EXAMINER'S REMARKS

CRITERIA FOR THE FEEDBACK SECTION AT THE END OF EACH QUESTION

1. **AWIS = Answered What is Asked.** This means whether you have addressed the core demand of the question or not. Addressing the core demand of the question gets you an objectively fair score. It is examiner's perception if you have understood the question and if you know the answer in the first place. Creative answer writing, sometimes missing the core demand, may fetch very high or very low scores, and exposes your answer to the subjectivity of the examiner.
2. **CD & VA = Content Density & Value Addition.** Examiner will evaluate the quality and quantity of your content in the answer. In the same word limit and space limit have you (a) written what is asked (b) gone beyond what is asked (c) enriched answers through combination of (but not all!) suggestions, ideas, quotes, flowcharts, diagrams, facts and figures, data etc. This affects objective components of assessment.
3. **S & F = Structure & Flow** = Whether you have structured your answer properly or not. Whether the answer has been broken into parts and sub-parts and each part has been addressed appropriately or not. Whether the flow of the answer is maintained. Affects both subjective and objective components of assessment.
4. **P & R** = How your answer performs on the criteria of **presentation, ease of read, clarity and apparent effort** in writing the answer. This affects the subjective components of assessment.

Section - A

Q.1) a) The influence of ethical principles on shaping socially responsible behavior is widely acknowledged. How do ethical values facilitate individuals in cultivating a proactive and constructive attitude towards fulfilling their social responsibilities? Can the subjective nature of ethical principles lead to divergent attitudes regarding social responsibility?

(10 marks, 150 words)

सामाजिक रूप से जिम्मेदार व्यवहार को आकार देने पर नैतिक सिद्धांतों के प्रभाव को व्यापक रूप से स्वीकार किया जाता है। नैतिक मूल्य व्यक्तियों को उनकी सामाजिक जिम्मेदारियों को पूरा करने के प्रति सक्रिय और रचनात्मक दृष्टिकोण विकसित करने में कैसे सुविधा प्रदान करते हैं? क्या नैतिक सिद्धांतों की व्यक्तिपरक प्रकृति सामाजिक जिम्मेदारी के संबंध में भिन्न दृष्टिकोण उत्पन्न कर सकती है?

(10 अंक, 150 शब्द)

Ethical principles are psychological principal of human behaviour for^{checking} the rightfulness and wrongfulness of the decision they make.

Of many influence of ethical principles on ~~shaping~~ human behaviour, socially responsible behaviour shaping is widely acknowledged.

for eg. An ethical person → doesn't spit out in the open

Ethical values - cultivating proactive and constructive attitude towards fulfilling social responsibilities

① ethical values act as moral compass for a person to do righteous things

For eg. Paying Taxes on time.

i) Ethical values - deontological - asks to put means at supreme pedestal allowing fruitful social responsibility function.

For eg Conservation of water as means is essential the outcome is water saving

ii) Ethical values asks us to support others (being humane) which eventually leads to fulfilling social responsibility

For eg COVID-19 time support to migrants ~~been~~ by every family

iii) Ethical values asks us to go beyond humanity and even support animals (#AnimalLove)

For eg Dog Support Parks in Indian cities

Yes, at times subjective nature if interpreted wrongly could lead to divergent attitude. For eg

➔ Greatest good to greatest number - ethical principle

↳ if taken strictly one entire community could be left out of help. For eg SC/ST in some cases.

➔ However, ethical principles have their own universalistic standard and if they are

adhered to well it will bring Summum bonum (chief good)

b) Write short notes on the following:

(10 marks, 150 words)

- (i) Moral equilibrium
- (ii) Emotional strength
- (iii) Ethical pluralism
- (iv) Moral courage
- (v) Ethical fading

निम्नलिखित पर संक्षिप्त नोट्स लिखें :

(10 अंक, 150 शब्द)

- (i) नैतिक साम्य
- (ii) भावनात्मक प्रबलता
- (iii) नीतिपरक बहुलवाद
- (iv) नैतिक साहस
- (v) नीतिपरक क्षीणता

i) Moral equilibrium is a golden mean condition where our negative and positive morality is well balanced.

for eg. biased against any community

ii) Emotional strength is a strength which a person gets externally with a connected person.

for eg. father saying a child I am with you in all the situation → emotional strength.

iii) Ethical pluralism is a representation of diversity of ethical values.

iv) Moral courage is a courage which emanates from our morality

For eg if a person morality slams optimism he would get courage because of it.

v) Ethical fading represent the receding of ethical principles in life of a person.

Q.2) a) Through their actions, interactions, and teachings, schools have the power to mold the moral compass of the next generation. In this perspective, discuss the significance of value-based education in preparing the youth to address the contemporary challenges of society.

