EXAMINER'S REMARKS

CRITERIA FOR THE FEEDBACK SECTION AT THE END OF EACH QUESTION

1. **AWIS = Answered What is Asked.** This means whether you have addressed the core demand of the question or not. Addressing the core demand of the question gets you an objectively fair score. It is examiner's perception if you have understood the question and if you know the answer in the first place. Creative answer writing, sometimes missing the core demand, may fetch very high or very low scores, and exposes your answer to the subjectivity of the examiner.
2. **CD & VA = Content Density & Value Addition.** Examiner will evaluate the quality and quantity of your content in the answer. In the same word limit and space limit have you (a) written what is asked (b) gone beyond what is asked (c) enriched answers through combination of (but not all!) suggestions, ideas, quotes, flowcharts, diagrams, facts and figures, data etc. This affects objective components of assessment.
3. **S & F = Structure & Flow =** Whether you have structured your answer properly or not. Whether the answer has been broken into parts and sub-parts and each part has been addressed appropriately or not. Whether the flow of the answer is maintained. Affects both subjective and objective components of assessment.
4. **P & R =** How your answer performs on the criteria of presentation, ease of read, clarity and apparent effort in writing the answer. This affects the subjective components of assessment.

Q.6) What does each of the following quotation mean to you?

- a) "Our greatest ability as humans is not to change the world, but to change ourselves."
- Mahatma Gandhi (10 marks, 150 words)

निम्नलिखित में से प्रत्येक उद्धरण का आपके लिए क्या अर्थ है?

- "मनुष्य के रूप में हमारी सबसे बड़ी क्षमता दुनिया को बदलना नहीं है, बल्कि खुद को बदलना है।"
- महात्मा गांधी (10 अंक, 150 शब्द)

In this quote, Gandhi
emphasized on need to work towards
self improvement before anything else.

Greatest ability is to change ourselves

* When an individual changes oneself,
it leads to role-modelling in society

eg) Gandhi started using khadi clothes

* Changing oneself requires candid
self-acceptance, self-inspection and
internalization and self-actualization

↳ refers to destruction of personal ego.

* We must aspire to be the change
we wish to see

Ex) Greta Thunberg uses cycle and EV car

↳ Inducing attitudinal and behavioural
change is very difficult and cannot
be achieved by selection overnight.

→ we can use observational conditioning
to change the world. This begins with
self-reflexion.

* When we change ourselves, the world
automatically takes significance.

* We must focus on facts in our
zone of control rather than worry
about things we cannot change

Thus, self-reflexion is human's greatest ability and
observational conditioning helps change the world

b) 'People know what they do; frequently they know why they do what they do; but what they don't know is what what they do does.' Michel Foucault (10 marks, 150 words)

- (eg) climate impact of coal factories in Africa.

Implications of this lack of awareness and ignorance

* Leads to distrust in society

↳ Communalism and ghetto-ization due
to vote-bank politics

* Degradation of climate and environment

Way Forward

→ self-introspection before taking any
action

→ performing a multi-stakeholder SWOT
analysis to analyze impacts

→ cultivate empathy, compassion for the
consequences of our actions on others

True self-awareness is an essential part of
IEI, which comes via Yoga, meditation and
vipassana

c) "I slept and dreamt that life was a joy. I awoke and saw that life was service. I acted and behold, service was a joy." Rabindra Nath Tagore (10 marks, 150 words)

"मैं सो गया और सपना देखा तो जीवन आनंदमय था। मैं जागा और देखा कि जीवन सेवा है। मैंने अभिनय किया और देखा, सेवा खुशी थी।" रवीन्द्रनाथ टैगोर। (10 अंक, 150 शब्द)

In this quote,
Rabindranath Tagore discusses the
most important factor for joy being
service.

slept and dreamt that life was joy

* When we are unaware of
our responsibilities, we live in a state
of delusion and feel we are joyful

↳ This is however not true joy because
real joy lies not in personal happiness,
but it lies in the happiness of others.

* This is the concept of Nishkaam Bhava.

Awoke and saw service as Joy

* dedication to public service leads
to inner satisfaction and holistic
well-being.

⇒ Mother Teresa left her luxuries to
serve poor leprosy patients.

* selflessness leads to reciprocation
and we are able to fulfill our
duty via service.

— This service is pure joy because
it leads to detachment and
reduction in bondage of attachments and
expectations.

This pure state of joyful service is
called "nishkaam karma" in Bhagavad Gita.

Q.7) Even though the incidents of wars are detrimental to all, it is the women who have been the worst sufferers of all forms of human conflicts. Historical evidences from throughout the globe have highlighted the skewed vulnerability of women to violence in all its manifestations. In the medieval period, the situation of women remained particularly vulnerable; treated as second class citizens in comparison to men, their condition became particularly deplorable during wartime excesses. Invariably, women were considered as part of the plunder, leading to their sexual and psychological exploitation. Similarly, during the second world war, the then Imperial Japanese Army exploited women, pushing them into sexual slavery. These women were euphemistically termed as comfort women. The objectification of women as a commodity for comfort made their exploitation complete and absolute. Issue of comfort women, one of the largest incidents of human trafficking, continues to be a diplomatic flash point between South Korea and Japan.

In contemporary times too, we get to see the manifestation of various social crimes against women. Dharmendra, a young District Magistrate, posted in Khainom, capital of Ranipur recently became witness to such an incident. Ranipur is one of the North Eastern states of India. Ranipur has a rich ethnic diversity consisting of both tribal and non-tribal population. Issues such as access and ownership over resources, settling of outsiders (non-tribals) in tribal areas, dominance/influence over government appointments etc., have remained the bone of contention between the tribal and non-tribal people. However, the matters came to a head when the demands from the non-tribal community for being recognized as tribals started gaining force. These demands were fiercely opposed by the tribals fearing that it will reinforce the positions of non-tribals; allow them to buy land in tribal areas and therefore will marginalize the already backward tribal community in the state. Within no time the situation took a communal turn. Khainom was particularly worst hit. In addition to the incidents of plunder and loot, Khainom gained global attention when a video of a tribal girl being sexually assaulted by non-tribal men surfaced in the social media. The video clearly depicted a group of 20-25 men molesting a tribal girl in front of entire village. A police car, and few police personnel were also visible in the video. The passivity of armed police personnel towards safeguarding the women was being severely criticised across all quarters. Even though this particular incident came into public domain, it was by no measure an isolated happening. Many such occurrences of targeting women from both the communities were reported throughout Ranipur. The political leadership of the state has taken cognizance of the events in Khainom. Dharmendra has been instructed to prepare a holistic plan to avoid such incidents in the future.

- a) What recommendations should Dharmendra make to create a safe environment for the women?
b) What are the factors that have led to victimization of women, especially during conflicts?

