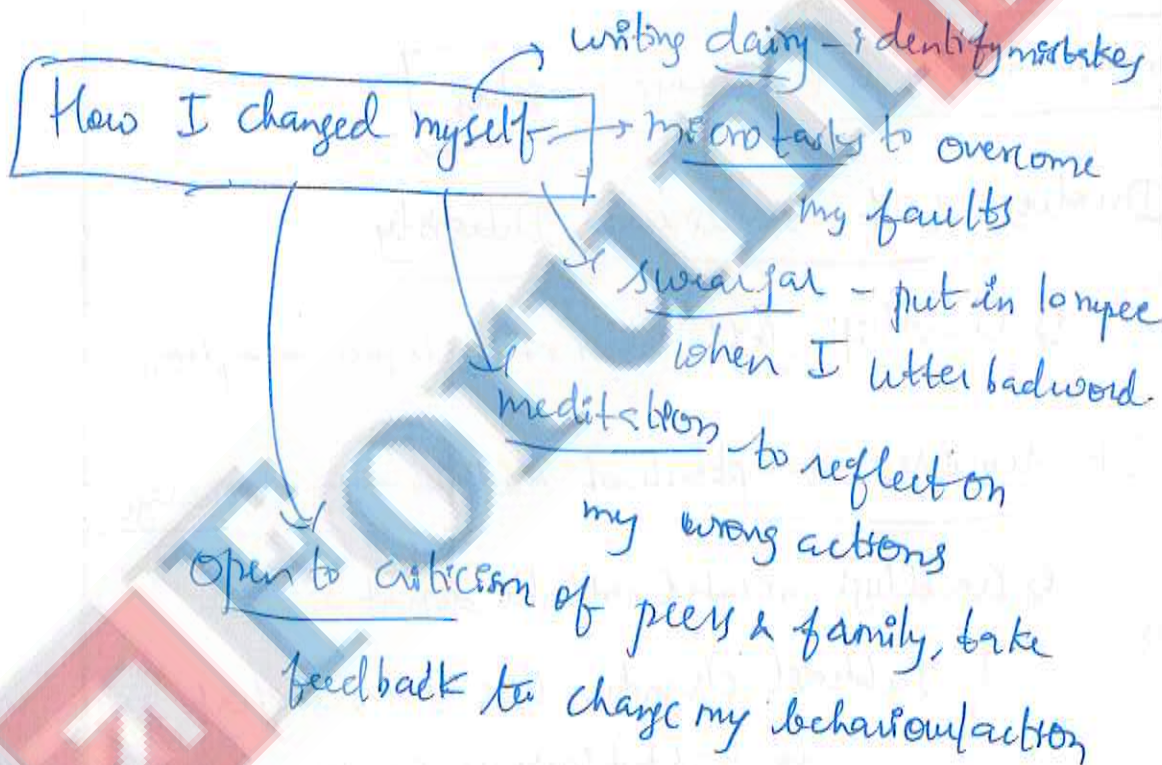

- 4) Have humility to accept faults
 @ L.B. Shastri resigned as minister after rail accident
- 5) Have self-faith & confidence to choose right

over what is easy and do the good thing.

☞ Buddha - gave up worldly life for enlightenment

"The Man who Conquers himself conquers the world"

- Aristotle

A man grows till he dies, life is socialization. "Live every day like its your last

learn everyday like its your first" - Socrates

b) 'People know what they do; frequently they know why they do what they do; but what they don't know is what what they do does.' Michel Foucault
(10 marks, 150 words)

'लोग जानते हैं कि वे क्या करते हैं, अक्सर वे जानते हैं कि वे ऐसा क्यों करते हैं, लेकिन वे यह नहीं जानते कि वे जो करते हैं वह क्या करता है।' मिशेल फाउकॉल्ट
(10 अंक, 150 शब्द)

Humans are aware of what actions they do, and its motivations but they ignore the consequences of their action

* Eichman the Nazi designer for Holocaust, justified his gaschambering of jews saying he was just following orders, lacking conscience for loss of life.

Aware of motivations & desires but ignorant of consequences

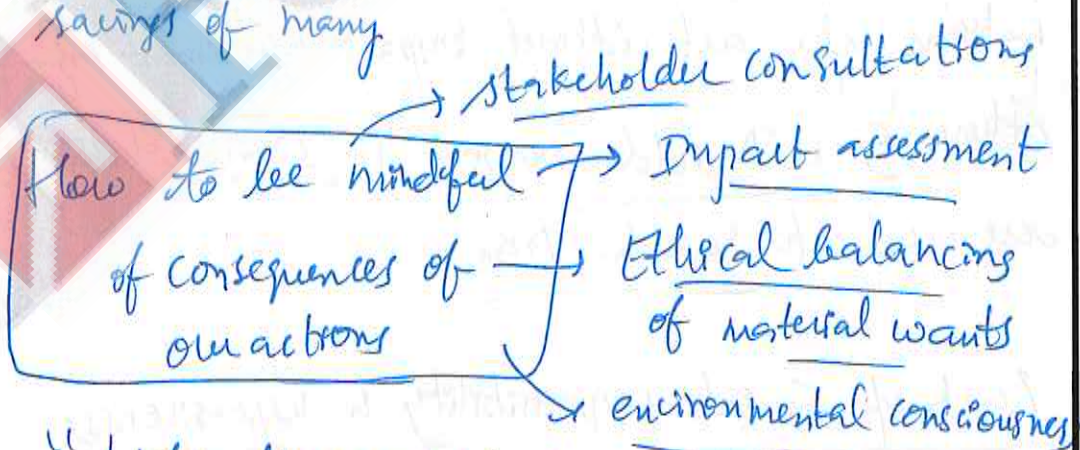

1) USA selfishness & greed make humans nations do act without, impact assessment of others
 eg USA, sold weapons to Iraq, which were used to invade Iran

2) Lack of social responsibility & responsiveness drives it
 eg U.K industrial revolution brought it wealthy, but caused climate change → island nations suffering

3) Materialism & Narcissism Centres oneself above all others
 @ Thankand ingestion engineer drained whole reservoir for his phone that fell in it

4) lack of ~~selfish~~ moral compass & ethical values
 cause it. @ Taliban blasted Bamiyan Buddhas for radical beliefs, yet unaware of destroying culture & heritage & art

5) Separating self from society, cruel towards others
 @ Sathyanam scam ruined lifetime savings of many

"Life line examined is not worth living"

Scrutiny of actions & unescapable for all Societies humans across time

c) "I slept and dreamt that life was a joy. I awoke and saw that life was service. I acted and behold, service was a joy." Rabindra Nath Tagore (10 marks, 150 words)

"मैं सो गया और सपना देखा तो जीवन आनंदमय था। मैं जागा और देखा कि जीवन सेवा है। मैंने अभिनय किया और देखा, सेवा खुशी थी।" रवीन्द्रनाथ टैगोर। (10 अंक, 150 शब्द)

Life is perceived differently by many humans. Hedonists seek pleasure - Euriditus is one. Ignorance makes us see joy as only purpose of life

"Happiness is not the sole purpose of life"
— Sundar pichai, Google CEO

Joy is not the essence of life

1) Right choices may be difficult to make

↳ returning bribe which could help fund father's heart surgery

2) Follow duty must come before happiness

↳ Bipin Rawat, KDS hardly watched any movies, dedicated life to army/nation

3) Joy is subjective, it comes from within us

eg) Penu Raj IAS felt happy on conducting medical camp for elderly

"We must choose what is right not what is easy"
 - Gandalf, Lord of the rings

Service is essence of life

* Gandhi - "The best way to find yourself is to lose yourself in the service of others."

* Vivekananda - "Service to man is service to God"

Service is happiness/joy

* Mother Theresa dedicated her life for lepers & abandoned children in Kolkata was happy for it

* Mamun Majhi IAS declared his efforts to make mahad dengue free made her happy
 Service is essence of life, harmonizing self with society elevates us beyond narrow differences and gives ultimate joy.

Section - B

Q.7) Even though the incidents of wars are detrimental to all, it is the women who have been the worst sufferers of all forms of human conflicts. Historical evidences from throughout the globe have highlighted the skewed vulnerability of women to violence in all its manifestations. In the medieval period, the situation of women remained particularly vulnerable; treated as second class citizens in comparison to men, their condition became particularly deplorable during wartime excesses. Invariably, women were considered as part of the plunder, leading to their sexual and psychological exploitation. Similarly, during the second world war, the then Imperial Japanese Army exploited women, pushing them into sexual slavery. These women were euphemistically termed as comfort women. The objectification of women as a commodity for comfort made their exploitation complete and absolute. Issue of comfort women, one of the largest incidents of human trafficking, continues to be a diplomatic flash point between South Korea and Japan.

In contemporary times too, we get to see the manifestation of various social crimes against women. Dharmendra, a young District Magistrate, posted in Khainom, capital of Ranipur recently became witness to such an incident. Ranipur is one of the North Eastern states of India. Ranipur has a rich ethnic diversity consisting of both tribal and non-tribal population. Issues such as access and ownership over resources, settling of outsiders (non-tribals) in tribal areas, dominance/influence over government appointments etc., have remained the bone of contention between the tribal and non-tribal people. However, the matters came to a head when the demands from the non-tribal community for being recognized as tribals started gaining force. These demands were fiercely opposed by the tribals fearing that it will reinforce the positions of non-tribals; allow them to buy land in tribal areas and therefore will marginalize the already backward tribal community in the state. Within no time the situation took a communal turn. Khainom was particularly worst hit. In addition to the incidents of plunder and loot, Khainom gained global attention when a video of a tribal girl being sexually assaulted by non-tribal men surfaced in the social media. The video clearly depicted a group of 20-25 men molesting a tribal girl in front of entire village. A police car, and few police personnel were also visible in the video. The passivity of armed police personnel towards safeguarding the women was being severely criticised across all quarters. Even though this particular incident came into public domain, it was by no measure an isolated happening. Many such occurrences of targeting women from both the communities were reported throughout Ranipur. The political leadership of the state has taken cognizance of the events in Khainom. Dharmendra has been instructed to prepare a holistic plan to avoid such incidents in the future.

- What recommendations should Dharmendra make to create a safe environment for the women?
- What are the factors that have led to victimization of women, especially during conflicts?

(20 marks, 250 words)

यद्यपि युद्ध की घटनाएँ सभी के लिए हानिकारक हैं, फिर भी सभी प्रकार के मानवीय संघर्षों में महिलाएँ ही सबसे अधिक पीड़ित रही हैं। दुनिया भर के ऐतिहासिक साक्ष्यों ने हिंसा के सभी रूपों में महिलाओं की विषम संवेदनशीलता को उजागर किया है। मध्यकाल में महिलाओं की स्थिति विशेष रूप से असुरक्षित रही; पुरुषों की तुलना में उन्हें दोगुना दर्जे का नागरिक माना जाता था, युद्ध के दौरान ज्यादतियों के दौरान उनकी स्थिति विशेष रूप से दयनीय हो गई थी। हमेशा, महिलाओं को लूट का हिस्सा माना जाता था, जिससे उनका यौन और मानसिक शोषण होता था। इसी तरह, दूसरे विश्व युद्ध के दौरान तत्कालीन शाही जापानी सेना ने महिलाओं का शोषण किया, उन्हें यौन दासता में धकेल दिया। इन महिलाओं को मंगलभाषी ढंग से भोग की महिलाएँ कहा जाता था। भोग की वस्तु के रूप में महिलाओं के वस्तुकरण ने उनके शोषण को पूर्ण और निरपेक्ष बना दिया। मानव तस्करी की सबसे बड़ी घटनाओं में से एक, भोग की महिला का मुद्दा, दक्षिण कोरिया और जापान के बीच एक कूटनीतिक विवाद बना हुआ है।