(10 marks, 150 words)

अपने कार्यों, पारस्परिक व्यवहार और शिक्षाओं के माध्यम से, स्कूलों में अगली पीढ़ी के नैतिक ढांचे को ढालने की शक्ति होती है। इस परिप्रेक्ष्य में, युवाओं को समाज की समकालीन चुनौतियों से निपटने के लिए तैयार करने में मूल्य-आधारित शिक्षा के महत्व पर चर्चा कीजिए।

(10 अंक, 150 शब्द)

“We have created billions without conscience, knowledge without morality, ours is a world of nuclear giant and ethical infant”.

This line truly depicts the kind of problem our society is facing today. We have created tons of money and knowledge and only with value missing. This necessitates ~~us~~ makes value-based education important for us to address the contemporary challenges.

SIGNIFICANCE OF VALUE-BASED EDUCATION

- ① It will make students aware of the way in which contemporary challenges should be handled. For eg online-stalking

of women can be solved if students know the value of respecting women even if no one is watching

ii) To solve the challenge of global community shedding narrow mentality

Eg. #NOT in My Backyard → is current environmental management practised by many but climate change is global. No one is safe till all are safe

iii) Value based education will give moral compass to understand issues better

Eg. → food wastage is a global challenge → value of equitable use can help here.

iv) value based education can unite everyone.

Eg. Russia-Ukraine war → could be solved if we all learn the art of being united.

Thus, value based education could be a potent tool to ensure we stay happy, together and growing.

b) What do you understand by the term 'situation ethics'? Critically analyze its strengths and weaknesses in making moral judgements. (10 marks, 150 words)

स्थिति नैतिकता शब्द से आप क्या समझते हैं? नैतिक निर्णय लेने में इसकी शक्तियों और कमजोरियों का आलोचनात्मक विश्लेषण कीजिए। (10 अंक, 150 शब्द)

Situation ethics is a term largely used for ethical principles that we require to adhere onto during a particular situation/crisis.

Eg 1 During floods → ethics of a reporter.

Eg 2 When we visit any scientific lab.

↳ Situation ethics is to not touch the equipment without asking

Strengths of Situation ethics in making Moral Judgements

① It gives us an extra moral compass to Judge

Eg → In road accidents, acting as good Samaritan

② Situation ethics can help people in that situation much more than normally it would have been.

Eg → In case of fire outbreak: situation ethics helps us not only save our life but others as well.

WEAKNESS OF SITUATION ETHICS IN Making moral Judgements

Situation ethics could be adjudged in a negative direction by us and that can create a weakness in making moral judgements

Eg. In a movie theatre, pick pocketing has happened and we start feeling everyone is like that.

However, in all situation ethics is of great help and can act as guiding light in making moral judgements.

Q.3) a) Maintaining traditional bonds and familial relationships in an increasingly globalized world requires personal relationships to be governed by ethical principles. Discuss.

(10 marks, 150 words)

तेजी से बढ़ती वैश्विक दुनिया में पारंपरिक बंधनों और पारिवारिक रिश्तों को बनाए रखने के लिए व्यक्तिगत रिश्तों को नैतिक सिद्धांतों द्वारा नियंत्रित करने की आवश्यकता है। चर्चा कीजिए।

(10 अंक, 150 शब्द)

Globalization has been a powerful force. It has not only altered how we transported our goods and services but it has totally altered our social relationships.

For eg → Initially every summer holiday destination for children would have been Nani Maa (Grandmother's house) but now grandchildren are not even 10% close to grandparents.

Understanding the changing relationship due to globalized world, ethical principles can act as guiding sign to maintain traditional relation and families relationships.

① Ethical principles can help us shed egos we may

carry and connect us to all the family members

② Ethical principles help us in presenting gifts and boonties on occasions like birthdays, anniversary etc which used to be the case earlier
↳ This can help build relationship

③ Ethical principles → can give value system to children to respect elders → that can connect elders and children of house.

④ Applying ethical principle one can understand the possible issues in any relationships
- for eg. uncle - nephew, that can be resolved.

Thus, ethical principles could be a guiding light in today's globalized world.

b) "Why should a man be moral? Because it strengthens his will." - Swami Vivekanand. In this perspective, discuss the significance of morality for bringing efficiency and effectiveness in public administration. Do you think moral rigidity can be a hindrance in good governance?

(10 marks, 150 words)

"मनुष्य को नैतिक क्यों होना चाहिए? क्योंकि यह उसकी इच्छाशक्ति को मजबूत करता है।" - स्वामी विवेकानन्द। इस परिप्रेक्ष्य में, लोक प्रशासन में दक्षता और प्रभावशीलता लाने के लिए नैतिकता के महत्व पर चर्चा कीजिए। क्या आपको लगता है कि नैतिक कठोरता सुशासन में बाधा बन सकती है?

(10 अंक, 150 शब्द)

Morality refers to the value system of a person or his ethical parameters from his own standards.

for eg → Person's belief in scientific rationality over customary morality

MORALITY AND EFFICIENCY & EFFECTIVENESS IN PUBLIC ADMINISTRATION

① A good morality → having component on sound team management could help in bringing effectiveness.

for eg → E. Sreedharan in Delhi Metro.