(20 marks, 250 words)

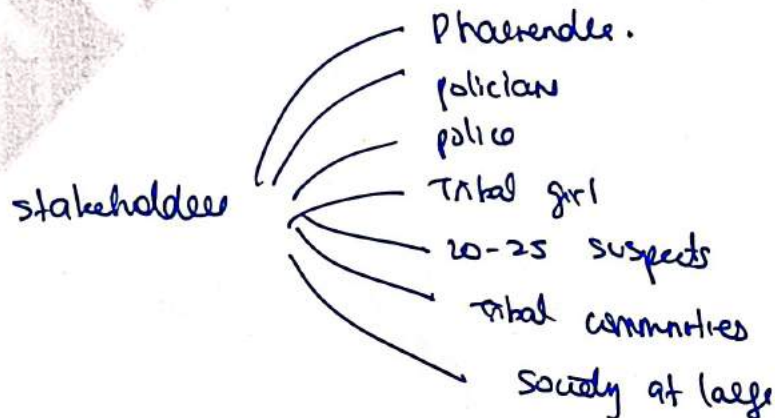

यद्यपि युद्ध की घटनाएँ सभी के लिए हानिकारक हैं, फिर भी सभी प्रकार के मानवीय संघर्षों में महिलाएँ ही सबसे अधिक पीड़ित रही हैं। दुनिया भर के ऐतिहासिक साक्ष्यों ने हिंसा के सभी रूपों में महिलाओं की विषम संवेदनशीलता को उजागर किया है। मध्यकाल में महिलाओं की स्थिति विशेष रूप से असुरक्षित रही; पुरुषों की तुलना में उन्हें दायम दर्जे का नागरिक माना जाता था, युद्ध के दौरान ज्यादतियों के दौरान उनकी स्थिति विशेष रूप से दयनीय हो गई थी। हमेशा, महिलाओं को लूट का हिस्सा माना जाता था, जिससे उनका यौन और मानसिक शोषण होता था। इसी तरह, दूसरे विश्व युद्ध के दौरान तत्कालीन शाही जापानी सेना ने महिलाओं का शोषण किया, उन्हें यौन दासता में घकेल दिया। इन महिलाओं को मंगलभाषी ढंग से भोग की महिलाएँ कहा जाता था। भोग की वस्तु के रूप में महिलाओं के वस्तुकरण ने उनके शोषण को पूर्ण और निरपेक्ष बना दिया। मानव तस्करी की सबसे बड़ी घटनाओं में से एक, भोग की महिला का मुद्दा, दक्षिण कोरिया और जापान के बीच एक कूटनीतिक विवाद बना हुआ है।

समसामयिक समय में भी हमें महिलाओं के प्रति विभिन्न सामाजिक अपराधों की अभिव्यक्ति देखने को मिलती है। राजधानी रानीपुर के खैनोम में तैनात युवा जिलाधिकारी धर्मेंद्र हाल ही में ऐसी घटना के गवाह बने। रानीपुर भारत के उत्तर पूर्वी राज्यों में से एक है। रानीपुर में एक समृद्ध जातीय विविधता है जिसमें आदिवासी और गैर-आदिवासी दोनों आबादी शामिल है। संसाधनों तक पहुंच और स्वामित्व, आदिवासी क्षेत्रों में बाहरी लोगों (गैर-आदिवासियों) का बसना, सरकारी नियुक्तियों पर प्रभुत्व/प्रभाव आदि जैसे मुद्दे आदिवासी और गैर-आदिवासी लोगों के बीच विवाद की जड़ बने हुए हैं। हालाँकि, मामला तब तूल पकड़ गया जब गैर-आदिवासी समुदाय की ओर से आदिवासियों के रूप में पहचाने जाने की मांग जोर पकड़ने लगी। इन मांगों का आदिवासियों ने इस डर से जमकर विरोध किया कि इससे गैर-आदिवासियों की स्थिति मजबूत होगी; उन्हें आदिवासी क्षेत्रों में जमीन खरीदने की अनुमति दे दी जायेगी और राज्य में पहले से ही पिछड़े आदिवासी समुदाय को हाशिए पर धकेल दिया जाएगा। देखते ही देखते स्थिति ने सांप्रदायिक रूप ले लिया। खैनोम विशेष रूप से सबसे अधिक प्रभावित हुआ। लूट-पाट की घटनाओं के अलावा, खैनोम ने तब वैश्विक ध्यान आकर्षित किया जब एक आदिवासी लड़की के साथ गैर-आदिवासी पुरुषों द्वारा यौन उत्पीड़न का एक वीडियो सोशल मीडिया पर सामने आया। वीडियो में साफ तौर पर दिखाया गया है कि 20-25 लोगों का एक समूह पूरे गांव के सामने एक आदिवासी लड़की से छेड़छाड़ कर रहा है। वीडियो में पुलिस की एक गाड़ी और कुछ पुलिसकर्मी भी नजर आ रहे हैं। महिलाओं की सुरक्षा के प्रति सशस्त्र पुलिस कर्मियों की निष्क्रियता की हर तरफ कड़ी आलोचना हो रही थी। भले ही यह विशेष घटना सार्वजनिक डोमेन में आ गई, लेकिन यह किसी भी तरह से एक अलग घटना नहीं थी। पूरे रानीपुर में दोनों समुदायों की महिलाओं को निशाना बनाने की ऐसी कई घटनाएं सामने आईं।

राज्य के राजनीतिक नेतृत्व ने खैनोम की घटनाओं का संज्ञान लिया है। भविष्य में ऐसी घटनाओं से बचने के लिए धर्मेंद्र को एक समग्र योजना तैयार करने का निर्देश दिया गया है।

- महिलाओं के लिए सुरक्षित वातावरण बनाने के लिए धर्मेंद्र को क्या सिफारिशें करनी चाहिए?
- ये कौन से कारक हैं जिनके कारण महिलाओं को उत्पीड़न का सामना करना पड़ा, विशेषकर संघर्षों के दौरान? (20 अंक, 250 शब्द)

Q.8) Manoj is a young boy studying in class tenth of Nav Bharti school. Even though Manoj is pursuing science stream, as desired by his parents, he has always been more inclined towards arts. His skills in various performing arts viz. music, dance etc., has always received high praises from his friends, teachers and relatives alike. It was his desire to make a name for himself in this field. However, when Manoj informed his parents about his dream, their reaction though disappointing, did not come as a surprise. His parents who have always desired to see him as an engineer, were vehemently against his wish to pursue performing arts as a career option. His father explained him that by being an engineer he can lead a financially rewarding life, which they themselves could never afford. Further, his father also belittled his dream by saying that music and dance did not constitute an honourable profession. Manoj's father also pointed out to Manoj that Praveen, Manoj's cousin, had settled with a high paying job after completing his engineering degree from a renowned university.

Though Manoj never enjoyed studying mathematics and science, he did not want to go against his parent's wishes. Therefore, after completing his board exams, Manoj was sent to Pota. Over the years the reputation of Pota as the coaching hub for entrance examinations had grown far and wide. The determination of Manoj's parents to make their son an engineer was undeterred despite the high fees of the coaching centres in Pota. Therefore, in order to pay the high fees of the coaching institute, Manoj's parents mortgaged their only asset, the ancestral family land. Manoj tried to convince his father against it, but to no avail.