समसामयिक समय में भी हमें महिलाओं के प्रति विभिन्न सामाजिक अपराधों की अभिव्यक्ति देखने को मिलती है। राजधानी रानीपुर के खैनोम में तैनात युवा जिलाधिकारी धर्मेंद्र हाल ही में ऐसी घटना के गवाह बने। रानीपुर भारत के उत्तर पूर्वी राज्यों में से एक है। रानीपुर में एक समृद्ध जातीय विविधता है जिसमें आदिवासी और गैर-आदिवासी दोनों आबादी शामिल है। संसाधनों तक पहुंच और स्वामित्व, आदिवासी क्षेत्रों में बाहरी लोगों (गैर-आदिवासियों) का बसना, सरकारी नियुक्तियों पर प्रभुत्व/प्रभाव आदि जैसे मुद्दे आदिवासी और गैर-आदिवासी लोगों के बीच विवाद की जड़ बने हुए हैं। हालाँकि, मामला तब तूल पकड़ गया जब गैर-आदिवासी समुदाय की ओर से आदिवासियों के रूप में पहचाने जाने की मांग जोर पकड़ने लगी। इन मांगों का आदिवासियों ने इस डर से जमकर विरोध किया कि इससे गैर-आदिवासियों की स्थिति मजबूत होगी; उन्हें आदिवासी क्षेत्रों में जमीन खरीदने की अनुमति दे दी जाएगी और राज्य में पहले से ही पिछड़े आदिवासी समुदाय को हाशिए पर धकेल दिया जाएगा। देखते ही देखते स्थिति ने सांप्रदायिक रूप ले लिया। खैनोम विशेष रूप से सबसे अधिक प्रभावित हुआ। लूट-पाट की घटनाओं के अलावा, खैनोम ने तब वैश्विक ध्यान आकर्षित किया जब एक आदिवासी लड़की के साथ गैर-आदिवासी पुरुषों द्वारा यौन उत्पीड़न का एक वीडियो सोशल मीडिया पर सामने आया। वीडियो में साफ तौर पर दिखाया गया है कि 20-25 लोगों का एक समूह पूरे गांव के सामने एक आदिवासी लड़की से छेड़छाड़ कर रहा है। वीडियो में पुलिस की एक गाड़ी और कुछ पुलिसकर्मी भी नजर आ रहे हैं। महिलाओं की सुरक्षा के प्रति सशस्त्र पुलिस कर्मियों की निष्क्रियता की हर तरफ कड़ी आलोचना हो रही थी। भले ही यह विशेष घटना सार्वजनिक डोमेन में आ गई, लेकिन यह किसी भी तरह से एक अलग घटना नहीं थी। पूरे रानीपुर में दोनों समुदायों की महिलाओं को निशाना बनाने की ऐसी कई घटनाएं सामने आईं।

राज्य के राजनीतिक नेतृत्व ने खैनोम की घटनाओं का संज्ञान लिया है। भविष्य में ऐसी घटनाओं से बचने के लिए धर्मेंद्र को एक समग्र योजना तैयार करने का निर्देश दिया गया है।

a) महिलाओं के लिए सुरक्षित वातावरण बनाने के लिए धर्मेंद्र को क्या सिफारिशें करनी चाहिए?

b) वे कौन से कारक हैं जिनके कारण महिलाओं को उत्पीड़न का सामना करना पड़ा, विशेषकर संघर्षों के दौरान? (20 अंक, 250 शब्द)

The case involves sexual assault on

women, objectification in midst of ethnic conflicts

NCRB report 2021 shows crimes against women rose 15%

a) Recommendations by Dharmendra for safe environment

Short term

1) Conduct investigation and arrest culprits
as per the law

2) psychological support & counselling of rape victims

3) Involve civil society for identification of victims

4) women workers to maintain toll free numbers
to talk about their victimization.

5) Remove video from internet, it violates
privacy & dignity of the victims

6) Enforce law & order with central armed forces
deputation in areas where mistrust prevails
on police

7) Action on police who were complacent → suspend
till trial is done
Long term

1) Self defense training to women to protect
themselves

2) Inclusion of all ~~social~~ tribals & non tribals in
police and policies for inclusion & institution
(Article 330/332)

- 3) Behaviour change campaigns with celebrities & religious leaders to never target women
- 4) Educational institutions impart gender sensitivity in school children
- 5) Developmental schemes to alleviate marginalisation of tribes in spirit of Article 46
- 6) Gender sensitization campaigns to change attitudes
- 7) Gender cells in police to sensitize them & induct women in police (only 12% share today)

(b) Factors that led to victimization of women

- 1) paternalist attitude - seeing women as second grade citizens
- 2) Objectification - perceiving women as "property"

- 3) Justification as revenge for their own losses
- 4) Trivialization of suicidal act-like rape in media and movies ⇒ deseensitization of men
- 5) Rape perceived as imposition of social norms
 - ⊕ Dominant Caste men raping men of S.C
- 6) Rape as political power projection, reflecting power disparity
 - ⊕ Godhra riots - rape cases
- 7) Attempting demographic change
 - ⊕ ISIS killed Yazidi men & took Yazidi women as sex slaves in Draq - Khalid Murad Nobel peace prize winner
- 8) Religious sanction against killing women but enslaving them.

9) Ncers Boys calls this reproductive slavery

Women must be seen with agency as equal partners in national life role models like Kalpanachaudle, Rani Laxmibai are necessary to change attitudes & break shackles of patriarchy

Q.8) Manoj is a young boy studying in class tenth of Nav Bharti school. Even though Manoj is pursuing science stream, as desired by his parents, he has always been more inclined towards arts. His skills in various performing arts viz. music, dance etc., has always received high praises from his friends, teachers and relatives alike. It was his desire to make a name for himself in this field. However, when Manoj informed his parents about his dream, their reaction though disappointing, did not come as a surprise. His parents who have always desired to see him as an engineer, were vehemently against his wish to pursue performing arts as a career option. His father explained him that by being an engineer he can lead a financially rewarding life, which they themselves could never afford. Further, his father also belittled his dream by saying that music and dance did not constitute an honourable profession. Manoj's father also pointed out to Manoj that Praveen, Manoj's cousin, had settled with a high paying job after completing his engineering degree from a renowned university.

Though Manoj never enjoyed studying mathematics and science, he did not want to go against his parent's wishes. Therefore, after completing his board exams, Manoj was sent to Pota. Over the years the reputation of Pota as the coaching hub for entrance examinations had grown far and wide. The determination of Manoj's parents to make their son an engineer was undeterred despite the high fees of the coaching centres in Pota. Therefore, in order to pay the high fees of the coaching institute, Manoj's parents mortgaged their only asset, the ancestral family land. Manoj tried to convince his father against it, but to no avail.

In order to fulfil his parent's aspiration, Manoj started working hard and giving his best. However, despite his consistent and honest hard work, his performance in mock tests remained sub-par and could neither meet the expectations of the teachers in Pota nor that of his parents at home. In addition, due to the alienation from the environment of school, friends, and family Manoj started remaining depressed. Further, in Pota he did not get anytime for pursuing his hobbies in performing arts. He started keeping to himself and even avoided talking to his parents on phone.

Even after two years of gruelling coaching regime, Manoj's condition remained unchanged. The situation came to such a pass that Manoj used to be in a constant fear of failure in the annual Engineering Entrance Examination (EEE). He was aware about the high financial stakes that the exam bore for his family. It was under this pressure that Manoj gave the EEE.

Finally, the results were out, and Manoj was unable to make it to any prestigious engineering college. Even though the result was on the expected lines for Manoj, the realisation that he has failed in the examination crushed him mentally. What made the matters worse was the disappointment that Manoj noticed in his parent's voice over the phone. Manoj felt like a criminal in his mind who had squandered the scarce family resources. Unable to bear the pressure, Manoj took a fatal jump off the building of his hostel. He left behind a note apologising to his parents for being unable to fulfil their aspirations.

- What are the qualities lacked by Manoj's parents?
- What qualities in a person can prevent him/her from taking the extreme step of committing suicide?
- What are the various ethical issues with the education system as depicted in the case study?
(20 marks, 250 words)

मनोज एक युवा लड़का है जो नव भारती स्कूल में दसवीं कक्षा में पढ़ता है। भले ही मनोज अपने माता-पिता की इच्छा के अनुसार विज्ञान स्ट्रीम से पढ़ाई कर रहा है, लेकिन उसका रुझान हमेशा कला की ओर अधिक रहा है। संगीत, नृत्य आदि जैसे विभिन्न प्रदर्शन कलाओं में उनके कौशल को हमेशा अपने दोस्तों, शिक्षकों और रिश्तेदारों से समान रूप से उच्च प्रशंसा मिली है। उनकी इच्छा इस क्षेत्र में नाम कमाने की थी। हालाँकि, जब मनोज ने अपने माता-पिता को अपने सपने के बारे में बताया, तो उनकी प्रतिक्रिया निराशाजनक थी, लेकिन आश्चर्य की बात नहीं थी। उनके माता-पिता, जो हमेशा उन्हें एक इंजीनियर के रूप में देखना चाहते थे, अभिनय कला को करियर विकल्प के रूप में अपनाने की उनकी इच्छा के सख्त खिलाफ थे। उनके पिता ने

उन्हे समझाया कि एक इंजीनियर बनकर वह आर्थिक रूप से पुरस्कृत जीवन जी सकता है, जिसे वे स्वयं कभी नहीं कर सके। इसके अलावा, उनके पिता ने भी यह कहकर उनके सपने को छोटा कर दिया कि संगीत और नृत्य कोई सम्मानजनक पेशा नहीं है। मनोज के पिता ने मनोज को यह भी बताया कि प्रवीण, मनोज का चचेरा भाई, एक प्रसिद्ध विश्वविद्यालय से इंजीनियरिंग की डिग्री पूरी करने के बाद उच्च वेतन वाली नौकरी कर रहा है।

हालाँकि, मनोज को गणित और विज्ञान पढ़ने में कमी मन नहीं लगा, लेकिन वह अपने माता-पिता की इच्छाओं के खिलाफ नहीं जाना चाहता था। इसलिए, बोर्ड परीक्षा पूरी करने के बाद, मनोज को पोटा भेज दिया गया। पिछले कुछ वर्षों में प्रवेश परीक्षाओं के लिए कोचिंग केंद्र के रूप में पोटा की प्रतिष्ठा दूर-दूर तक बढ़ी है। पोटा में कोचिंग सेंटर्स की ऊंची फीस के बावजूद मनोज के माता-पिता का अपने बेटे को इंजीनियर बनाने का दृढ़ संकल्प अडिग था। इसलिए, कोचिंग संस्थान की उच्च फीस का भुगतान करने के लिए, मनोज के माता-पिता ने अपनी एकमात्र संपत्ति, पैतृक पारिवारिक जमीन गिरवी रख दी। मनोज ने अपने पिता को इसके खिलाफ समझाने की कोशिश की, लेकिन कोई फायदा नहीं हुआ।

अपने माता-पिता की आकांक्षा को पूरा करने के लिए, मनोज ने कड़ी मेहनत करना और अपना सर्वश्रेष्ठ देना शुरू कर दिया। हालाँकि, उनकी लगातार और ईमानदार कड़ी मेहनत के बावजूद, मॉक टेस्ट में उनका प्रदर्शन अच्छा नहीं रहा और वह न तो पोटा में शिक्षकों की अपेक्षाओं को पूरा कर सके और न ही घर पर अपने माता-पिता की अपेक्षाओं को पूरा कर सका। इसके अलावा स्कूल, दोस्तों और परिवार के माहौल से अलगाव के कारण भी मनोज उदास रहने लगे। इसके अलावा, पोटा में उन्हें प्रदर्शन कला में अपने शौक पूरे करने के लिए समय नहीं मिला। वह अपने तक ही सीमित रहने लगा और यहां तक कि अपने माता-पिता से फोन पर बात करने से भी कतराने लगा।

दो साल की कठिन कोचिंग व्यवस्था के बाद भी, मनोज की स्थिति अपरिवर्तित रही। स्थिति ऐसी आ गई कि मनोज को वार्षिक इंजीनियरिंग प्रवेश परीक्षा (ईईई) में असफल होने का डर सताता रहता था। वह इस बात से अवगत थे कि परीक्षा उनके परिवार के लिए कितनी बड़ी वित्तीय जोखिम पैदा करने वाली थी। इसी दबाव में मनोज ने ईईई की परीक्षा दी।