② A good morality - can lead to bringing everyone on board - from women to lower

efforts → this bring system united

iii) A good morality could be have extra eyes for data and figures → could lead to data driven governance.

For Eg. Kundan Kumar (IAs) → Champaha Startup, west Champaran etc

However, Moral rigidity could become a hindrance in good governance.

① Moral Rigidity could lead to extreme rule based or legalistic

↳ could lead to a person who is morally eligible for a scheme but don't have a card missing out

② Moral rigidity could stem in fact of systematic overhaul → which may ^{not} be desirable.

for eg convert everything / operations — online in 2 weeks
it may not happen or even if it happens it will go against good governance

Thus, a balanced Morality is a boon and that should be practised for good governance

Q.4) a) Various practices and policies are implemented to uphold transparency, fairness, and accountability within administrative systems, encompassing both advantageous and disadvantageous aspects for the stakeholders involved and the overall administrative framework. Explore the ethical considerations that arise from the design and implementation of these administrative practices aiming to foster effective governance.

(10 marks, 150 words)

प्रशासनिक प्रणालियों के भीतर पारदर्शिता, निष्पक्षता और उत्तरदायित्व को बनाए रखने के लिए विभिन्न प्रथाओं और नीतियों को लागू किया जाता है, जिसमें शामिल हितधारकों और समग्र प्रशासनिक ढांचे के लिए लाभप्रद और नुकसानदेह दोनों पहलुओं को शामिल किया जाता है। प्रभावी शासन को बढ़ावा देने के उद्देश्य से इन प्रशासनिक प्रथाओं के निर्माण और कार्यान्वयन से उत्पन्न होने वाले नैतिक विचारों का अन्वेषण कीजिए।

(10 अंक, 150 शब्द)

A sound ethical consideration is considered to be quintessential for design and implementation of the administrative practices aiming to foster effective governance.

for eg → Sabka Sath Sabka Vikas idea while making various practices and policies

ETHICAL CONSIDERATION ^{THAT} ARISE ON DESIGN & IMPLEMENTATION OF ADMINISTRATIVE PRACTICE

① Idea of Homo Mansura

↓
human is an end of everything

for eg → Manual Scavenging act → manual scavenging was banned due to this idea. as it was derogatory. (also enjoinous)

② Deontology : Means over ends

↳ means i.e. the way money is allocated is very important, the socio-economic profile a scheme touches is important over monetary gains it brought

for eg. → MGNREGA → it's a lifeline for everyone, doesn't quite matter the benefit it brings

③ Gender Justice

↳ Are the schemes aiding gender equally or ^{there is} any bias → every scheme also raise this question.

④ Environmental Sustainability

↳ This question also arises while governance steps are taken

for eg. Char Dham NH project

These ethical considerations make the governance practices more humane, which is of the people, for the people and by the people

b) Civil servants who embody emotional intelligence exhibit a profound understanding of the human aspect of governance, enabling them to cultivate meaningful relationships, foster cooperation, and drive positive change. Examine ways in which Emotional Intelligence can be inculcated in civil servants. (10 marks, 150 words)

सिविल सेवक जो भावनात्मक बुद्धिमत्ता का प्रतीक हैं, शासन के मानवीय पहलू की गहन समझ प्रदर्शित करते हैं, जिससे वे सार्थक रिश्ते विकसित करने, सहयोग को बढ़ावा देने और सकारात्मक बदलाव लाने में सक्षम होते हैं। उन तरीकों की परीक्षण कीजिए जिनसे सिविल सेवकों में भावनात्मक बुद्धिमत्ता विकसित की जा सकती है। (10 अंक, 150 शब्द)

According to Daniel Kolman,

Emotional intelligence is about understanding one's own emotions, understanding others' emotions and use this knowledge to manage the situation at hand.

For eg → Case of acid attack victim

↓
E.I. is to manage personal agitation, grief of the impacted and finding a solution.

WAYS OF INCULCATION OF EMOTIONAL INTELLIGENCE IN CIVIL SERVANTS

① Formal ways

↳ Structured Training program where they are acclimatized to various types of Case Studies and over the time they

develop emotional intelligence

↳ Peer group based and cohort based learning

② on the Job

↳ In a structured way, providing / acclimatizing them to different kinds of cases

Ask them to document their learning and over the time their EI grows.

↳ Making them part of grievous cases can open them to ^{various} situations

↳ End to End management of a case
For eg Abrocity or Tribal.

