PLEASE NOTE

- The course will commence with an orientation at 7 PM on December 10. Students can start moving into the campus from December 6 onwards and stay till May 30th.
- Caution Fee is a fully refundable fee to be deposited at the time of joining the campus. Caution fee in part may be forfeited to recover the losses due to damage to property / any outstanding charges. It may be used to provide aid in case of a medical emergency. Caution Fee refund can be collected on the same day of leaving the campus with prior intimation. For this the campus exit form must be submitted to the administration at least 5 days before your full and final departure.
- Seat Reserve Charges are payable one time and are non-refundable under any circumstance. Students are expected to understand that for every room that is left unoccupied because the candidate decided to drop out will lead to us incurring the cost of the rent of the room for the next 5-6 months. This has happened before and has financially wrecked conduct of the program. However, against the one time non-refundable seat reserve charges, students will be sent by post relevant study material for prelims and Red books. Note that this is a mandatory fee and cannot be adjusted under any circumstance, not even on grounds that the student has part or full of the study material.
- Seats are limited and no refunds are possible after course commencement. However, there is a fair withdrawal opportunity given to each student. Go through the acceptance note document.
- SFG Level 2 is included in FRC 5. However, all students must appear for the entrance test of SFG Level 2 by paying the entrance test fee and competing at all India level. No students will be allowed in SFG Level 2 without having cleared the SFG level 2 entrance test. The goal will be to prepare the candidates such that he/she is able to compete successfully
- Expected Commencement date of Program: 10th of December 2025. End Date of Program: 24th May 2026.
- Hybrid mode of classes will be followed, with majority modules in classroom and some modules in online mode to be finished within a certain deadline at the pace of the student.
- No classes will be provided to the student in the online mode on any grounds including medical. FRC remains an offline only program. Students may explore other programs.
- In case of change in program commencement and end dates, Hostel fees will be adjusted as per actual stay. However, it is to be understood that no charge adjustments will be made for any changes for a period of less than 10 days. Hostel fee will be the same for all students irrespective of their date of joining.
- Rooms will be allocated by the administration before the arrival of the students. No choices for rooms will be exercised except for PH candidates. No request for room change will be accepted and students must stay in allocated rooms. In rare cases where room change is warranted, a charge of Rs. 3000 will be applicable for any room change.
- Student Hostel Accommodation provided by coaching institutes do not enjoy exemption under GST.