अंत में, परिणाम सामने आए और मनोज किसी भी प्रतिष्ठित इंजीनियरिंग कॉलेज में प्रवेश पाने में असमर्थ रहे। भले ही परिणाम मनोज के लिए अपेक्षित था, लेकिन इस एहसास ने कि वह परीक्षा में असफल हो गया है, उसे मानसिक रूप से कुचल दिया। मामले को और भी बदतर बनाने वाली बात वह निराशा थी जो मनोज ने फोन पर अपने माता-पिता की आवाज़ में देखी। मनोज अपने मन में एक अपराधी की तरह महसूस कर रहा था जिसने परिवार के दुर्लभ संसाधनों को बर्बाद कर दिया था। दबाव सहन करने में असमर्थ, मनोज ने अपने छात्रावास की इमारत से छलांग लगा दी। उन्होंने अपने माता-पिता से उनकी आकांक्षाओं को पूरा करने में असमर्थ होने के लिए माफी मांगते हुए एक नोट छोड़ा।

- a) मनोज के माता-पिता में किन गुणों की कमी है?
 b) किसी व्यक्ति के कौन से गुण उसे आत्महत्या जैसा चरम कदम उठाने से रोक सकते हैं?
 c) केस स्टडी में दर्शाए अनुसार शिक्षा प्रणाली के साथ विभिन्न नैतिक मुद्दे क्या हैं? (20 अंक, 250 शब्द)

The case involves exploitative coaching fees, pressure due to competitive exams, suicide-~~reports~~ reports & every 7 Indians faces mental health issues.

a) Qualities lacked by Manoj's parents

1) Letting children choose their life career

- 2) Not comparing children with others
- 3) Avoiding pressuring children who are too young to handle it
- 4) Maturity to understand every human is unique, they have ability to make choice what makes them happy
- 5) Respect for individual liberty & agency of child
- 6) Friendly nature & being open with children
- 7) Teaching about the vastness of life which is full of ups & down and is much greater than any & every-ones.
- 8) Shielding children from financial status awareness, not all kids can handle it

9) Emotional stability - handling everything in life
not showing negative emotions to kid

10) Resilience to accept failure & reality.

(b) Qualities that can prevent suicide

1) Resilience - ability to withstand adversity

2) Emotional intelligence - cope up fear & sorrow

3) Cool mindedness - to calmly make decisions
 prevent impulsive action like jumping off roofs.

4) Rational assessment - realising many people
 live with 1 square meals a day, we are not the
 most deprived!

5) Self-confidence - if not today someday
I will succeed

- 6) Faith - God gives the hardest tests for his best creations
- 7) Responsibility - towards family/parents who raised you
- 8) Accepting failure - "Our greatest glory lies not in never falling but getting up everytime we fall" - Confucius
- 9) Gratitude
"Every difficulty is an opportunity in disguise"
- Anon
be thankful for everything
- 10) Broadmindedness
"Failure is stepping stone towards success"
- 11) Perseverance - ability to strive further
"The fruits of struggle are sweet"
- 12) Never say die & give up attitude

(C) Ratons ethical issues with education system

- 1) Extractive & exploitative fees
- 2) No scope for hobbies - unidimensional attitude
- 3) No importance for social life - poor monitoring
no psychological counsellor
- 4) Over competitive nature seeing others as enemies
- 5) Lack of mitigative measures - spring fans

Materialistic interpretation of
life choices gives limited outcomes, life must
be seen in all its facets for holistic experience

Q.9) Rajendra has been appointed as the General Manager of South Eastern Zone of the Indian Railways. After taking charge of his new posting, one of the first major shortcomings that Rajendra found in his jurisdiction was the gross shortage of staff, especially at operational level. Given the sensitive nature and importance of railways, Rajendra immediately apprised his seniors in the ministry about this issue. In his report, Rajendra pointed out that shortages at various positions are leading to an over-stretched workforce, which may become detrimental for the security of the freight and the passengers. However, Rajendra's report fell on deaf ears and no action was taken by Railways in this regard.

As fate would have it, a devastating train accident took place at Salasore, which fell under Rajendra's jurisdiction. Around 300 lives were lost and more than 1000 passengers were injured. The accident sent shock waves across the country and serious questions were being raised on railway safety. Given the seriousness of the incident, immediately an internal fact-finding committee was constituted under Rajendra.

The internal committee completed its enquiry and prima facie found "human error in signaling" as the cause of the accident. The accident, as per the committee, happened when two trains which erroneously, due to faulty signaling, were on the same track; the collision between the two trains derailed some bogies; the derailed bogies collided with yet another train that was running on the parallel track. The fact-finding team also highlighted that Anand, who was in charge of signaling, was working continuously for more than 16 hours, instead of his regular 8 hours shift. The report concluded "lack of adequate staff" as one of the major reasons behind the accident.

The very next day Rajendra was summoned by his superior in the ministry. Rajendra's superior congratulated him on the good and timely work on the report. However, he also asked him to modify the report by removing "lack of adequate staff" as one of the causes of the accident, as it showed Railways in a poor light. His superior further hinted that a lenient approach from Rajendra will bode well for his career. He also promised that Rajendra's cooperation in the matter will have a positive bearing on his request for a study leave. Moreover, the superior also reasoned with Rajendra that a rigid attitude may not bode well for him and he might get ostracized within the rank and file. Further, to make things 'easy' for Rajendra, his superior advised him to report Anand's negligence as the cause of the accident. However, Rajendra is aware that Anand is a very sincere and hard-working employee. He came out of the Chairman's office, dejected and undecided on his next course of action.

- What are the ethical concerns associated with the case study?
- What are the options available with Rajendra?
- If you were at the place of Rajendra, which option would you choose and why?

(20 marks, 250 words)

राजेंद्र को भारतीय रेलवे के दक्षिण पूर्वी क्षेत्र का महाप्रबंधक नियुक्त किया गया है। अपनी नई पोस्टिंग का कार्यभार संभालने के बाद, राजेंद्र को अपने अधिकार क्षेत्र में जो पहली बड़ी कमी दिखी, वह थी कर्मचारियों की भारी कमी, खासकर परिचालन स्तर पर। रेलवे की संवेदनशील प्रकृति और महत्व को देखते हुए, राजेंद्र ने तुरंत मंत्रालय में अपने वरिष्ठों को इस मुद्दे से अवगत कराया। अपनी रिपोर्ट में, राजेंद्र ने बताया कि विभिन्न पदों पर कमी के कारण कार्यबल अत्यधिक बढ़ गया है, जो माल ढुलाई और यात्रियों की सुरक्षा के लिए हानिकारक हो सकता है। हालाँकि, राजेंद्र की रिपोर्ट को अनसुना कर दिया गया और रेलवे द्वारा इस संबंध में कोई कार्रवाई नहीं की गई।

जैसा कि भाग्य को मंजूर था, सालासोर में एक विनाशकारी ट्रेन दुर्घटना हुई, जो राजेंद्र के अधिकार क्षेत्र में आता था। लगभग 300 लोगों की जान चली गई और 1000 से अधिक यात्री घायल हो गए। इस दुर्घटना से पूरे देश में शोक की लहर दौड़ गई और रेलवे सुरक्षा पर गंभीर सवाल उठने लगे। घटना की गंभीरता को देखते हुए तुरंत राजेंद्र के नेतृत्व में एक आंतरिक तथ्यान्वेषी समिति का गठन किया गया।

आंतरिक समिति ने अपनी जांच पूरी की और प्रथम दृष्टया दुर्घटना का कारण 'सिग्नलिंग में मानवीय त्रुटि' पाया। समिति के अनुसार, दुर्घटना तब हुई जब दोषपूर्ण सिग्नलिंग के कारण गलती से दो ट्रेनों एक ही ट्रैक पर आ गयी थीं; दो ट्रेनों के बीच टक्कर से कुछ डिब्बे पटरी से उतर गए; पटरी से उतरे डिब्बे समानांतर ट्रैक पर चल रही एक अन्य ट्रेन से टकरा गए। तथ्यान्वेषी टीम ने इस बात पर भी प्रकाश डाला कि आनंद, जो सिग्नलिंग का प्रभारी था, अपनी नियमित 8 घंटे की शिफ्ट के बजाय, 16 घंटे से अधिक समय तक लगातार काम कर रहा था। रिपोर्ट में निष्कर्ष निकाला गया कि दुर्घटना के पीछे प्रमुख कारणों में से एक 'पर्याप्त कर्मचारियों की कमी' थी।

अगले ही दिन राजेंद्र को मंत्रालय में उनके वरिष्ठ अधिकारी ने बुलाया। राजेंद्र के वरिष्ठ ने उन्हें रिपोर्ट पर अच्छे और समय पर काम करने के लिए बधाई दी। हालाँकि, उन्होंने दुर्घटना के कारणों में से एक 'पर्याप्त कर्मचारियों की कमी' को हटाकर रिपोर्ट को संशोधित करने के लिए भी कहा, क्योंकि इसमें रेलवे को खराब स्थिति में दिखाया गया था। उनके वरिष्ठ ने आगे संकेत दिया कि राजेंद्र का उदार रुख उनके करियर के लिए अच्छा रहेगा। उन्होंने यह भी वादा किया कि इस मामले में राजेंद्र के सहयोग से अध्ययन अवकाश के उनके अनुरोध पर सकारात्मक प्रभाव पड़ेगा। इसके अलावा, वरिष्ठ ने राजेंद्र को यह भी समझाया कि कठोर रवैया उसके लिए अच्छा नहीं होगा और उसे रैंक और फ़ाइल के भीतर बहिष्कृत होना पड़ सकता है। इसके अलावा, राजेंद्र के लिए चीजों को 'आसान' बनाने के लिए, उनके वरिष्ठ ने उन्हें दुर्घटना के कारण के रूप में आनंद की लापरवाही की रिपोर्ट करने की सलाह दी। हालाँकि, राजेंद्र जानते हैं कि आनंद एक बहुत ही ईमानदार और मेहनती कर्मचारी हैं। वह निराश होकर और अपने अगले कदम के बारे में अनिर्णीत होकर अध्यक्ष के कार्यालय से बाहर आये।

a) केस स्टडी से जुड़ी नैतिक चिंताएँ क्या हैं?

b) राजेंद्र के पास क्या विकल्प उपलब्ध हैं?

c) यदि आप राजेंद्र के स्थान पर होते, तो आप कौन सा विकल्प चुनते और क्यों?

