

1. How is India currently facing the challenge of terrorism? What are the key threats it is dealing with?
2. How has India's terrorism doctrine evolved? Previously, India was considered a "soft state" in handling terrorism (e.g., after the Parliament attack). What has changed?
3. What is the role of drones in terrorism, as seen in the Israel-Hamas conflict? Why is India particularly vulnerable to drone activities near its borders?
4. Why are there such high numbers of drone activities in India's border regions?
5. Can drones now be considered the number one security threat to India? What measures is India taking to address this challenge?
6. What is the range of DRDO's Indrajaal system, and how does it help counter drone threats?
7. What procedure was followed to abrogate Article 370?
8. In managing the peace process in Manipur, should India consider appointing a Chief Minister from a third, neutral community?
9. How has cybersecurity become a strategic challenge for India, especially considering incidents like the alleged Chinese cyberattack on Mumbai? Is China capable of leveraging such attacks to influence India?
10. After the AIIMS cyberattack, should India focus more on building offensive cybersecurity capabilities? Would you describe India as good enough in cybersecurity or highly vulnerable?
11. What are the Central Armed Police Forces (CAPFs) in India, and what are their roles?
12. What advancements have been made along the Line of Actual Control (LAC) recently? What initiatives are in progress? Do you think India is late in addressing these challenges?
13. What is the Red Corridor, and what is its historical context?
14. How can India tackle Naxalism effectively?
15. Has police action against terrorism been successful in the last 30 years? Why or why not?
16. What is hybrid warfare, and how does it impact modern security challenges?
17. Should all the Central Armed Police Forces (like SSB, BSF, ITBP) be integrated into a single organization for better efficiency?
18. Have you read about P. Sainath and the Unlawful Activities (Prevention) Act (UAPA)? How does the process itself sometimes become more punitive than the punishment?
19. What is dual use technology?
20. What is the difference between terrorism and insurgency?

9. Recently, a drug consignment was seized near the Indian coast. What was the size of the seizure, where was it seized, and what are its repercussions?
10. Why is India becoming not just a transit hub for drugs but also a larger consumer, with more youth consuming drugs?
11. What are the causes of the Manipur crisis? As someone in charge of law and order, how would you tackle the issue?
12. Is bhang legal in India? How is it sold?
13. Should marijuana be legalized in India? Why or why not?
14. What is the full form of CAPF? Explain the mandates of three CAPFs in detail and their administrative and operational control.
15. Explain the difference between law and order and public order.
16. What is an Integrated Theatre Command? Should India adopt it, and which model would be best?
17. How can India reduce its status as one of the largest importers of defense equipment and arms?