Thus, it is by both formal and informal ways Emotional Intelligent could be taught to civil servants. However beyond a point, he needs to have special eye in every case to understand and take emotionally intelligent decision

Q.5) a) The challenges posed by the corporate sector's impact on climate, environmental sustainability, and living conditions has highlighted the need for responsible and inclusive business practices. In this direction, the contemporary discourse on corporate governance is emphasizing the interconnectedness of environmental, social, and governance (ESG) factors. Evaluate the ESG framework in equipping the corporate world with the capabilities to fulfill its social roles and responsibilities. (10 marks, 150 words)

जलवायु, पर्यावरणीय स्थिरता और रहने की स्थिति पर कॉर्पोरेट क्षेत्र के प्रभाव से उत्पन्न चुनौतियों ने जिम्मेदार और समावेशी व्यावसायिक प्रथाओं की आवश्यकता पर प्रकाश डाला है। इस दिशा में, कॉर्पोरेट प्रशासन पर समकालीन चर्चा पर्यावरण, सामाजिक और शासन (ईएसजी) कारकों के अंतर्संबंध पर जोर दे रही है। कॉर्पोरेट जगत को अपनी सामाजिक भूमिकाओं और जिम्मेदारियों को पूरा करने की क्षमताओं से लैस करने में ईएसजी ढांचे का मूल्यांकन कीजिए। (10 अंक, 150 शब्द)

Environmental, social and governance (ESG) refers to the tri essential factors which should be kept in mind by any corporate entity before he chart out a business practice

ESG FACTORS AND CORPORATE EQUIPMENT OF SOCIAL ROLES & RESPONSIBILITIES

① Data driven analysis → ESG factors will provide

Corporate with data centric understanding to meet their social responsibility

For eg → Data on water scarcity of area → Corporate can make effective water plan.

ii) By figuring environment in policy making → ESG can support climate hit communities

For eg Joshimath incident could be averted

iii) It could help in making local ecosystem pollution free.

For eg Western Ghats. if ESG are followed. Carbon footprint

However ESG factors are subjective and it needs to be expanded and objectified for corporates ~~before~~ then only it will be of help to corporates in terms of their meeting their social responsibility.

Overall, ESG factors have given a new and potent paradigm for corporates to perform sustainably.

b) Uniform Civil Code (UCC) aims to create a common set of laws governing personal matters, such as marriage, divorce, inheritance, and adoption, irrespective of individuals' religious affiliations. In the context of the ongoing discourse on UCC in India, examine the challenges that arise when attempting to reconcile legal principles with diverse moral considerations. To what extent should the law be influenced by moral/religious principles? (10 marks, 150 words)

समान नागरिक संहिता (यूसीसी) का उद्देश्य व्यक्तियों की धार्मिक संबद्धताओं के बावजूद, विवाह, तलाक, विरासत और गोद लेने जैसे व्यक्तिगत मामलों को नियंत्रित करने वाले कानूनों का एक सामान्य सेट बनाना है। भारत में यूसीसी पर चल रही चर्चा के संदर्भ में, विभिन्न नैतिक विचारों के साथ कानूनी सिद्धांतों के बीच सामंजस्य स्थापित करने का प्रयास करते समय उत्पन्न होने वाली चुनौतियों का परीक्षण कीजिए। कानून किस हद तक नैतिक/धार्मिक सिद्धांतों से प्रभावित होना चाहिए? (10 अंक, 150 शब्द)

While Article 44 of Indian Constitution

mandates the policy makers to come up with uniform personal laws, India being a Salad-bowl Multicultural society, does faces certain challenges while attempting to reconcile legal principles with diverse moral considerations:

CHALLENGES

① UCC calls for ~~united~~ uniform personal laws but personal laws are based on religious laws.

for eg Hindu Marriage act } Uniformity only
 Christian - } possible legally
 Christian Marriage act }
 ↓
 Morally they see marriage differently

② The nature of personal laws in different laws are different

For eg }
 Muslim → Marriage as contract
 Hindu → Sacred pious relationship

Which one to follow → if uniform

③ No concept of Talak in Hindu Personal Laws
 No Polygamy Concept in Hindu Personal Laws
 But in Muslim 4 marriages are allowed

↳ Even if legally uniformity could be forged but morally they are different.

Thus, there are certain fundamental difference in the way all these operate in personal domain.

Law should not touch personal law as far as possible, because that has been Indian way of life where various way of life has coexisted and only soft touch uniformity as proposed by last law commission should be practised. This would keep us united.

Q.6) What does each of the following quotation mean to you?

निम्नलिखित में से प्रत्येक उद्धरण का आपके लिए क्या अर्थ है?

a) "When I do good, I feel good; when I do bad, I feel bad, and that is my religion" – Abraham Lincoln.
(10 marks, 150 words)

"जब मैं अच्छा करता हूँ, तो मुझे अच्छा लगता है; जब मैं बुरा करता हूँ, तो मुझे बुरा लगता है। यही मेरा धर्म है" – अब्राहम लिंकन
(10 अंक, 150 शब्द)

The quote talks about conscience

which act as moral guide/compass. Whenever a person does good, he feels good and vice versa and that's why the need comes to follow the very moral compass.

Even the role of religion has also been the same. They teach the lesson of following righteous path. and how by following righteous path a person feel good.