In order to fulfil his parent's aspiration, Manoj started working hard and giving his best. However, despite his consistent and honest hard work, his performance in mock tests remained sub-par and could neither meet the expectations of the teachers in Pota nor that of his parents at home. In addition, due to the alienation from the environment of school, friends, and family Manoj started remaining depressed. Further, in Pota he did not get anytime for pursuing his hobbies in performing arts. He started keeping to himself and even avoided talking to his parents on phone. Even after two years of gruelling coaching regime, Manoj's condition remained unchanged. The situation came to such a pass that Manoj used to be in a constant fear of failure in the annual Engineering Entrance Examination (EEE). He was aware about the high financial stakes that the exam bore for his family. It was under this pressure that Manoj gave the EEE.

Finally, the results were out, and Manoj was unable to make it to any prestigious engineering college. Even though the result was on the expected lines for Manoj, the realisation that he has failed in the examination crushed him mentally. What made the matters worse was the disappointment that Manoj noticed in his parent's voice over the phone. Manoj felt like a criminal in his mind who had squandered the scarce family resources. Unable to bear the pressure, Manoj took a fatal jump off the building of his hostel. He left behind a note apologising to his parents for being unable to fulfil their aspirations.

- What are the qualities lacked by Manoj's parents?
 - What qualities in a person can prevent him/her from taking the extreme step of committing suicide?
 - What are the various ethical issues with the education system as depicted in the case study?

मनोज एक युवा लड़का है जो नव भारती स्कूल में दसवीं कक्षा में पढ़ता है। भले ही मनोज अपने माता-पिता की इच्छा के अनुसार विज्ञान स्ट्रीम से पढ़ाई कर रहा है, लेकिन उसका रुझान हमेशा कला की ओर अधिक रहा है। संगीत, नृत्य आदि जैसे विभिन्न प्रदर्शन कलाओं में उनके कौशल को हमेशा अपने दोस्तों, शिक्षकों और रिश्तेदारों से समान रूप से उच्च प्रशंसा मिली है। उनकी इच्छा इस क्षेत्र में नाम कमाने की थी। हालाँकि, जब मनोज ने अपने माता-पिता को अपने सपने के बारे में बताया, तो उनकी प्रतिक्रिया निराशाजनक थी, लेकिन आश्चर्य की बात नहीं थी। उनके माता-पिता, जो हमेशा उन्हें एक इंजीनियर के रूप में देखना चाहते थे, अभिनय कला को करियर विकल्प के रूप में अपनाने की उनकी इच्छा के सख्त खिलाफ थे। उनके पिता ने

उन्हे समझाया कि एक इंजीनियर बनकर वह आर्थिक रूप से पुरस्कृत जीवन जी सकता है, जिसे वे स्वयं कभी नहीं कर सके। इसके अलावा, उनके पिता ने भी यह कहकर उनके सपने को छोटा कर दिया कि संगीत और नृत्य कोई सम्मानजनक पेशा नहीं है। मनोज के पिता ने मनोज को यह भी बताया कि प्रवीण, मनोज का चचेरा भाई, एक प्रसिद्ध विश्वविद्यालय से इंजीनियरिंग की डिग्री पूरी करने के बाद उच्च वेतन वाली नौकरी कर रहा है।

हालांकि, मनोज को गणित और विज्ञान पढ़ने में कभी मन नहीं लगा, लेकिन वह अपने माता-पिता की इच्छाओं के खिलाफ नहीं जाना चाहता था। इसलिए, बोर्ड परीक्षा पूरी करने के बाद, मनोज को पोटा भेज दिया गया। पिछले कुछ वर्षों में प्रवेश परीक्षाओं के लिए कोचिंग केंद्र के रूप में पोटा की प्रतिष्ठा दूर-दूर तक बढ़ी है। पोटा में कोचिंग सेंटरों की ऊंची फीस के बावजूद मनोज के माता-पिता का अपने बेटे को इंजीनियर बनाने का दृढ़ संकल्प अडिग था। इसलिए, कोचिंग संस्थान की उच्च फीस का भुगतान करने के लिए, मनोज के माता-पिता ने अपनी एकमात्र संपत्ति, पैतृक पारिवारिक जमीन गिरवी रख दी। मनोज ने अपने पिता को इसके खिलाफ समझाने की कोशिश की, लेकिन कोई फायदा नहीं हुआ।

अपने माता-पिता की आकांक्षा को पूरा करने के लिए, मनोज ने कड़ी मेहनत करना और अपना सर्वश्रेष्ठ देना शुरू कर दिया। हालांकि, उनकी लगातार और ईमानदार कड़ी मेहनत के बावजूद, मॉक टेस्ट में उनका प्रदर्शन अच्छा नहीं रहा और वह न तो पोटा में शिक्षकों की अपेक्षाओं को पूरा कर सके और न ही घर पर अपने माता-पिता की अपेक्षाओं को पूरा कर सका। इसके अलावा स्कूल, दोस्तों और परिवार के माहौल से अलगाव के कारण भी मनोज उदासा रहने लगे। इसके अलावा, पोटा में उन्हें प्रदर्शन कला में अपने शौक पूरे करने के लिए समय नहीं मिला। वह अपने तक ही सीमित रहने लगा और यहां तक कि अपने माता-पिता से फोन पर बात करने से भी कतराने लगा।

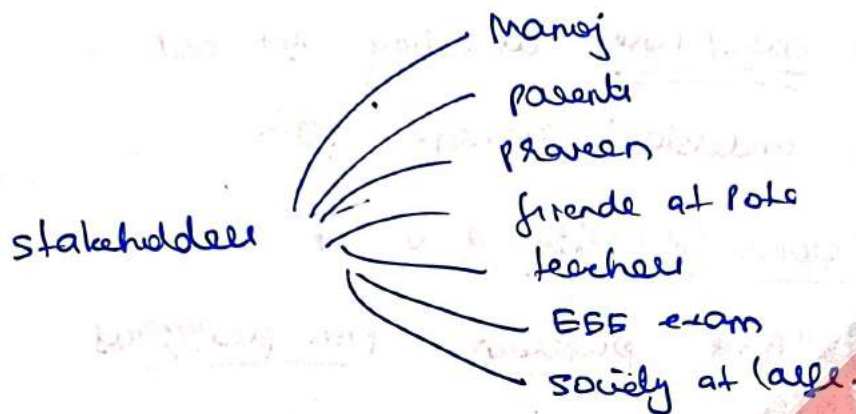

दो साल की कठिन कोचिंग व्यवस्था के बाद भी, मनोज की स्थिति अपरिवर्तित रही। स्थिति ऐसी आ गई कि मनोज को वार्षिक इंजीनियरिंग प्रवेश परीक्षा (ईईई) में असफल होने का डर सताता रहता था। वह इस बात से अवगत थे कि परीक्षा उनके परिवार के लिए कितनी बड़ी वित्तीय जोखिम पैदा करने वाली थी। इसी दबाव में मनोज ने ईईई की परीक्षा दी।