(20 अंक, 250 शब्द)

The case involves over-working of staff

average 14 hours in police - It involves Integrity & fairness

(a) Ethical concerns in case study

1) Overworking of the staff

2) Unresponsive attitude of seniors on reports of juniors

3) Gross negligence towards safety & life

4) Blame shifting by senior, instead of owning responsibility

5) Misuse of power to influence report by ^{Page} Senior

6) Bribing Rajendras with future posts, study leave

7) Threatening Rajendras with ostracism in rank & file

8) Mechanical, cruel attitudes to loss of life - no integrity

(b) options available

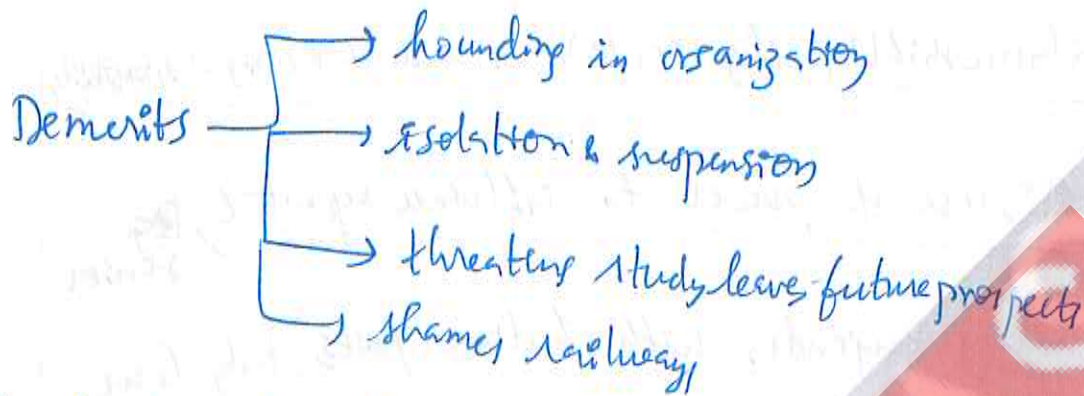

1) Accept senior advise

Merits → future promotions
→ study leave
→ escape responsibility

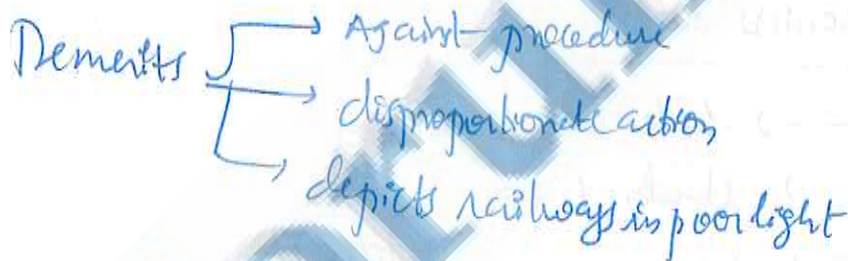

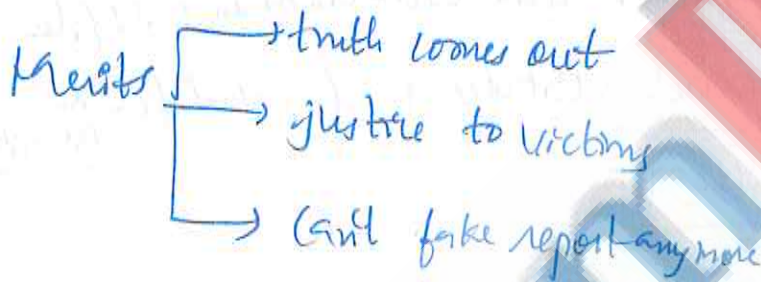

Demerits → lacks integrity & fairness
→ future accidents can reoccur
→ knave does split (Dayanand Saraswati)

2) Give report as it is

Merits → Justice to family of victims
→ visibility of responsible people
→ save Ashu from blame.

(Q.3) Leak information to Media

(C) Fair Course of Action

1) I would choose option 2 and not change report as this

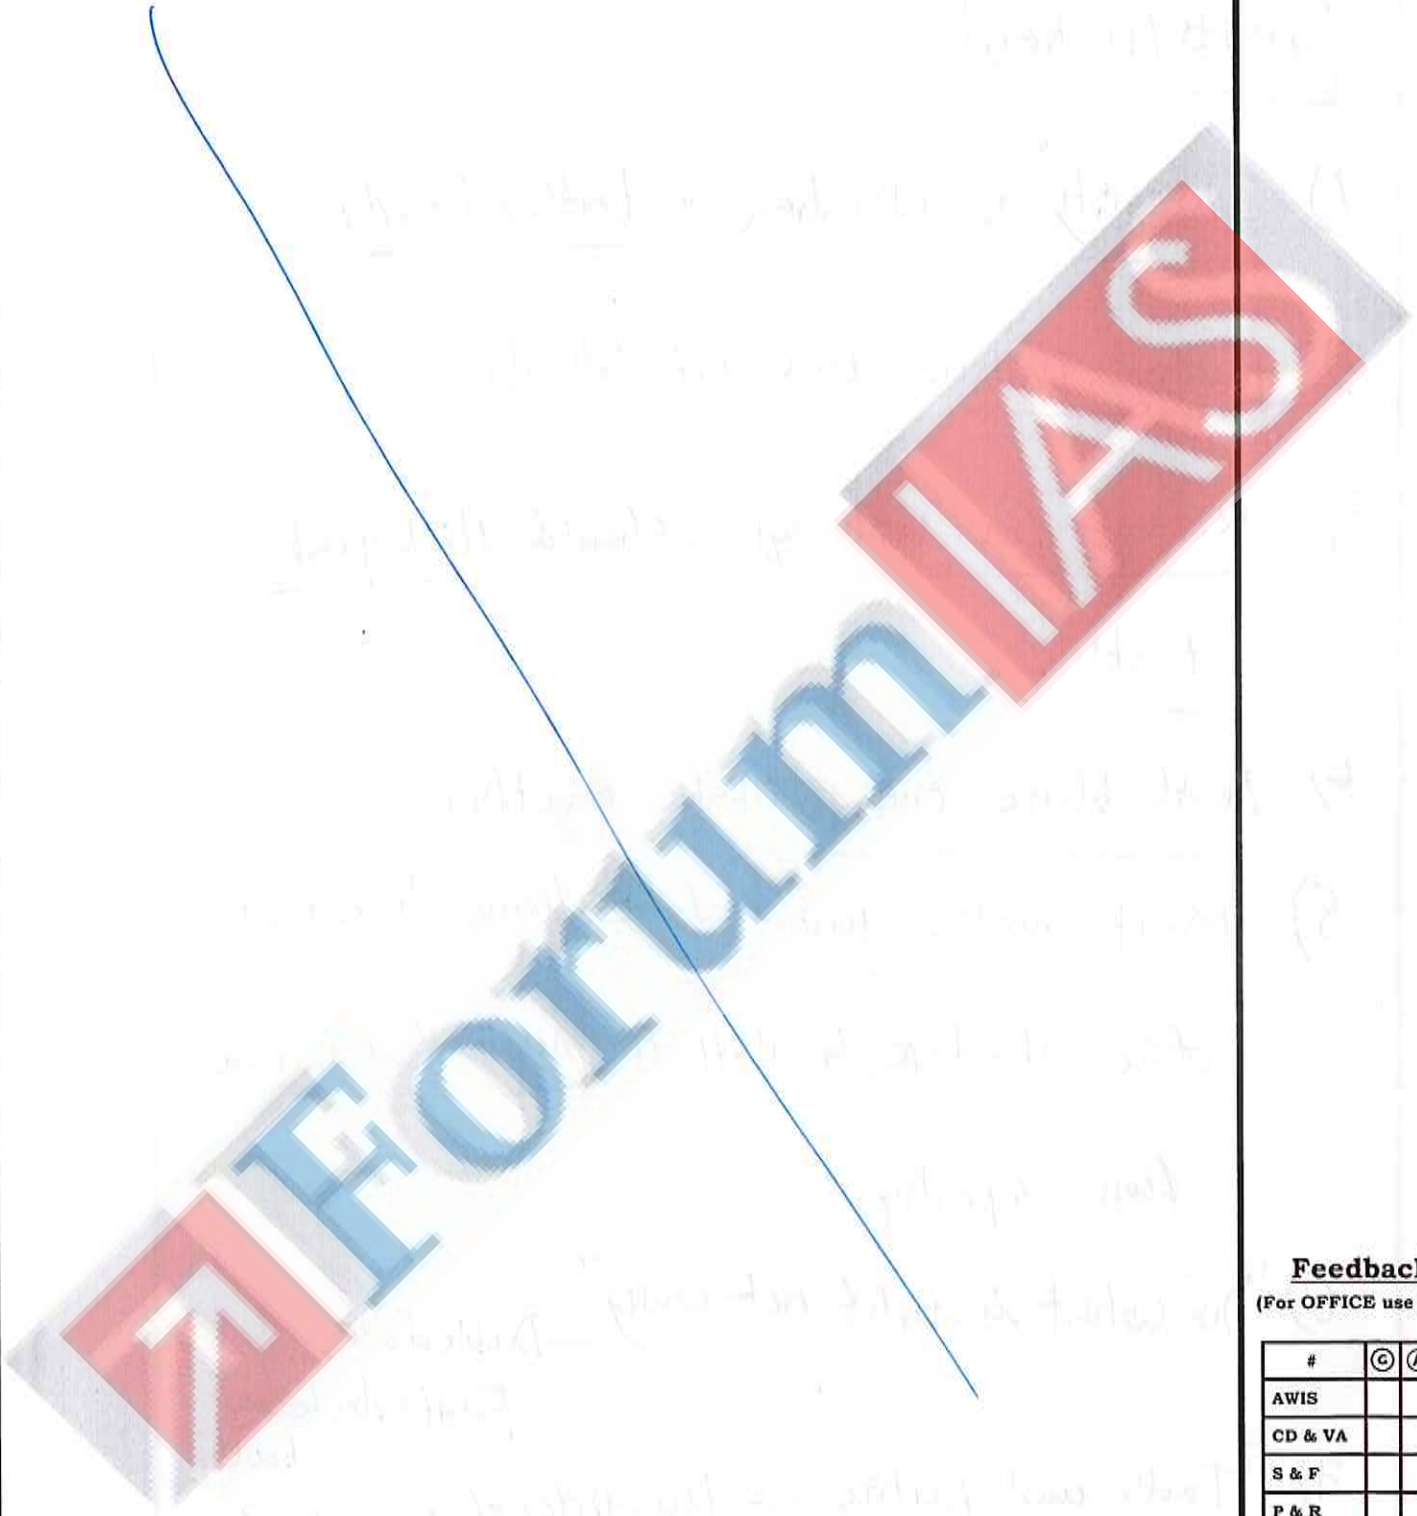

2) I would put up with pressure, by seniors

3) I would explain that isolating me won't work

Justification

- 1) Integrity & dedication to truth & honesty
- 2) putting justice above self interests
- 3) Respect for railways - should still speak truth.
- 4) Don't blame one's mistake on other
- 5) Must make senior take blame to correct the shortage in staff to prevent future loss from repeating
- 6) "No what is right not easy" - Dumbledore, Fantastic Beasts book
- 7) "Truth and justice are two sides of same coin"

By choosing this path I will ensure justice & fairness for all. I will face backlash that is only temporary

Q.10) Grand Neobar Island is one of the world's most important biodiversity hotspots. Covered by thriving rainforest, the Island hosts a vast diversity of flora and fauna, many of which are endemic in nature. The Island is also known for being home to some of the Particularly Vulnerable Tribal Groups (PVTGs). For years, the region has been preserved for its ecological and cultural importance. Besides its environmental richness, the Grand Neobar is also particularly unique for its geo-strategic importance. The position of the Island in the Indian Ocean makes it ideal for gaining strategic leverage over the country's adversaries in the region.

Grand Neobar Development Project (GNDP) is a security and infrastructure project proposed for the southern tip of the island. The project is important for economic benefits such as logistics, commerce, industry, and coastal tourism. GNDP includes an international container transshipment terminal, a greenfield international airport, township development, and a gas- and solar-based power plant together occupying over a large area in the island.

Though touted as vital for country's economic growth and strategic presence in the region, some NGOs have been protesting against the project for its high environmental cost. The NGOs claim that the project would require cutting down of more than 900,000 trees of the rainforest biome, which are a prime source of carbon sequestration. Further, the loss of tree cover will not only affect the flora and fauna on the island, but it will also lead to increased runoff and sediment deposits in the ocean, impacting the coral reefs in the area. Also, the influx of outside population is expected to impose a significant ecological pressure on the island and its surroundings. The PVTGs residing in the Island for centuries may lose their traditional rights over land, and may also face undue interference in their culture and practices. As per some experts, as PVTGs are secluded from mainland since time immemorial, a sudden contact with outside population may pose grave health risks in forms of various infections. It is also being highlighted that the project is in contradiction to the government's vision to promote a sustainable world and a climate friendly lifestyle.

