

Corrigendum SFG 2025 Level 1 Test 24

Number of items taken for scoring: 39

Number of items dropped: 01 (Question no. 39)

Q.39) There is an error in the codings of letters R and S in the given question, hence the question is dropped.

For Future Reference

Q.39) In a certain code language, "TABLE" is written as "2012125", "CHAIR" is written as "381918", and "DESK" is written as "451911". How will "COUCH" be written in this code?

- a) 3152138
- b) 3152128
- c) 3152118
- d) 3152148

Ans) a

Exp) Option a is the correct answer.

Step 1: Decode the pattern

From the examples:

1. TABLE → 2012125

- T → 20
- A → 1
- B → 2
- L → 12
- E → 5

2. CHAIR → 381918

- C → 3
- H → 8
- A → 1
- I → 9
- R → 18

3. DESK → 451911

- D → 4
- E → 5
- S → 19
- K → 11

Observations:

Each letter corresponds to a unique numeric value based on its position in the alphabet (e.g., A = 1, B = 2, ... Z = 26).

Step 2: Encode "COUCH"

- C → 3
- O → 15
- U → 21
- C → 3
- H → 8

Thus, "COUCH" will be written as 3152138.

Correct Answer: (A) 3152138.