अंत में, परिणाम सामने आए और मनोज किसी भी प्रतिष्ठित इंजीनियरिंग कॉलेज में प्रवेश पाने में असमर्थ रहे। भले ही परिणाम मनोज के लिए अपेक्षित था, लेकिन इस एहसास ने कि वह परीक्षा में असफल हो गया है, उसे मानसिक रूप से कुचल दिया। मामले को और भी बदतर बनाने वाली बात वह निराशा थी जो मनोज ने फोन पर अपने माता-पिता की आवाज में देखी। मनोज अपने मन में एक अपराधी की तरह महसूस कर रहा था जिसने परिवार के दुर्लभ संसाधनों को बर्बाद कर दिया था। दबाव सहन करने में असमर्थ, मनोज ने अपने छात्रावास की इमारत से छलांग लगा दी। उन्होंने अपने माता-पिता से उनकी आकांक्षाओं को पूरा करने में असमर्थ होने के लिए माफी मांगते हुए एक नोट छोड़ा।

- मनोज के माता-पिता में किन गुणों की कमी है?
- किसी व्यक्ति के कौन से गुण उसे आत्महत्या जैसा चरम कदम उठाने से रोक सकते हैं?
- केस स्टडी में दर्शाए अनुसार शिक्षा प्रणाली के साथ विभिन्न नैतिक मुद्दे क्या हैं?

Q.9) Rajendra has been appointed as the General Manager of South Eastern Zone of the Indian Railways. After taking charge of his new posting, one of the first major shortcomings that Rajendra found in his jurisdiction was the gross shortage of staff, especially at operational level. Given the sensitive nature and importance of railways, Rajendra immediately apprised his seniors in the ministry about this issue. In his report, Rajendra pointed out that shortages at various positions are leading to an over-stretched workforce, which may become detrimental for the security of the freight and the passengers. However, Rajendra's report fell on deaf ears and no action was taken by Railways in this regard.

As fate would have it, a devastating train accident took place at Salasore, which fell under Rajendra's jurisdiction. Around 300 lives were lost and more than 1000 passengers were injured. The accident sent shock waves across the country and serious questions were being raised on railway safety. Given the seriousness of the incident, immediately an internal fact-finding committee was constituted under Rajendra.

The internal committee completed its enquiry and prima facie found "human error in signaling" as the cause of the accident. The accident, as per the committee, happened when two trains which erroneously, due to faulty signaling, were on the same track; the collision between the two trains derailed some bogies; the derailed bogies collided with yet another train that was running on the parallel track. The fact-finding team also highlighted that Anand, who was in charge of signaling, was working continuously for more than 16 hours, instead of his regular 8 hours shift. The report concluded "lack of adequate staff as one of the major reasons behind the accident.

The very next day Rajendra was summoned by his superior in the ministry. Rajendra's superior congratulated him on the good and timely work on the report. However, he also asked him to modify the report by removing "lack of adequate staff" as one of the causes of the accident, as it showed Railways in a poor light. His superior further hinted that a lenient approach from Rajendra will bode well for his career. He also promised that Rajendra's cooperation in the matter will have a positive bearing on his request for a study leave. Moreover, the superior also reasoned with Rajendra that a rigid attitude may not bode well for him and he might get ostracized within the rank and file. Further, to make things 'easy' for Rajendra, his superior advised him to report Anand's negligence as the cause of the accident. However, Rajendra is aware that Anand is a very sincere and hard-working employee. He came out of the Chairman's office, dejected and undecided on his next course of action.

- What are the ethical concerns associated with the case study?
- What are the options available with Rajendra?
- If you were at the place of Rajendra, which option would you choose and why?

राजेंद्र को भारतीय रेलवे के दक्षिण पूर्वी क्षेत्र का महाप्रबंधक नियुक्त किया गया है। अपनी नई पोस्टिंग का कार्यभार संभालने के बाद, राजेंद्र को अपने अधिकार क्षेत्र में जो पहली बड़ी कमी दिखी, वह थी कर्मचारियों की भारी कमी, खासकर परिवालन स्तर पर। रेलवे की संवेदनशील प्रकृति और महत्व को देखते हुए, राजेंद्र ने तुरंत मंत्रालय में अपने वरिष्ठों को इस मुद्दे से अवगत कराया। अपनी रिपोर्ट में, राजेंद्र ने बताया कि विभिन्न पदों पर कमी के कारण कार्यबल अत्यधिक बढ़ गया है, जो माल ढुलाई और यात्रियों की सुरक्षा के लिए हानिकारक हो सकता है। हालाँकि, राजेंद्र की रिपोर्ट को अनसुना कर दिया गया और रेलवे द्वारा इस संबंध में कोई कार्रवाई नहीं की गई।

जैसा कि माग्य को मंजूर था, सालासोर में एक विनाशकारी ट्रेन दुर्घटना हुई, जो राजेंद्र के अधिकार क्षेत्र में आता था। लगभग 300 लोगों की जान चली गई और 1000 से अधिक यात्री घायल हो गए। इस दुर्घटना से पूरे देश में शोक की लहर दौड़ गई और रेलवे सुरक्षा पर गंभीर सवाल उठने लगे। घटना की गंभीरता को देखते हुए तुरंत राजेंद्र के नेतृत्व में एक आंतरिक तथ्यान्वेषी समिति का गठन किया गया।

आंतरिक समिति ने अपनी जांच पूरी की और प्रथम दृष्टया दुर्घटना का कारण 'सिग्नलिंग में मानवीय त्रुटि' पाया। समिति के अनुसार, दुर्घटना तब हुई जब दोषपूर्ण सिग्नलिंग के कारण गलती से दो ट्रेनों एक ही ट्रैक पर आ गयी थीं; दो ट्रेनों के बीच टक्कर से कुछ डिब्बे पटरी से उतर गए; पटरी से उतरे डिब्बे समानांतर ट्रैक पर चल रही एक अन्य ट्रेन से टकरा गए। तथ्यान्वेषी टीम ने इस बात पर भी प्रकाश डाला कि आनंद, जो सिग्नलिंग का प्रभारी था, अपनी नियमित 8 घंटे की शिफ्ट के बजाय, 16 घंटे से अधिक समय तक लगातार काम कर रहा था। रिपोर्ट में निष्कर्ष निकाला गया कि दुर्घटना के पीछे प्रमुख कारणों में से एक 'पर्याप्त कर्मचारियों की कमी' थी।

अगले ही दिन राजेंद्र को मंत्रालय में उनके वरिष्ठ अधिकारी ने बुलाया। राजेंद्र के वरिष्ठ ने उन्हें रिपोर्ट पर अच्छे और समय पर काम करने के लिए बधाई दी। हालाँकि, उन्होंने दुर्घटना के कारणों में से एक 'पर्याप्त कर्मचारियों की कमी' को हटाकर रिपोर्ट को संशोधित करने के लिए भी कहा, क्योंकि इसमें रेलवे को खराब स्थिति में दिखाया गया था। उनके वरिष्ठ ने आगे संकेत दिया कि राजेंद्र का उदार रुख उनके करियर के लिए अच्छा रहेगा। उन्होंने यह भी वादा किया कि इस मामले में राजेंद्र के सहयोग से अध्ययन अवकाश के उनके अनुरोध पर सकारात्मक प्रभाव पड़ेगा। इसके अलावा, वरिष्ठ ने राजेंद्र को यह भी समझाया कि कठोर रवैया उसके लिए अच्छा नहीं होगा और उसे रैंक और फाइल के भीतर बहिष्कृत होना पड़ सकता है। इसके अलावा, राजेंद्र के लिए चीजों को 'आसान' बनाने के लिए, उनके वरिष्ठ ने उन्हें दुर्घटना के कारण के रूप में आनंद की लापरवाही की रिपोर्ट करने की सलाह दी। हालाँकि, राजेंद्र जानते हैं कि आनंद एक बहुत ही ईमानदार और मेहनती कर्मचारी हैं। वह निराश होकर और अपने अगले कदम के बारे में अनिर्णीत होकर अध्यक्ष के कार्यालय से बाहर आये।

a) केस स्टडी से जुड़ी नैतिक चिंताएँ क्या हैं?