However, the supporters of the project firmly believe that the project is essential, given its strategic importance for the country. The supporters of the project reason that since other countries also host several military bases in the region, India cannot afford to remain absent from this strategic backyard. Further, as per the advocates of the project, presence of a robust security infrastructure can check the oft-occurring incidents of piracy, cementing the country's role as the net security provider in the region. Moreover, the proponents of the development project argue that Grand Neobar is located close to one of the busiest choke points in the global trade route, and neglecting its development may run counter to country's trade and security interests. Also, as per a government think tank's report, the proposed port will allow Grand Neobar to participate in the regional and global maritime economy by becoming a major player in cargo transshipment and a delay in the same may have the effect of losing the competitive advantage.

a) What are the key ethical concerns present in the above case study?

b) According to you between the twin objectives of development and conservation what should be given more priority and why? (20 marks, 250 words)

ग्रैंडर नियोबार द्वीप दुनिया के सबसे महत्वपूर्ण जैव विविधता वाले हॉटस्पॉट में से एक है। समृद्ध वर्षावन से आच्छादित, यह द्वीप वनस्पतियों और जीवों की एक विशाल विविधता का घर है, जिनमें से कई की प्रकृति स्थानिक हैं। यह द्वीप कुछ विशेष रूप से कमजोर जनजातीय समूहों (पीवीटीजी) का घर होने के लिए भी जाना जाता है। वर्षों से, इस क्षेत्र को इसके पारिस्थितिक और सांस्कृतिक महत्व के लिए संरक्षित किया गया है। अपनी पर्यावरणीय समृद्धि के अलावा, ग्रैंडर नियोबार अपने भू-रणनीतिक महत्व के लिए भी विशेष रूप से अद्वितीय है। हिंद महासागर में द्वीप की स्थिति इसे क्षेत्र में देश के विरोधियों पर रणनीतिक लाभ उठाने के लिए आदर्श बनाती है।

ग्रैंडर नियोबार डेवलपमेंट प्रोजेक्ट (जीएनडीपी) द्वीप के दक्षिणी सिरे के लिए प्रस्तावित एक सुरक्षा और बुनियादी ढांचा परियोजना है। यह परियोजना रसद, वाणिज्य, उद्योग और तटीय पर्यटन जैसे आर्थिक लाभों के लिए महत्वपूर्ण है।

जीएनडीपी में एक अंतरराष्ट्रीय कंटेनर ट्रांसशिपमेंट टर्मिनल, एक ग्रीनफील्ड अंतरराष्ट्रीय हवाई अड्डा, टाउनशिप विकास और एक गैस और सौर-आधारित बिजली संयंत्र शामिल हैं, जो द्वीप के एक बड़े क्षेत्र पर स्थित है। हालांकि इसे देश की आर्थिक वृद्धि और क्षेत्र में रणनीतिक उपस्थिति के लिए महत्वपूर्ण माना जा रहा है, लेकिन कुछ गैर सरकारी संगठन इसकी उच्च पर्यावरणीय लागत के कारण इस परियोजना का विरोध कर रहे हैं। गैर सरकारी संगठनों का दावा है कि इस परियोजना के लिए वर्षावन बायोम के 900,000 से अधिक पेड़ों को काटने की आवश्यकता होगी, जो कार्बन पृथक्करण का एक प्रमुख स्रोत हैं। इसके अलावा, वृक्षों के आवरण के नष्ट होने से न केवल द्वीप पर वनस्पतियों और जीवों पर असर पड़ेगा, बल्कि इससे समुद्र में अपवाह और तलछट के जमाव में भी वृद्धि होगी, जिससे क्षेत्र में प्रवाल भित्तियाँ प्रभावित होंगी। साथ ही, बाहरी आबादी के आगमन से द्वीप और उसके आसपास महत्वपूर्ण पारिस्थितिक दबाव पड़ने की आशंका है। सदियों से द्वीप में रहने वाले पीवीटीजी भूमि पर अपने पारंपरिक अधिकार खो सकते हैं, और उन्हें अपनी संस्कृति और प्रथाओं में अनुचित हस्तक्षेप का भी सामना करना पड़ सकता है। कुछ विशेषज्ञों के अनुसार, चूंकि पीवीटीजी प्राचीन काल से ही मुख्य भूमि से विलग निवास करते हैं, बाहरी आबादी के साथ अचानक संपर्क विभिन्न संक्रमणों के रूप में गंभीर स्वास्थ्य जोखिम पैदा कर सकता है। इस बात पर भी प्रकाश डाला जा रहा है कि यह परियोजना एक स्थायी विश्व और जलवायु अनुकूल जीवन शैली को बढ़ावा देने के सरकार के दृष्टिकोण के विपरीत है। हालांकि, परियोजना के समर्थकों का भरोसा है कि देश के लिए इसके रणनीतिक महत्व को देखते हुए यह परियोजना आवश्यक है। परियोजना के समर्थकों का तर्क है कि चूंकि अन्य देश भी इस क्षेत्र में कई सैन्य अड्डों की मेजबानी करते हैं, इसलिए भारत इस रणनीतिक क्षेत्र में अनुपस्थित रहने का जोखिम नहीं उठा सकता है। इसके अलावा, परियोजना के समर्थकों के अनुसार, एक मजबूत सुरक्षा बुनियादी ढांचे की उपस्थिति से समुद्री घुसपैठ की बार-बार होने वाली घटनाओं पर अंकुश लगाया जा सकता है, जिससे क्षेत्र में सकल सुरक्षा प्रदाता के रूप में देश की भूमिका मजबूत हो सकती है। इसके अलावा, विकास परियोजना के समर्थकों का तर्क है कि ग्रैंडर नियोबार वैश्विक व्यापार मार्ग में सबसे व्यस्त चोक पॉइंट्स में से एक के करीब स्थित है और इसके विकास की अपेक्षा करना देश के व्यापार और सुरक्षा हितों के विपरीत हो सकता है। इसके अलावा, एक सरकारी थिंक टैंक की रिपोर्ट के अनुसार, प्रस्तावित बंदरगाह ग्रैंडर नियोबार को कार्गो ट्रांसशिपमेंट में एक प्रमुख खिलाड़ी बनकर क्षेत्रीय और वैश्विक समुद्री अर्थव्यवस्था में भाग लेने की अनुमति देगा और इसमें देरी से प्रतिस्पर्धात्मक अवसर खोने का असर हो सकता है।

a) उपरोक्त मामले के अध्ययन में मौजूद प्रमुख नैतिक चिंताएँ क्या हैं?

b) आपके अनुसार विकास और संरक्षण के दोहरे उद्देश्यों में से किसे अधिक प्राथमिकता दी जानी चाहिए और क्यों? (20 अंक, 250 शब्द)

The Case study involves struggle between environment and development

(a) Key ethical concerns in Case

- 1) protecting security interests of the nation
- 2) Safeguarding Biodiversity hotspot of Nicobar
- 3) Protecting the rights & cultural practices of

the PVTAs.

4) Ensuring health of PVTAs - risked by contact

5) Unsustainable tourism at Nicobar

6) protecting the coral reefs in the continental shelf

7) Ensuring trade & livelihood opportunities

8) Fighting piracy in the region

9) Ensuring Indian interests as Net security provider in the region

10) Upholding spirit of sustainable development and climate friendly lifestyle

(b) Development needs to take the front step

1) Security interests are involved

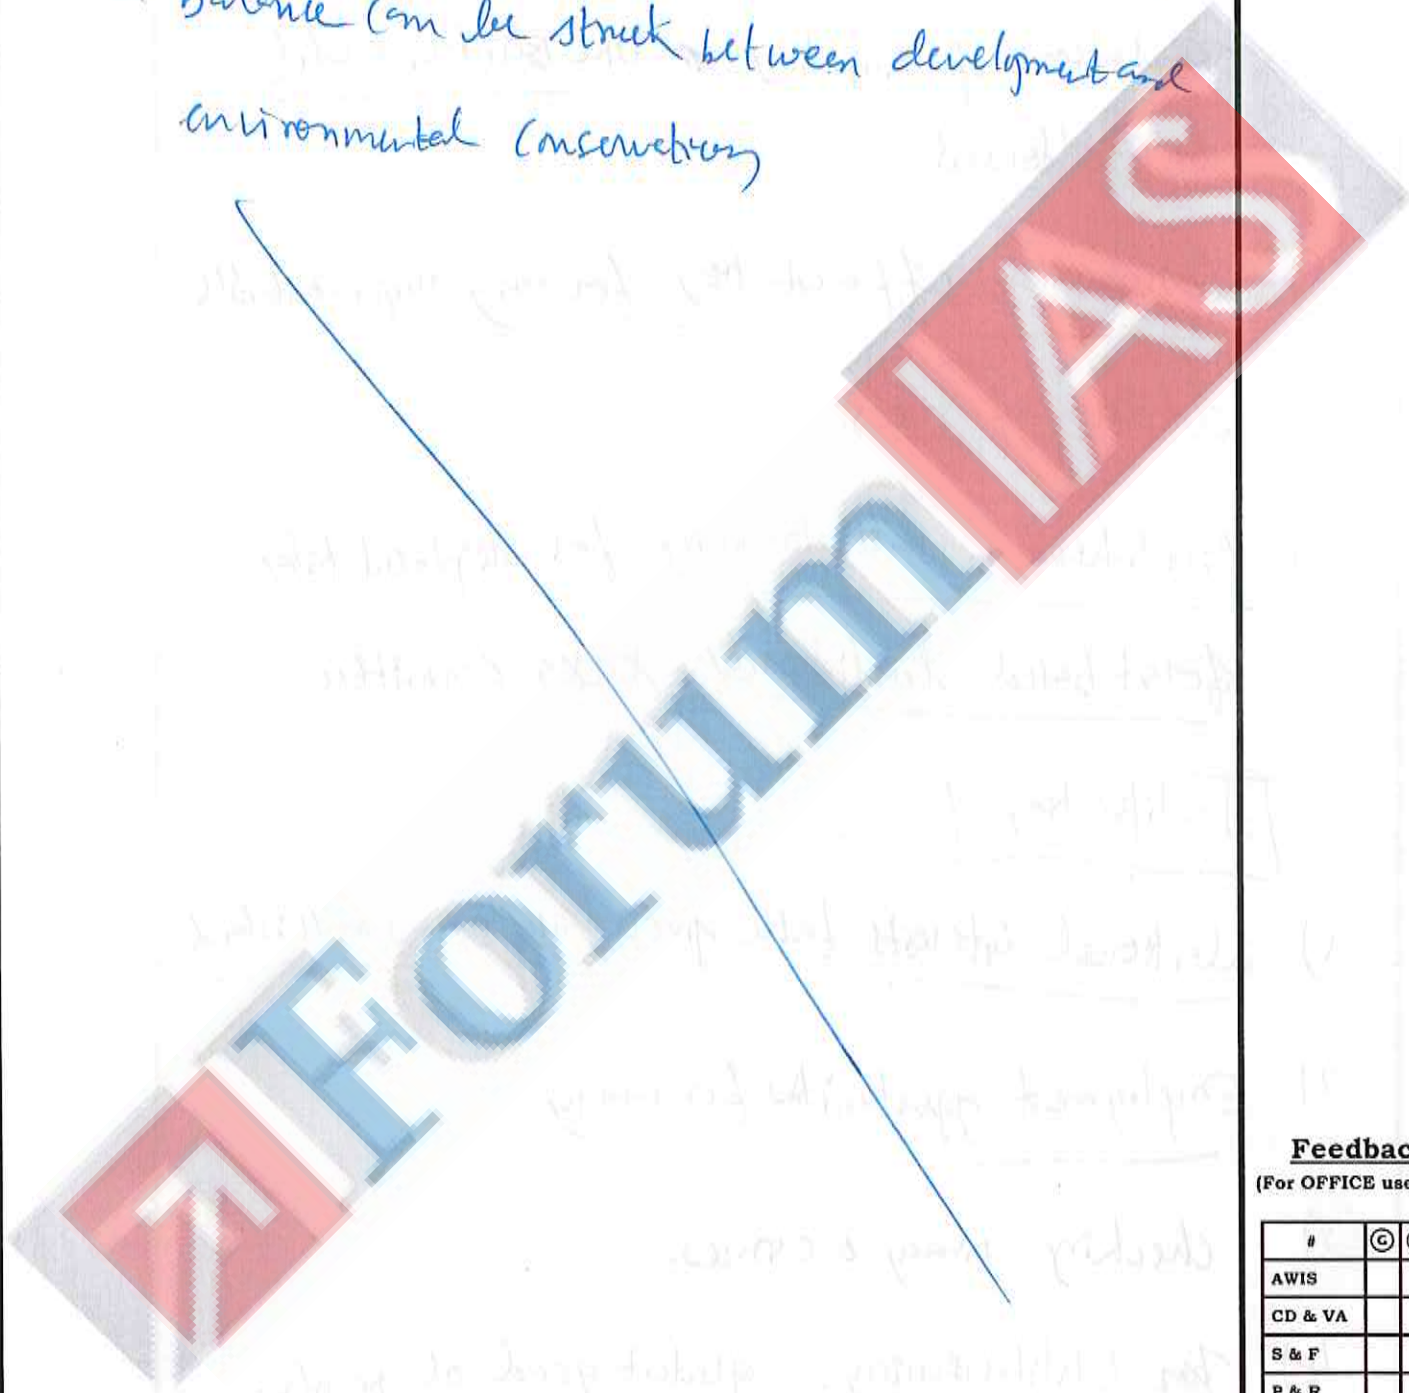

- 2) Environmentally conscious development plan
 must be replanned after Environmental impact assessment
- 3) National parks & wildlife sanctuaries can be established to safeguard biodiversity
- 4) plants can be relocated without cutting them off
- 5) Exclusive No-entry zones for PVTGs to safeguard their culture on a relocated site.
- 6) Dredging operations and retaining walls to prevent siltsation.

