There are no changes to the solutions/answers. Explanations have been provided for the students who have raised doubts.

In Q.5)

1) There was a doubt raised with respect to Statement 4 of the question that Its (Janani Surakhsha Yojna's) objective includes providing public health facilities to sick infants up to one year of age.

2) And also, there was a doubt regarding this question's answer in the ForumIAS Toolkit PYQ workbook of Economy.

Explanation- 1) Statement 4 is incorrect. **Janani Surakhsha Yojna's** objective does not include providing public health facilities to sick infants up to one year of age. It is **Janani Shishu Suraksha Karyakram** which extends to all antenatal & postnatal complications of pregnancy and similar entitlements for all sick newborns and infants (up to one year of age) accessing public health institutions for treatment. These two are different schemes/programs of the Government of India.

2) The answer for the same question in ForumIAS Prelims Toolkit PYQ workbook of Economy was incorrectly marked earlier. Based on UPSC CSE 2023 Official answer key, the answer has been updated for which clarification had been provided and the answer to this question will be updated in the upcoming edition of Prelims Toolkit PYQ Workbook of Economy.