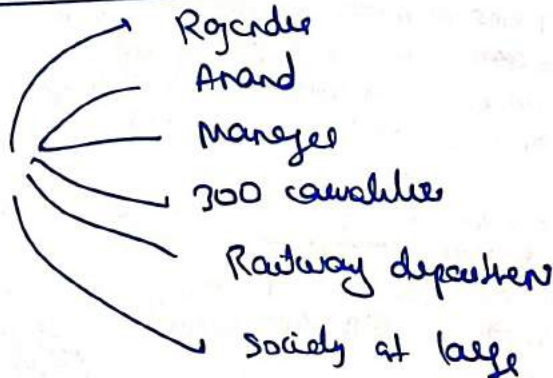

b) राजेंद्र के पास क्या विकल्प उपलब्ध हैं?

c) यदि आप राजेंद्र के स्थान पर होते, तो आप कौन सा विकल्प चुनते और क्यों?

Q.10) Grander Neobar Island is one of the world's most important biodiversity hotspots. Covered by thriving rainforest, the Island hosts a vast diversity of flora and fauna, many of which are endemic in nature. The Island is also known for being home to some of the Particularly Vulnerable Tribal Groups (PVTGs). For years, the region has been preserved for its ecological and cultural importance. Besides its environmental richness, the Grander Neobar is also particularly unique for its geo-strategic importance. The position of the Island in the Indian Ocean makes it ideal for gaining strategic leverage over the country's adversaries in the region.

Grander Neobar Development Project (GNDP) is a security and infrastructure project proposed for the southern tip of the island. The project is important for economic benefits such as logistics, commerce, industry, and coastal tourism. GNDP includes an international container transshipment terminal, a greenfield international airport, township development, and a gas- and solar-based power plant together occupying over a large area in the island.

Though touted as vital for country's economic growth and strategic presence in the region, some NGOs have been protesting against the project for its high environmental cost. The NGOs claim that the project would require cutting down of more than 900,000 trees of the rainforest biome, which are a prime source of carbon sequestration. Further, the loss of tree cover will not only affect the flora and fauna on the island, but it will also lead to increased runoff and sediment deposits in the ocean, impacting the coral reefs in the area. Also, the influx of outside population is expected to impose a significant ecological pressure on the island and its surroundings. The PVTGs residing in the Island for centuries may lose their traditional rights over land, and may also face undue interference in their culture and practices. As per some experts, as PVTGs are secluded from mainland since time immemorial, a sudden contact with outside population may pose grave health risks in forms of various infections. It is also being highlighted that the project is in contradiction to the government's vision to promote a sustainable world and a climate friendly lifestyle.

However, the supporters of the project firmly believe that the project is essential, given its strategic importance for the country. The supporters of the project reason that since other countries also host several military bases in the region, India cannot afford to remain absent from this strategic backyard. Further, as per the advocates of the project, presence of a robust security infrastructure can check the oft-occurring incidents of piracy, cementing the country's role as the net security provider in the region. Moreover, the proponents of the development project argue that Grander Neobar is located close to one of the busiest choke points in the global trade route, and neglecting its development may run counter to country's trade and security interests. Also, as per a government think tank's report, the proposed port will allow Grander Neobar to participate in the regional and global maritime economy by becoming a major player in cargo transshipment and a delay in the same may have the effect of losing the competitive advantage.

ग्रैंडर नियोबार द्वीप दुनिया के सबसे महत्वपूर्ण जैव विविधता वाले हॉटस्पॉट में से एक है। समृद्ध वर्षावन से आच्छादित, यह द्वीप वनस्पतियों और जीवों की एक विशाल विविधता का घर है, जिनमें से कई की प्रकृति स्थानिक हैं। यह द्वीप कुछ विशेष रूप से कमजोर जनजातीय समूहों (पीवीटीजी) का घर होने के लिए भी जाना जाता है। वर्षों से, इस क्षेत्र को इसके पारिस्थितिक और सांस्कृतिक महत्व के लिए संरक्षित किया गया है। अपनी पर्यावरणीय समृद्धि के अलावा, ग्रैंडर नियोबार अपने भू-रणनीतिक महत्व के लिए भी विशेष रूप से अद्वितीय है। हिंद महासागर में द्वीप की स्थिति इसे क्षेत्र में देश के विरोधियों पर रणनीतिक लाभ उठाने के लिए आदर्श बनाती है।

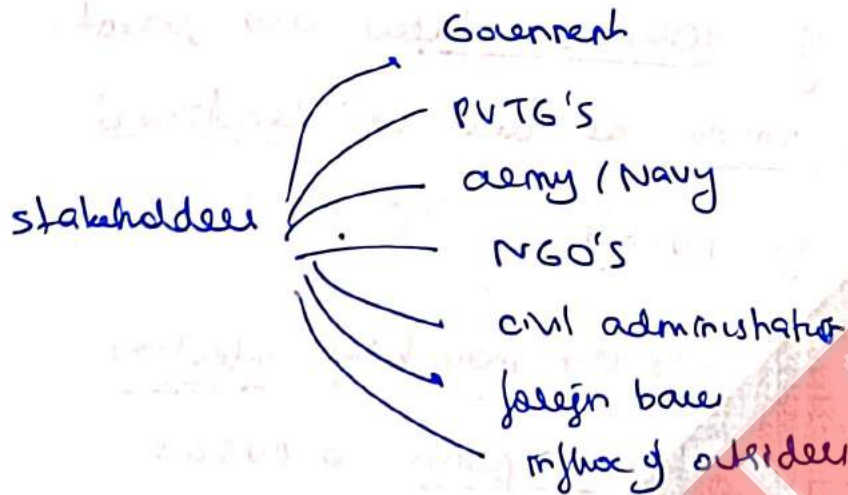

ग्रैंडर नियोबार डेवलपमेंट प्रोजेक्ट (जीएनडीपी) द्वीप के दक्षिणी सिरे के लिए प्रस्तावित एक सुरक्षा और बुनियादी ढांचा परियोजना है। यह परियोजना रसद, वाणिज्य, उद्योग और तटीय पर्यटन जैसे आर्थिक लाभों के लिए महत्वपूर्ण है।