- 7) Sustainable tourism with no entry of plastic and regulation of numbers like Bhutan model be followed
- 8) Compensatory afforestation for any unpreventable cutdown of trees
- 9) livelihood & skill training for displaced tribes forest based livelihoods - Kaka committee

Justification

- 1) National interests take precedence over small island
- 2) Employment opportunities for many
- 3) checking piracy & crimes.
- 4) For Utilitarianism - greatest good of people.
(Jeremy Bentham)
- 5) patriotism & public interests.

With fair assessment of environmental safeguards
 a balance can be struck between development and
 environmental conservation

Q.11) Mr. Gopal Mahto is the sitting Chief Minister of one of the most populous states in India. He is a young and dynamic leader, popular not just in his state but across the country. Many political analysts opine that he has the potential to become Prime Minister of India in future. One day, the CM was taking a review meeting of law-and-order situation in the state, with senior officials in the state capital. Suddenly he felt a light pain in his abdomen. The CM had been feeling such bouts of pain since a long time, but like always he neglected it this time too, and continued with the meeting. However, in the next few weeks, the intensity of pain increased and the CM was forced to see a doctor. After initial examination, the doctor gave some medicines and prescribed few tests. After few days, the report came and it showed that the CM is suffering from 'Liver Cirrhosis.' It was in the advanced stage and posed a threat to the life of Mr. Mahto. The doctor told that the only option was the liver transplant without any further delay.

In apprehension that it may create chaos among the general public, particularly the supporters of the CM and his party, it was decided to not make the news public. Only very few senior functionaries at the centre and state along with medical staff were aware of the situation. Meanwhile, the Health Minister of the State directed the State's Health Secretary to take necessary actions, coordinate with medical staff and arrange for liver transplant for the CM.

The next day, the Health Secretary called the State Director General (DG), Health, who is the competent authority, dealing with the matters related to organ transplantation in the state. The DG, Renuka was informed of the situation and directed to make immediate arrangement for liver transplant. However, Renuka told the Secretary that there is a laid down Standard Operating Procedures (SOPs) regarding organ transplantation. She informed him that there is already a patient named Sunil at first position in the waiting list, who also requires urgent liver transplant. The health secretary is also informed that Sunil is left with a very short time window for a successful transplantation. Sunil is 35 years old, a father of two, and the sole bread winner of the family of six that also includes his wife and aging parents. Sunil's family is of limited means and often found it rather difficult to cater even for their needs. Also, various medical costs associated with Sunil's conditions have further worsened the financial condition of the family.

Renuka further informs the secretary, as per SOP, the CM would be at the second position in the waiting list. As a matter of chance, Renuka receives a phone call from one of her subordinates. She informs Renuka that a liver has been donated by family of an old person, who died his natural death. After relevant tests, it was found that the available liver is fit for Sunil. Incidentally, the liver also fits the medical profile of the CM. Renuka immediately intimates the secretary about this development.

Even though all the facts with regard to the SOP are explicitly clear, the secretary still tries to persuade Renuka for bending the rule in favor of Mr. Gopal Mahto. He explains that if anything untoward happens to the CM, it may lead to chaos and instability in the State. It may also require fresh elections which will be a drain on state exchequer and a drag on the governance process. He also hinted that if Renuka 'bent' the rule, this will be favorable for her career growth in the future. Further, to ease Renuka's conscience, the health secretary assured her that her actions are in larger interest of the state as well as the country. He also reasoned that if Sunil fails to receive a healthy liver in time, he will personally ensure that Sunil's family is well taken care of, and an eligible member of his family is accorded with a government job.

Meanwhile, the time is running out for both Sunil and the CM.

- What are the ethical concerns associated with the above case study?
- What are the options available with Renuka? Analyse the merits and demerits of the options?
- If you were at the place of Renuka, which option would you choose and why?

(20 marks, 250 words)

श्री गोपाल महतो भारत के सबसे अधिक आबादी वाले राज्यों में से एक के वर्तमान मुख्यमंत्री हैं। वह एक युवा और ऊर्जावर्धक नेता हैं, जो न केवल अपने राज्य में बल्कि पूरे देश में लोकप्रिय हैं। कई राजनीतिक विश्लेषकों का मानना है कि उनमें भविष्य में भारत के प्रधानमंत्री बनने की क्षमता है। एक दिन, सीएम राज्य की राजधानी में वरिष्ठ अधिकारियों के साथ राज्य में कानून-व्यवस्था की स्थिति की समीक्षा बैठक ले रहे थे। अचानक उसके पेट में हल्का दर्द महसूस हुआ। सीएम को इस तरह का दर्द काफी समय से महसूस हो रहा था, लेकिन हमेशा की तरह उन्होंने इस बार भी इसे नजरअंदाज कर दिया और बैठक जारी रखी। हालांकि, अगले कुछ हफ्तों में दर्द की तीव्रता बढ़ गई और सीएम को डॉक्टर को दिखाने के लिए मजबूर होना पड़ा। शुरुआती जांच के बाद डॉक्टर ने कुछ दवाएं दीं और कुछ टेस्ट लिखे। कुछ दिनों के बाद, रिपोर्ट आई और पता चला कि सीएम 'लिवर सिरोसिस' से पीड़ित हैं। यह अंतिम चरण में था और श्री महतो के जीवन के लिए खतरा था। डॉक्टर ने बताया कि बिना किसी देरी के लिवर ट्रांसप्लांट ही एकमात्र विकल्प था।

इस आशंका में कि इससे आम जनता, विशेषकर सीएम और उनकी पार्टी के समर्थकों के बीच अराजकता पैदा हो सकती है, इस खबर को सार्वजनिक नहीं करने का निर्णय लिया गया। चिकित्सा कर्मचारियों के साथ-साथ केंद्र और राज्य के बहुत कम वरिष्ठ पदाधिकारी ही स्थिति से अवगत थे। इस बीच, राज्य के स्वास्थ्य मंत्री ने राज्य के स्वास्थ्य सचिव को आवश्यक कार्रवाई करने, चिकित्सा कर्मचारियों के साथ समन्वय करने और सीएम के लिए लिवर प्रत्यारोपण की व्यवस्था करने का निर्देश दिया।

अगले दिन, स्वास्थ्य सचिव ने राज्य के स्वास्थ्य महानिदेशक (डीजी) को बुलाया, जो राज्य में अंग प्रत्यारोपण से संबंधित मामलों से निपटने के लिए सक्षम प्राधिकारी हैं। डीजी, रेणुका को स्थिति से अवगत कराया गया और लिवर प्रत्यारोपण की तत्काल व्यवस्था करने का निर्देश दिया गया। हालांकि, रेणुका ने सचिव को बताया कि अंग प्रत्यारोपण के संबंध में एक निर्धारित मानक संचालन प्रक्रिया (एसओपी) है। उसने उन्हें बताया कि प्रतीक्षा सूची में पहले स्थान पर पहले से ही सुनील नाम का एक मरीज है, जिसे तत्काल लिवर प्रत्यारोपण की भी आवश्यकता है। स्वास्थ्य सचिव को यह भी बताया गया है कि सुनील के पास सफल प्रत्यारोपण के लिए बहुत कम समय बचा है। सुनील 35 साल के हैं, दो बच्चों के पिता हैं और छह लोगों के परिवार में अकेले कमाने वाले हैं, जिसमें उनकी पत्नी और बूढ़े माता-पिता भी शामिल हैं।

रेणुका ने सचिव को आगे बताया, एसओपी के अनुसार, सीएम प्रतीक्षा सूची में दूसरे स्थान पर होंगे। संयोग से, रेणुका को उसके एक अधीनस्थ का फोन आता है। वह रेणुका को बताती है कि एक बूढ़े व्यक्ति के परिवार ने उसका लिवर दान किया है, जिसकी प्राकृतिक मृत्यु हुई है। प्रासंगिक परीक्षणों के बाद, यह पाया गया कि उपलब्ध लिवर सुनील के लिए उपयुक्त है। संयोग से, लिवर भी सीएम के मेडिकल प्रोफाइल में फिट बैठता है। रेणुका ने तुरंत सचिव को इस घटनाक्रम के बारे में सूचित किया।

मले ही एसओपी के संबंध में सभी तथ्य स्पष्ट हैं, फिर भी सचिव श्री गोपाल महतो के पक्ष में नियम को मोड़ने के लिए रेणुका को मनाने की कोशिश करते हैं। वह बताते हैं कि अगर सीएम के साथ कुछ भी अनहोनी होती है तो इससे राज्य में अराजकता और अस्थिरता पैदा हो सकती है। इसके लिए नए चुनावों की भी आवश्यकता हो सकती है जो राज्य के खजाने पर बोझ होगा और शासन प्रक्रिया पर बोझ पड़ेगा। उन्होंने यह भी संकेत दिया कि यदि रेणुका ने नियम को तोड़ दिया, तो यह भविष्य में उनके करियर के विकास के लिए अनुकूल होगा। इसके अलावा, रेणुका की अंतरात्मा को शांत करने के लिए, स्वास्थ्य सचिव ने उन्हें आश्वासन दिया कि उनके कार्य राज्य के साथ-साथ देश के व्यापक हित में हैं। उन्होंने यह भी तर्क दिया कि यदि सुनील को समय पर स्वस्थ लिवर नहीं मिल पाता है, तो वह व्यक्तिगत रूप से यह सुनिश्चित करेंगे कि सुनील के परिवार की अच्छी तरह से देखभाल की जाए और उनके परिवार के एक योग्य सदस्य को सरकारी नौकरी दी जाए। इस बीच, सुनील और सीएम दोनों के लिए समय समाप्त हो रहा है।

- उपरोक्त मामले के अध्ययन से जुड़ी नैतिक चिंताएँ क्या हैं?
- रेणुका के पास क्या विकल्प उपलब्ध हैं? विकल्पों के गुण और दोषों का विश्लेषण कीजिए?
- यदि आप रेणुका के स्थान पर होते, तो आप कौन सा विकल्प चुनते और क्यों? (20 अंक, 250 शब्द)

The case involves improper persuasion and use of future prospects for breaking procedure

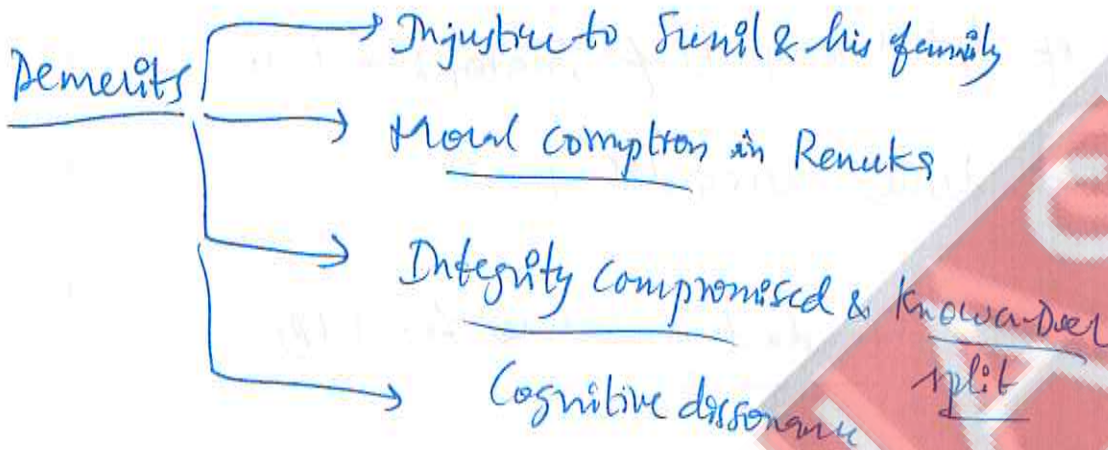

(a) Ethical issues associated

- 1) Breaking standard procedures for VIPs
- 2) Justice to eligible sunil at risk of political influence
- 3) Instability in the state & burden of elections
- 4) Career prospects of Dr Renuka
- 5) Ignorance of health by the CM several times shows irresponsible attitude