Since, a person feel good when he does good, it is important for a person to be guided by righteous things and men.

he will ~~also follow~~ be able to reach chief good Summum bonum.

To continue doing right

↳ one needs to follow his conscience

↳ follow the ideals of religion like Christianity
for eg it teaches compassion, service etc

↳ Guided by means ~~then~~

This quote also teaches that religion is also a moral compass which teach a person to do good, if he wants to feel good.

Thus, a person should embrace goodness

In whatever condition he might be.

b) "Real change, enduring change, happens one step at a time." – Ruth Bader Ginsburg.
(10 marks, 150 words)

"वास्तविक परिवर्तन, स्थायी परिवर्तन, एक समय में, एक कदम होता है।" – रूथ बेडर गिन्सबर्ग
(10 अंक, 150 शब्द)

This quote means that the process of change is slow and it is laid brick by brick. After every brick, one sees a change and the process continues.

For eg Emancipation of women in India

Salt Prohibition (1829)

Downy Prohibition (1856)

Sharda Act (1860s)

Age of consent (1878)

Women Organisation — 1915

(All India Mahila Mahaparishad)

Voting rights — Government of India Act, 1935
and later to all in 1950

They are still finding their space in

labour force even after so many changes,
with only 24% Labour Force Participation.

(eg) Similarly, India from a poor country over last 75 years has come to become Top 3 economy (in PPP).

The quote also gives a moral lesson that have the guts to walk a Km at once, one will see the change and then the process will continue.

To global community, it is saying start the fight of climate change, it will happen only step by step but if perseverance is there it will definitely happen.

c) "Happiness is that state of consciousness which proceeds from the achievement of one's values"
- Ayn Rand. (10 marks, 150 words)

'खुशी चेतना की वह अवस्था है जो किसी के मूल्यों की उपलब्धि से अधिक है' - एयन रैंड।

(10 अंक, 150 शब्द)

This quote talks about the effective position of happiness vis-a-vis achievement of values in life. It says happiness is a state of consciousness which is higher than the achievement of one's values.

This means being happy requires very high level of consciousness much higher than what is required for achievement of one's values.

It is easier for a person to achieve one's values like waking up early, playing cricket the most right way but this may not bring happiness.

For happiness to come, a person needs to have very high level of consciousness. He needs to be consciousness of what he has achieved and what he has. And it is after that happiness would come.

For eg ~~our values could be seen as fast as the~~

→ we can achieve our value as a student if we secure a rank in UPSC civil service examination

But to be happy we still need to go higher at the higher level of consciousness where we feel, by being a civil servant we will be able to help thousands

That would eventually result in happiness.

Section - B

Q.7) Jiya is a first-year student studying political science in a metropolitan city. Jiya belongs to Viddhi, a village located in the state of Satya Pradesh. Even though Jiya is very fond of her ancestral home, she has limited knowledge about the socio-cultural aspects of the region.

One day, while talking to her father, Jiya expresses her desire to visit her ancestral place. Her father readily agrees, and advises Jiya to inform her paternal uncle, Suresh, who lives in Viddhi, about her travel plans. On the destined day, Jiya arrives at her village to a grand welcome organised by her uncle. Later in the day, Suresh informs Jiya that in the evening they were all to attend a marriage function in the village. At the function, while having dinner, Jiya noticed that a separate seating arrangement was being made for some people. Unlike others, these people were waiting for their meals sitting on the floor, at a substantial distance from the main dining area. This made Jiya curious. On enquiring, Alakh, a 15-year-old boy, told Jiya that the members of his communities were not allowed to sit on chairs in any public occasion in the village. Alakh also told Jiya that even though he did not like the idea of sitting down in front of his friends, his mother and father, both advised him to follow the norm. Jiya asked him as to why different treatment was meted out to some people despite belonging to the same place. Alakh informed Jiya that even though they all belonged to Viddhi, members of his communities lived in separate habitations; had separate wells; and even worshiped in separate places. He also told her that various prohibitions were put on them like they were not supposed to ride a horse as part of their wedding procession, not allowed to wear turbans, which was a common head gear for others etc. Upon returning from the function, Jiya talked to her uncle about the matter. Suresh told Jiya that it is an accepted practice in the region and it is not wise to question the age-old traditions.

Next day, while going to the market with her aunt, Jiya passes by the local government school. She at once recognized Alakh in the school uniform. To her surprise, instead of studying inside with other students, he, along with some other students, was sweeping the school corridor. While Jiya was perplexed, her aunt passed it off as a routine affair and told her that it was not out of ordinary for the likes of Alakh to do such jobs.

Though Jiya left for her home in a few days, the incidents in Viddhi left an indelible mark on her psyche. As a political science student, Jiya realised that such practices and traditions were a blatant violation of an individual's rights. However, what she did not understand was the reasons behind overt acceptance of such practices by the society.