जीएनडीपी में एक अंतरराष्ट्रीय कंटेनर ट्रांसशिपमेंट टर्मिनल, एक ग्रीनफील्ड अंतरराष्ट्रीय हवाई अड्डा, टाउनशिप विकास और एक गैस और सौर-आधारित बिजली संयंत्र शामिल हैं, जो द्वीप के एक बड़े क्षेत्र पर स्थित हैं। हालांकि इसे देश की आर्थिक वृद्धि और क्षेत्र में रणनीतिक उपस्थिति के लिए महत्वपूर्ण माना जा रहा है, लेकिन कुछ गैर सरकारी संगठन इसकी उच्च पर्यावरणीय लागत के कारण इस परियोजना का विरोध कर रहे हैं। गैर सरकारी संगठनों का दावा है कि इस परियोजना के लिए वर्षावन बायोम के 900,000 से अधिक पेड़ों को काटने की आवश्यकता होगी, जो कार्बन पृथक्करण का एक प्रमुख स्रोत हैं। इसके अलावा, वृक्षों के आवरण के नष्ट होने से न केवल द्वीप पर वनस्पतियों और जीवों पर असर पड़ेगा, बल्कि इससे समुद्र में अपवाह और तलछट के जमाव में भी वृद्धि होगी, जिससे क्षेत्र में प्रवाल भित्तियाँ प्रभावित होंगी। साथ ही, बाहरी आबादी के आगमन से द्वीप और उसके आसपास महत्वपूर्ण पारिस्थितिक दबाव पड़ने की आशंका है। सदियों से द्वीप में रहने वाले पीवीटीजी मूमि पर अपने पारंपरिक अधिकार खो सकते हैं, और उन्हें अपनी संस्कृति और प्रथाओं में अनुचित हस्तक्षेप का भी सामना करना पड़ सकता है। कुछ विशेषज्ञों के अनुसार, चूंकि पीवीटीजी प्राचीन काल से ही मुख्य मूमि से विलग निवास करते हैं, बाहरी आबादी के साथ अचानक संपर्क विभिन्न संक्रमणों के रूप में गंभीर स्वास्थ्य जोखिम पैदा कर सकता है। इस बात पर भी प्रकाश डाला जा रहा है कि यह परियोजना एक स्थायी विश्व और जलवायु अनुकूल जीवन शैली को बढ़ावा देने के सरकार के दृष्टिकोण के विपरीत है। हालांकि, परियोजना के समर्थकों का भरोसा है कि देश के लिए इसके रणनीतिक महत्व को देखते हुए यह परियोजना आवश्यक है। परियोजना के समर्थकों का तर्क है कि चूंकि अन्य देश भी इस क्षेत्र में कई सैन्य अड्डों की भेजवानी करते हैं, इसलिए भारत इस रणनीतिक क्षेत्र में अनुपस्थित रहने का जोखिम नहीं उठा सकता है। इसके अलावा, परियोजना के समर्थकों के अनुसार, एक मजबूत सुरक्षा बुनियादी ढांचे की उपस्थिति से समुद्री घुसपैठ की बार-बार होने वाली घटनाओं पर अंकुश लगाया जा सकता है, जिससे क्षेत्र में सकल सुरक्षा प्रदाता के रूप में देश की भूमिका मजबूत हो सकती है। इसके अलावा, विकास परियोजना के समर्थकों का तर्क है कि ग्रैंडर नियोजन वैश्विक व्यापार मार्ग में सबसे व्यस्त चोक पॉइंट्स में से एक के करीब स्थित है और इसके विकास की उपेक्षा करना देश के व्यापार और सुरक्षा हितों के विपरीत हो सकता है। इसके अलावा, एक सरकारी थिंक टैंक की रिपोर्ट के अनुसार, प्रस्तावित बंदरगाह ग्रैंडर नियोजन को कार्गो ट्रांसशिपमेंट में एक प्रमुख खिलाड़ी बनकर क्षेत्रीय और वैश्विक समुद्री अर्थव्यवस्था में भाग लेने की अनुमति देगा और इसमें देरी से प्रतिस्पर्धात्मक अवसर खोने का असर हो सकता है।

The case involves dilemma
between National Security and strategy
vs environmental Trusteehip / Stewardship
Ethics as well as upholding the
traditional rights of PVTG's ensuring
Inclusive Growth

(a) key ethical concerns in the case

- * Influx of outsiders may threaten traditions / customs of indigenous PVTG's
- * Threat to biological diversity and wide variety of flora and fauna
- * Militarization of choke points which leads to Realpolitik and distrust among nations
- * Commercialization of nature and prioritizing economic growth over environment

- * Loss of 900,000 trees and threat to livelihood as well as traditional rights of PVTG's.
- * Influx of outsiders may bring infections.
- * Justice (duty of welfarism to PVTG's) vs utilitarianism and National security.
- * cargo transshipment Hub may lead to jobs and employment at the cost of nature.
- * Degradation of environment will accelerate climate change and sea level rise which is against sustainability Ethics.
- * GNDP project is being conducted without public participation / stakeholder consensus.
↳ No EIA or assessment of the "carrying capacity" of the islands.
- * Against Autonomy, land rights of Tribals.

(b) Dilemma between development and conservation

Development should be given priority because:

- * Leads to utilitarianism and protects the most marginalized sections of society by reducing inequality in line with

Gandhi's Talisman

- * Development can in the future help create technology for vertical farming or carbon capture and storage (CCUS)

- * Enhances Natural comprehensive power and improves standard of living

- * Realpolitik helps prevent neo-colonialism

- * Development ensures progress, growth and Anthropocene to provide for economic

and social justice to citizens based on welfare state and social contract theory

Conservation should be given more priority :-

- ★ Sustainability of resource will enable future generation to live harmoniously
↳ inter-generational Equity
- ★ Responsibility towards Mother Earth and stewardship ethics towards all animals and wildlife based on - "Santa" (equanimity)
- ★ Empathy and compassion towards all living beings
- ★ climate change will cause harm to humans alike
- ★ Respecting rights of Tribals and indigenous groups

Thus, a balance is required. All development must pass the "test of proportionality". A fair EIA and compulsory "carrying capacity" assessment is a must.

Q.11) Mr. Gopal Mahto is the sitting Chief Minister of one of the most populous states in India. He is a young and dynamic leader, popular not just in his state but across the country. Many political analysts opine that he has the potential to become Prime Minister of India in future. One day, the CM was taking a review meeting of law-and-order situation in the state, with senior officials in the state capital. Suddenly he felt a light pain in his abdomen. The CM had been feeling such bouts of pain since a long time, but like always he neglected it this time too, and continued with the meeting. However, in the next few weeks, the intensity of pain increased and the CM was forced to see a doctor. After initial examination, the doctor gave some medicines and prescribed few tests. After few days, the report came and it showed that the CM is suffering from 'Liver Cirrhosis.' It was in the advanced stage and posed a threat to the life of Mr. Mahto. The doctor told that the only option was the liver transplant without any further delay.

In apprehension that it may create chaos among the general public, particularly the supporters of the CM and his party, it was decided to not make the news public. Only very few senior functionaries at the centre and state along with medical staff were aware of the situation. Meanwhile, the Health Minister of the State directed the State's Health Secretary to take necessary actions, coordinate with medical staff and arrange for liver transplant for the CM.