(b) Options before Renuka

- (1) Given to pressure & give liver to CM
 Merits $\begin{cases} \rightarrow \text{CM saves gratitude to Renuka} \\ \rightarrow \text{future plan postings.} \end{cases}$

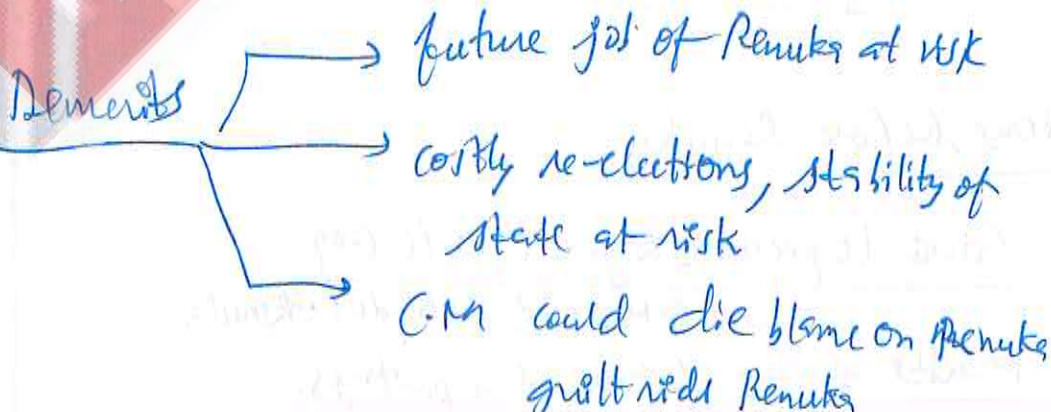

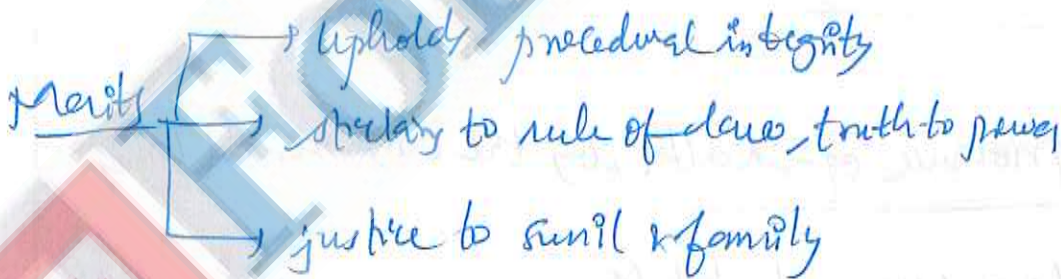

↳ state exchequer saved, stability in state

(C) ~~If done in Renuka's place~~

~~It would be~~

2) Not change the list & give liver to sunil

(c) If I were in Renugas place

1) I would go by option 2 and keep the list unchanged

2) I would wait for lines (suitable) coming for the chief minister

Justification

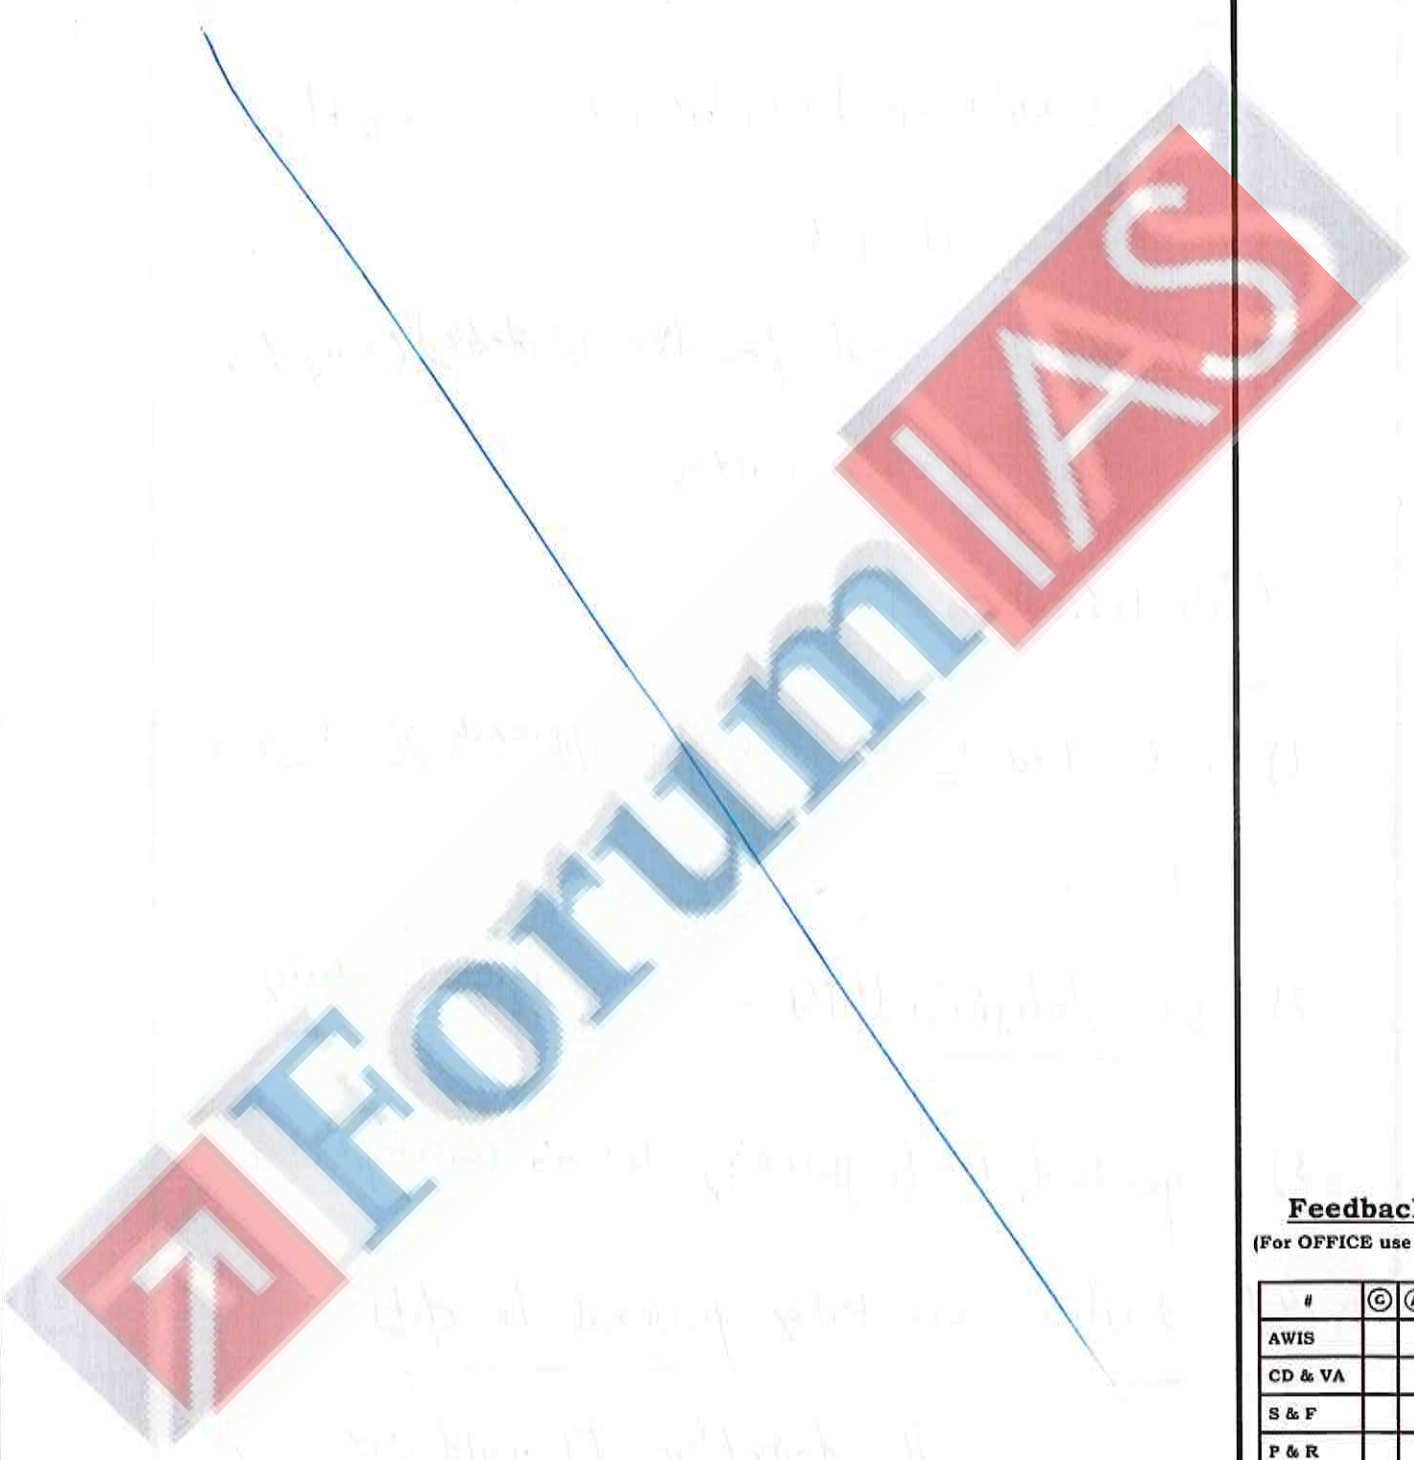

1) C.M. has money, he can approach global agency donors

2) Deontological ethics - always stick to duty

3) Speak truth to power, remain uncorruptible

4) Justice over personal benefits

By doing this I would safeguard the interests of all stakeholders

Q.12) Mr X is travelling by road with his family to attend a marriage ceremony. His grandfather, who is the head of the family is also travelling with him.

On the way to their destination, all of them stop at a road side restaurant for lunch. This is a well-known restaurant owned by one of the friends of Mr X. The place is known for its tasty and hygienic food.

However, the grandfather notices a picture on the wall of the restaurant and enquires about the religion of the restaurant owner. Mr X's friend belongs to a religion different from the grandfather's religion. The grandfather has a negative attitude towards the religion of Mr X's friend and he insists that he will not eat in that restaurant. He demands that the entire family should leave the restaurant immediately as they are travelling for a happy occasion and eating at this particular restaurant will pollute them. Mr X tries to calm down his grandfather and explain to him that religion has nothing to do with purity or pollution. He also reasons that several travel magazines have rated the restaurant highly, especially for its superior hygiene standards. Also, he points out that there is no restaurant in the way for the next 100 Km and it will be difficult for all to make do without food for that long. However, his arguments fall on deaf ears, and which is more his grandfather admonishes him for bringing the family to the restaurant despite being aware about the religion of the owner. Mr X's friend feels insulted and discriminated against due to his religion. Mr X's father is upset but refuses to say anything out of respect for the grandfather. Entire family is embarrassed by the attitude of the grandfather and they are getting ready to leave the restaurant. Mr X is confused regarding how he should act in this situation.