The things witnessed by Jiya at Viddhi are not isolated incidents, but a part of larger systematic cycle of exclusion, and marginalisation. Such incidents are commonplace in many parts of the country even today.

a) Discuss the role of various stakeholders in checking such biases and building an egalitarian order.

b) Why do such discriminatory practices continue in the society? (20 marks, 250 words)

जिया एक महानगरीय शहर में राजनीति विज्ञान की पढ़ाई कर रही प्रथम वर्ष की छात्रा है। जिया सत्य प्रदेश राज्य में स्थित एक गांव विधि से ताल्लुक रखती हैं। भले ही जिया को अपने पैतृक घर से बहुत प्यार है, लेकिन उन्हें इस क्षेत्र के सामाजिक-सांस्कृतिक पहलुओं के बारे में सीमित जानकारी है।

एक दिन, जिया अपने पिता से बात करते हुए अपने पैतृक स्थान पर जाने की इच्छा व्यक्त करती है। उसके पिता तुरंत सहमत हो जाते हैं, और जिया को सलाह देते हैं कि वह अपने मामा, सुरेश, जो विधि में रहते हैं, को अपनी यात्रा योजनाओं के बारे में सूचित करें। नियत दिन पर, जिया अपने चाचा द्वारा आयोजित एक भव्य स्वागत के लिए अपने गांव पहुंचती है। बाद में दिन में, सुरेश ने जिया को सूचित किया कि शाम को वे सभी गाँव में एक विवाह समारोह में शामिल होने वाले थे। समारोह में डिनर करते वक्त जिया ने देखा कि कुछ लोगों के लिए अलग से बैठने की व्यवस्था की जा रही थी। दूसरों के विपरीत, ये लोग मुख्य भोजन क्षेत्र से काफी दूरी पर, फर्श पर बैठकर अपने भोजन का इंतजार कर रहे थे। इससे जिया

को उत्सुकता हुई। पूछताछ करने पर, 15 वर्षीय लड़का अलख ने जिया को बताया कि उसके समुदाय के सदस्यों को गाँव में किसी भी सार्वजनिक अवसर पर कुर्सियों पर बैठने की अनुमति नहीं है। अलख ने जिया को यह भी बताया कि भले ही उसे अपने दोस्तों को उसके माता-पिता के सामने बैठने का विचार पसंद नहीं था, लेकिन उसके माता-पिता ने उसे आदर्श का पालन करने की सलाह दी। जिया ने उनसे पूछा कि एक ही जगह के होने के बावजूद कुछ लोगों के साथ अलग-अलग व्यवहार क्यों किया जाता है। अलख ने जिया को सूचित किया कि भले ही वे सभी विधि के थे लेकिन उसके समुदाय के सदस्य अलग बस्तियों में रहते हैं, अलग कुएँ हैं, और अलग पूजा पूजा स्थल भी हैं। उन्होंने उसे यह भी बताया कि उन पर कई तरह की पाबंदियाँ लगाई गई हैं, जैसे कि उन्हें अपनी शादी की बारात में घुड़सवारी नहीं कर सकते, पगड़ी पहनने की इजाजत नहीं है, जो अन्य लोगों के लिए यह एक आम पहनावा था आदि। समारोह से लौटने पर, जिया इस मामले में उसके चाचा से बात की। सुरेश ने जिया से कहा कि यह क्षेत्र में एक स्वीकृत प्रथा है और सदियों पुरानी परंपराओं पर सवाल उठाना बुद्धिमानी नहीं है।

अगले दिन, अपनी मौसी के साथ बाजार जाते समय जिया स्थानीय सरकारी स्कूल के पास से गुजरती है। उसने स्कूल यूनिफॉर्म में अलख को तुरंत पहचान लिया। उसे आश्चर्य हुआ, जब वह अन्य छात्रों के साथ अंदर पढ़ने के बजाय, कुछ अन्य छात्रों के साथ, स्कूल के गलियारे में झाड़ू लगा रहा था। जबकि जिया हैरान थी, उसकी चाची ने इसे एक नियमित प्रथा बताया और उससे कहा कि अलख जैसे लोगों के लिए ऐसी नौकरी करना सामान्य प्रथा से अलग नहीं है। हालाँकि जिया कुछ ही दिनों में अपने घर चली गई, लेकिन विधि की घटनाओं ने उसके मानस पटल पर अमिट छाप छोड़ी। एक राजनीति विज्ञान की छात्रा के रूप में, जिया को एहसास हुआ कि ऐसी प्रथाएँ और परंपराएँ किसी व्यक्ति के अधिकारों का घोर उल्लंघन थीं। हालाँकि, वह यह नहीं समझ पाई कि समाज द्वारा ऐसी प्रथाओं को खुलेआम स्वीकार किए जाने के पीछे क्या कारण हैं।

विधि में जिया ने जो कुछ देखा, वह अलग-अलग घटनाएँ नहीं हैं, बल्कि बहिष्कार और हाशिए पर जाने के बड़े व्यवस्थित चक्र का हिस्सा हैं। देश के कई हिस्सों में आज भी ऐसी घटनाएँ आम हैं।

a) ऐसे पूर्वाग्रहों को रोकने और समतावादी व्यवस्था के निर्माण में विभिन्न हितधारकों की भूमिका पर चर्चा कीजिए।

b) समाज में ऐसी भेदभावपूर्ण प्रथाएँ क्यों जारी हैं?