The next day, the Health Secretary called the State Director General (DG), Health, who is the competent authority, dealing with the matters related to organ transplantation in the state. The DG, Renuka was informed of the situation and directed to make immediate arrangement for liver transplant. However, Renuka told the Secretary that there is a laid down Standard Operating Procedures (SOPs) regarding organ transplantation. She informed him that there is already a patient named Sunil at first position in the waiting list, who also requires urgent liver transplant. The health secretary is also informed that Sunil is left with a very short time window for a successful transplantation. Sunil is 35 years old, a father of two, and the sole bread winner of the family of six that also includes his wife and aging parents. Sunil's family is of limited means and often found it rather difficult to cater even for their needs. Also, various medical costs associated with Sunil's conditions have further worsened the financial condition of the family.

Renuka further informs the secretary, as per SOP, the CM would be at the second position in the waiting list. As a matter of chance, Renuka receives a phone call from one of her subordinates. She informs Renuka that a liver has been donated by family of an old person, who died his natural death. After relevant tests, it was found that the available liver is fit for Sunil. Incidentally, the liver also fits the medical profile of the CM. Renuka immediately intimates the secretary about this development.

Even though all the facts with regard to the SOP are explicitly clear, the secretary still tries to persuade Renuka for bending the rule in favor of Mr. Gopal Mahto. He explains that if anything untoward happens to the CM, it may lead to chaos and instability in the State. It may also require fresh elections which will be a drain on state exchequer and a drag on the governance process. He also hinted that if Renuka 'bent' the rule, this will be favorable for her career growth in the future. Further, to ease Renuka's conscience, the health secretary assured her that her actions are in larger interest of the state as well as the country. He also reasoned that if Sunil fails to receive a healthy liver in time, he will personally ensure that Sunil's family is well taken care of, and an eligible member of his family is accorded with a government job.

Meanwhile, the time is running out for both Sunil and the CM.

- What are the ethical concerns associated with the above case study?
- What are the options available with Renuka? Analyse the merits and demerits of the options?
- If you were at the place of Renuka, which option would you choose and why?

श्री गोपाल महतो भारत के सबसे अधिक आबादी वाले राज्यों में से एक के वर्तमान मुख्यमंत्री हैं। वह एक युवा और ऊर्जस्वी नेता हैं, जो न केवल अपने राज्य में बल्कि पूरे देश में लोकप्रिय हैं। कई राजनीतिक विश्लेषकों का मानना है कि उनमें भविष्य में भारत के प्रधानमंत्री बनने की क्षमता है। एक दिन, सीएम राज्य की राजधानी में वरिष्ठ अधिकारियों के साथ राज्य में कानून-व्यवस्था की स्थिति, की समीक्षा बैठक ले रहे थे। अचानक उसके पेट में हल्का दर्द महसूस हुआ। सीएम को इस तरह का दर्द काफी समय से महसूस हो रहा था, लेकिन हमेशा की तरह उन्होंने इस बार भी इसे नजरअंदाज कर दिया और बैठक जारी रखी। हालांकि, अगले कुछ हफ्तों में दर्द की तीव्रता बढ़ गई और सीएम को डॉक्टर को दिखाने के लिए मजबूर होना पड़ा। शुरुआती जांच के बाद डॉक्टर ने कुछ दवाएं दीं और कुछ टेस्ट लिखे। कुछ दिनों के बाद, रिपोर्ट आई और पता चला कि सीएम 'लिवर सिरोसिस' से पीड़ित हैं। यह अंतिम चरण में था और श्री महतो के जीवन के लिए खतरा था। डॉक्टर ने बताया कि बिना किसी देरी के लिवर ट्रांसप्लांट ही एकमात्र विकल्प था।

इस आशंका में कि इससे आम जनता, विशेषकर सीएम और उनकी पार्टी के समर्थकों के बीच अराजकता पैदा हो सकती है, इस खबर को सार्वजनिक नहीं करने का निर्णय लिया गया। चिकित्सा कर्मचारियों के साथ-साथ केंद्र और राज्य के बहुत कम वरिष्ठ पदाधिकारी ही स्थिति से अवगत थे। इस बीच, राज्य के स्वास्थ्य मंत्री ने राज्य के स्वास्थ्य सचिव को आवश्यक कार्रवाई करने, चिकित्सा कर्मचारियों के साथ समन्वय करने और सीएम के लिए लीवर प्रत्यारोपण की व्यवस्था करने का निर्देश दिया।

अगले दिन, स्वास्थ्य सचिव ने राज्य के स्वास्थ्य महानिदेशक (डीजी) को बुलाया, जो राज्य में अंग प्रत्यारोपण से संबंधित मामलों से निपटने के लिए सक्षम प्राधिकारी हैं। डीजी, रेणुका को स्थिति से अवगत कराया गया और लिवर प्रत्यारोपण की तत्काल व्यवस्था करने का निर्देश दिया गया। हालांकि, रेणुका ने सचिव को बताया कि अंग प्रत्यारोपण के संबंध में एक निर्धारित मानक संचालन प्रक्रिया (एसओपी) है। उसने उन्हें बताया कि प्रतीक्षा सूची में पहले स्थान पर पहले से ही सुनील नाम का एक मरीज है, जिसे तत्काल लीवर प्रत्यारोपण की भी आवश्यकता है। स्वास्थ्य सचिव को यह भी बताया गया है कि सुनील के पास सफल प्रत्यारोपण के लिए बहुत कम समय बचा है। सुनील 35 साल के हैं, दो बच्चों के पिता हैं और छह लोगों के परिवार में अकेले कमाने वाले हैं, जिसमें उनकी पत्नी और बड़े माता-पिता भी शामिल हैं।

रेणुका ने सचिव को आगे बताया, एसओपी के अनुसार, सीएम प्रतीक्षा सूची में दूसरे स्थान पर होंगे। संयोग से, रेणुका को उसके एक अधीनस्थ का फोन आता है। वह रेणुका को बताती है कि एक बड़े व्यक्ति के परिवार ने उसका लीवर दान किया है, जिसकी प्राकृतिक मृत्यु हुई है। प्रासंगिक परीक्षणों के बाद, यह पाया गया कि उपलब्ध लीवर सुनील के लिए उपयुक्त है। संयोग से, लीवर भी सीएम के मेडिकल प्रोफाइल में फिट बैठता है। रेणुका ने तुरंत सचिव को इस घटनाक्रम के बारे में सूचित किया।