- a) What are the various ethical issues in the above case study?
- b) Imagine yourself in the place of Mr X. Evaluate the different courses of actions available with you. What is the most suitable course of action? (20 marks, 250 words)

मिस्टर X एक विवाह समारोह में भाग लेने के लिए अपने परिवार के साथ सड़क मार्ग से यात्रा कर रहे हैं। उनके दादा, जो परिवार के मुखिया हैं, भी उनके साथ यात्रा कर रहे हैं।

अपने गंतव्य के रास्ते में, वे सभी दोपहर के भोजन के लिए सड़क किनारे एक रेस्तरां में रुकते हैं। यह मिस्टर X के दोस्तों में से एक के स्वामित्व वाला एक प्रसिद्ध रेस्तरां है। यह स्थान अपने स्वादिष्ट और स्वच्छ भोजन के लिए जाना जाता है।

हालाँकि, दादाजी ने रेस्तरां की दीवार पर एक तस्वीर देखी और रेस्तरां के मालिक के धर्म के बारे में पूछताछ की। मिस्टर X का दोस्त दादा के धर्म से अलग धर्म का है। वह मांग करता है कि पूरे परिवार को तुरंत रेस्तरां छोड़ देना चाहिए क्योंकि वे एक खुशी के अवसर के लिए यात्रा कर रहे हैं और इस विशेष रेस्तरां में खाने से वे अपवित्र हो जाएंगे। मिस्टर X अपने दादाजी को शांत करने की कोशिश करते हैं और उन्हें समझाते हैं कि धर्म का पवित्रता या अपवित्रता से कोई लेना-देना नहीं है। उनका यह भी कारण है कि कई यात्रा पत्रिकाओं ने रेस्तरां को उच्च दर्जा दिया है, खासकर इसके बेहतर स्वच्छता मानकों के लिए। साथ ही, वह बताते हैं कि अगले 100 किलोमीटर तक रास्ते में कोई रेस्तरां नहीं है और इतने लंबे समय तक भोजन के बिना गुजारा करना सभी के लिए मुश्किल होगा। हालाँकि, उनकी दलीलें अस्वीकार हो जाती हैं, और इसके अलावा उनके दादाजी उन्हें मालिक के धर्म के बारे में जानकारी होने के बावजूद परिवार को रेस्तरां में लाने के लिए डांटते हैं। मिस्टर X का दोस्त अपने धर्म के कारण अपमानित और भेदभाव महसूस करता है। मिस्टर X के पिता परेशान हैं लेकिन दादाजी के सम्मान में कुछ भी कहने से इनकार करते हैं। दादा के रवैये से पूरा परिवार शर्मिदा है और वे रेस्तरां छोड़ने की तैयारी कर रहे हैं। मिस्टर X इस बात को लेकर असमंजस में हैं कि उन्हें इस स्थिति में कैसे कार्य करना चाहिए।

- a) उपरोक्त मामले के अध्ययन में विभिन्न नैतिक मुद्दे क्या हैं?
- b) मिस्टर X के स्थान पर खुद की कल्पना कीजिए। आपके पास उपलब्ध कार्यों के विभिन्न पाठ्यक्रमों का मूल्यांकन कीजिए। कार्रवाई का सबसे उपयुक्त तरीका क्या है? (20 अंक, 250 शब्द)

The case involves religious stereotypes and Hindu-Muslim attitudes

(a) Ethical Issues in Case

- 1) Religious intolerance
- 2) Social boycott
- 3) Traditional values dominating over scientific outlook
- 4) Discrimination & hatred filled decisions
- 5) Stubborn attitude of grandfather
insensitive to other members

(b) Options available

- 1) Follow grandfather
Merits → respect elders
→ do as others are doing

Demerits

- wrong precedent.
- religious intolerance
- lack of scientific rational outlook

2) Eat there w/o grandfather

Merits

- satisfy hunger of family
- uphold friendship
- rational outlook, secular decision

Demerits

- cause ill of grandfather
- hated by family
- disrespectful to elder

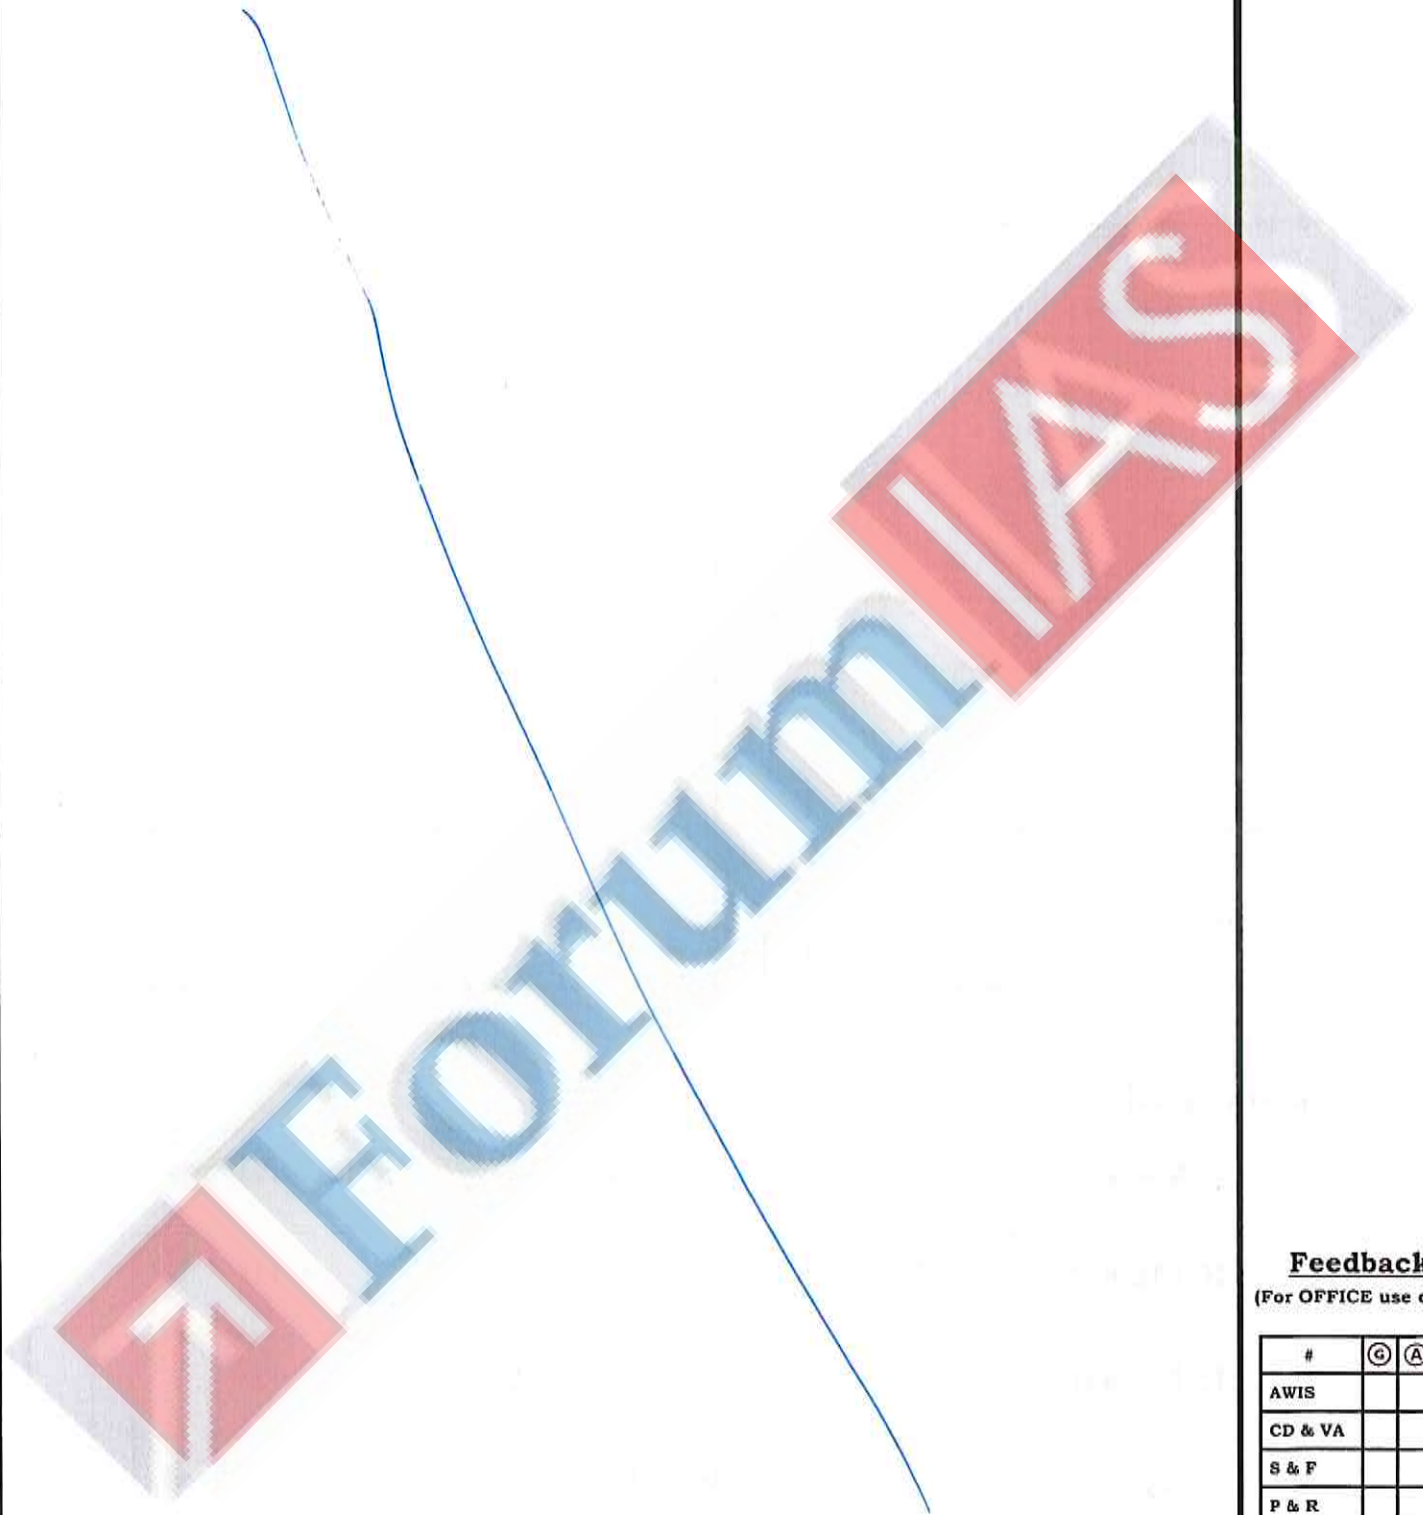

My decision

- 1) I would choose option 2
- 2) I would persuade grandfather to eat on time for his age
- 3) I would ask him to think of hungry children who have to wait

Justification

- 1) Sets right precedent for family
- 2) chooses scientific approach over personal bias
- 3) Support secular ^{attitude and} religious harmony
- 4) Need to change attitude with time
- 5) Friendship should be valued

By choosing this decision I would be fair to all members and satisfy the advocates of justice, fairness and Integrity

Availing Mentorship - Now made easy & seamless via mentorship.forumias.com

Dear Students,

You can now avail Mentorship in both online & offline mode seamlessly. All you need to do is login to below URL and pick up a date and time and your Mentorship is scheduled at the designated time.

Visit the URL <https://mentorship.forumias.com> or Scan the QR code

When must you seek mentorship? When you are unable to fully comprehend the directions given by the evaluator in the MGP copy. A Mentor will help you understand the nuances of your evaluated MGP copy. He / She will also be able to make suggestions, if needed, on improvements that you could make.

If we are already doing well, a reinforcement from the Mentor will further assist us in following the right path. A Mentor may also be able to give valuable inputs with respect to time management, presentation, structure etc. He may recommend you clearly to work on content or may suggest you to take courses / read books in case he feels you lack content that may be quickly improved with a course at ForumIAS or elsewhere, or some study material.