(20 अंक, 250 शब्द)

Even after 75 years of independence,

in various forms caste system still hovers in India primarily the rural part of India. But even stark a problem is the fact that they are not considered an aberration but a routinized process.

The case via example of Alakh talks about ^{the} same problem.

a) There are various stakeholders who can help check casteist biases and build an egalitarian order.

i) Government of Satya Pradesh

- It is their role to uphold Article 14 (equality before the law)
- Ensure Aakh gets a place inside the classroom rather than outside [social Justice and Article 21A - compulsory education]
- Providing them with affirmative action which they entitled to.

ii) Local community and society

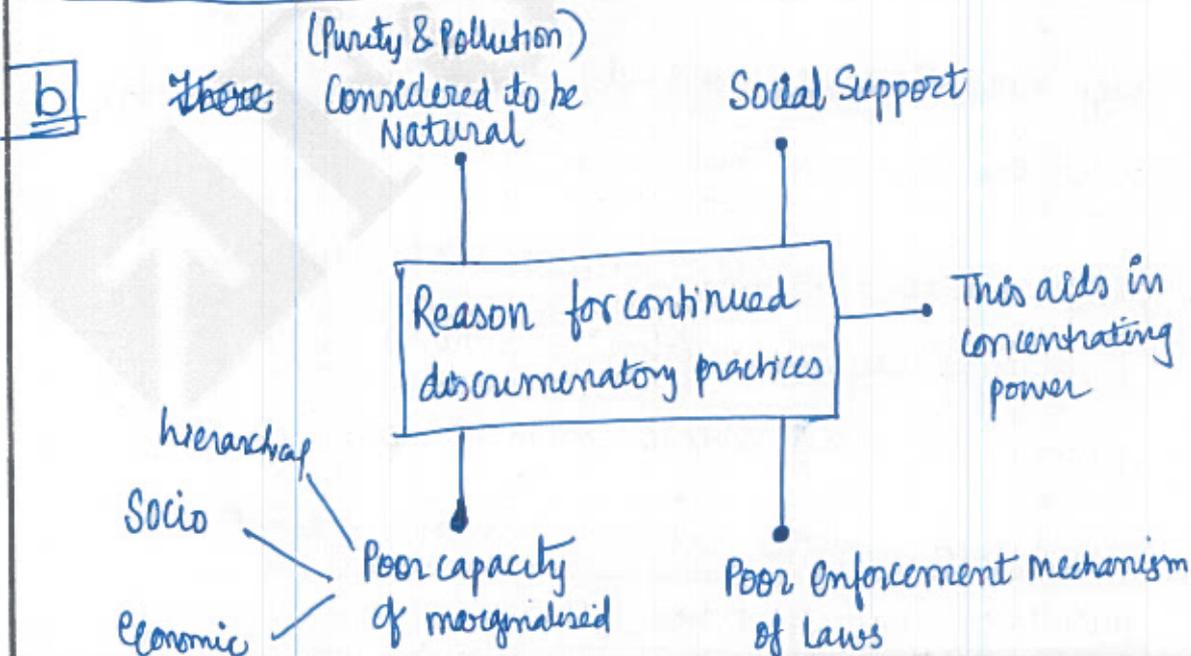

- Their role is very important to ensure equality for everyone and no one is treated as means to any end [Immanuel Kant's idea]
- They need to understand no one is free until everyone is free
- They need to promote education of all child from any caste . Also ensuring respectful places in any social congregation.
 - ↳ A modern rational person can start with him and rest can follow.

iii) Centres for learning - Education institutes/schools

- Their role is considered to be highest in nation building as they are bestowed with role of character development of a child
- Understanding their role, they need to be the first institution who follows equality in letter and spirit.

iv) NGOs/Voluntary organization of area | Media

- They can be eyes of the government to talk about the wrongdoings if any.
- They can empower youths from marginalised sections to ensure they get right education