भले ही एसओपी के संबंध में समी तथ्य स्पष्ट हैं, फिर भी सचिव श्री गोपाल महतो के पक्ष में नियम को मोड़ने के लिए रेणुका को मनाने की कोशिश करते हैं। वह बताते हैं कि अगर सीएम के साथ कुछ भी अनहोनी होती है तो इससे राज्य में अराजकता और अस्थिरता पैदा हो सकती है। इसके लिए नए चुनावों की भी आवश्यकता हो सकती है जो राज्य के खजाने पर बोझ होगा और शासन प्रक्रिया पर बोझ पड़ेगा। उन्होंने यह भी संकेत दिया कि यदि रेणुका ने नियम को तोड़ दिया, तो यह भविष्य में उनके करियर के विकास के लिए अनुकूल होगा। इसके अलावा, रेणुका की अंतरात्मा को शांत करने के लिए, स्वास्थ्य सचिव ने उन्हें आश्वासन दिया कि उनके कार्य राज्य के साथ-साथ देश के व्यापक हित में हैं। उन्होंने यह भी तर्क दिया कि यदि सुनील को समय पर स्वस्थ लीवर नहीं मिल पाता है, तो वह व्यक्तिगत रूप से यह सुनिश्चित करेंगे कि सुनील के परिवार की अच्छी तरह से देखभाल की जाए और उनके परिवार के एक योग्य सदस्य को सरकारी नौकरी दी जाए। इस बीच, सुनील और सीएम दोनों के लिए समय समाप्त हो रहा है।

- उपरोक्त मामले के अध्ययन से जुड़ी नैतिक चिंताएँ क्या हैं?
- रेणुका के पास क्या विकल्प उपलब्ध हैं? विकल्पों के गुण और दोषों का विश्लेषण कीजिए?
- यदि आप रेणुका के स्थान पर होते, तो आप कौन सा विकल्प चुनते और क्यों? (20 अंक, 250 शब्द)

The case involves VIP-culture and special treatment of politicians by mending rules and SOP's in the state.

(a) Ethical concerns in the case

- * Flouting of SOP's to favour the CM over a common man
- * Dilemma between choosing personal career growth vs rule of law

- * Utilitarianism of society by ensuring political stability vs devotion towards Smriti.
- * Against Gandhi's Talisman of protecting most vulnerable section
- * politicization of Bureaucracy and patronship
- * non-Transparency in organ donation as well as lack of accountability

(b) options available to Renuka

Option 1 → Agree to special Secretary and provide live transplant to CM

merits

- will ensure utilitarianism and public stability
- personal career growth

demerits

- against SOP's and rule of law
- may lead to knowledge-deer split

→ Injustice to Sunil who has less time

option 2 → Provide live to Sunil and ask CM to wait

merits

→ in line with constitutional Morality and article 14: equality

→ upholds fundamental right to life (Article 21) of Sunil

demerits

→ may antagonize CM who can transfer me

→ death of CM will lead to re-election and burden on resources

option 3 → I will talk to Sunil and request his assent while also making compulsory payment to Sunil to support his family. If Sunil doesn't assent, I should shall follow SOP's

Meets

- provide financial security to Sunil's family
- follow ethical framework and consent
- upholds autonomy of choice and self-dignity

(c) My choice as Renuka

I shall choose option 3 because:

- It follows dignity of an individual by taking consent
- If Sunil does not give consent, I shall follow SOP's because it is my duty as a civil servant and in line with rule of law (SOP's)
- Not abiding with SOP's can land me and the CM in trouble
- VIP-culture cannot supersede right to life of a common man (Menaka Gandhi case)

Thus individual morality ensures that each man/woman is treated equally irrespective of power (poor).

Q.12) Mr X is travelling by road with his family to attend a marriage ceremony. His grandfather, who is the head of the family is also travelling with him.

On the way to their destination, all of them stop at a road side restaurant for lunch. This is a well-known restaurant owned by one of the friends of Mr X. The place is known for its tasty and hygienic food.

However, the grandfather notices a picture on the wall of the restaurant and enquires about the religion of the restaurant owner. Mr X's friend belongs to a religion different from the grandfather's religion. The grandfather has a negative attitude towards the religion of Mr X's friend and he insists that he will not eat in that restaurant. He demands that the entire family should leave the restaurant immediately as they are travelling for a happy occasion and eating at this particular restaurant will pollute them. Mr X tries to calm down his grandfather and explain to him that religion has nothing to do with purity or pollution. He also reasons that several travel magazines have rated the restaurant highly, especially for its superior hygiene standards. Also, he points out that there is no restaurant in the way for the next 100 Km and it will be difficult for all to make do without food for that long. However, his arguments fall on deaf ears, and which is more his grandfather admonishes him for bringing the family to the restaurant despite being aware about the religion of the owner. Mr X's friend feels insulted and discriminated against due to his religion. Mr X's father is upset but refuses to say anything out of respect for the grandfather. Entire family is embarrassed by the attitude of the grandfather and they are getting ready to leave the restaurant. Mr X is confused regarding how he should act in this situation.

मिस्टर X एक विवाह समारोह में भाग लेने के लिए अपने परिवार के साथ सड़क मार्ग से यात्रा कर रहे हैं। उनके दादा, जो परिवार के मुखिया हैं, भी उनके साथ यात्रा कर रहे हैं। अपने गंतव्य के रास्ते में, वे सभी दोपहर के भोजन के लिए सड़क किनारे एक रेस्तरां में रुकते हैं। यह मिस्टर X के दोस्तों में से एक के स्वामित्व वाला एक प्रसिद्ध रेस्तरां है। यह स्थान अपने स्वादिष्ट और स्वच्छ भोजन के लिए जाना जाता है।

हालाँकि, दादाजी ने रेस्तरां की दीवार पर एक तस्वीर देखी और रेस्तरां के मालिक के धर्म के बारे में पूछताछ की। मिस्टर X का दोस्त दादा के धर्म से अलग धर्म का है। वह मांग करता है कि पूरे परिवार को तुरंत रेस्तरां छोड़ देना चाहिए क्योंकि वे एक खुशी के अवसर के लिए यात्रा कर रहे हैं और इस विशेष रेस्तरां में खाने से वे अपवित्र हो जाएंगे। मिस्टर X अपने दादाजी को शांत करने की कोशिश करते हैं और उन्हें समझाते हैं कि धर्म का पवित्रता या अपवित्रता से कोई लेना-देना नहीं है। उनका यह भी कारण है कि कई यात्रा पत्रिकाओं ने रेस्तरां को उच्च दर्जा दिया है, खासकर इसके बेहतर स्वच्छता मानकों के लिए। साथ ही, वह बताते हैं कि अगले 100 किलोमीटर तक रास्ते में कोई रेस्तरां नहीं है और इतने लंबे समय तक भोजन के बिना गुजारा करना सभी के लिए मुश्किल होगा। हालाँकि, उनकी दलीलें अस्वीकार हो जाती हैं, और इसके अलावा उनके दादाजी उन्हें मालिक के धर्म के बारे में जानकारी होने के बावजूद परिवार को रेस्तरां में लाने के लिए डांटते हैं। मिस्टर X का दोस्त अपने धर्म के कारण अपमानित और भेदभाव महसूस करता है। मिस्टर X के पिता परेशान हैं लेकिन दादाजी के सम्मान में कुछ भी कहने से इनकार करते हैं। दादा के रवैये से पूरा परिवार शर्मिंदा है और वे रेस्तरां छोड़ने की तैयारी कर रहे हैं। मिस्टर X इस बात को लेकर असमंजस में हैं कि उन्हें इस स्थिति में कैसे कार्य करना चाहिए।