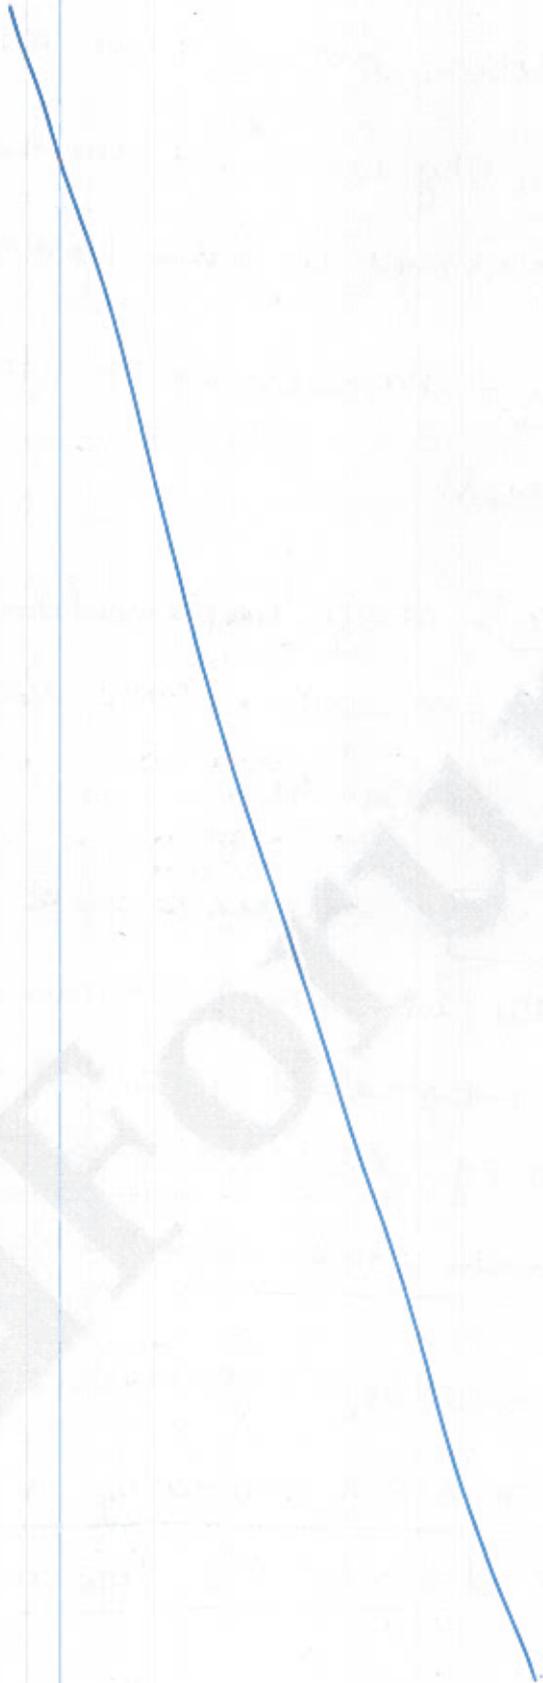

While there are various reasons why these derogatory practices continue unabated, there is only one reason why we should stop that is idea of equality — enshrined in Indian Constitution and idea of Homo Mensura — human is an end to everything vowed by vedas.

In short run, strict implementation of laws, confidence building measures, socio-economic support to the marginalised can help.

But in long run, we need to make sure that the capability in terms of education and social power for marginalised rises so that they are respected. For eg. OBCs getting political power has helped them gain social power as well.

And we need to remember Dr. B R Ambedkar's idea, "the measure of the success of a society is determined by how it treats the low rung community".

Q.8) Pratap is a data engineer working in ABC Infocom. Pratap is a sincere employee who is liked equally by his superiors, colleagues, and subordinates. One day, during the lunch hour, a few colleagues were discussing a news item. There was a rally/parade in support of the LGBTQIA+ community which was to be held on the coming Sunday. While the news item was a matter of intrigue and fun for all, Pratap was sensitive about the issue. He explained to his colleagues the importance of understanding the demands of the LGBTQIA+ for equal civil rights as enjoyed by others. Kamal, a colleague of Pratap, believed such tendencies are not in the favour of the traditional values of the society. Another employee, Sushma, said that she has heard some experts on various news channel talking about how the demands being raised by the LGBTQIA+ community are against the laws of nature. Bhanu, the sales team manager, too agreed with the majority opinion; Bhanu said that his parents believe that the inclinations of LGBTQIA+ people are a manifestation of mental illness. Pratap's reasoning in favour of equal rights for all was of no consequence to his colleagues who seemed to have a rigid attitudinal build up against the community as a whole.

On the designated day when the rally was to take place, Kamal was watching the coverage of the parade live from his home. To his astonishment, he saw Pratap in the LGBTQIA+ rally. Next day at the office, when Kamal told Pratap that he saw him participating in the parade. Pratap agreed, and told Kamal that he was gay. After this incident Pratap began to see visible changes in the behaviour of not only his colleagues and subordinates but also the management of the office. While earlier all pestered Pratap to be present for various official and personal occasions, now he increasingly felt unwanted. Even his colleagues started taking their lunch separately. Pratap was earlier respected and revered by all for his sincerity and dedication. But now his professional qualities were overlooked and he became an object of amusement for all. He noticed that people started calling him by different names which he realized were a slur on his personality.

Matters came to head when Pratap was overlooked for promotion. Earlier, Pratap's superiors on various occasions had told him that his good work has benefitted the organization immensely and he was due for promotion after the next appraisal. Therefore, this supersession came as a rude and disappointing shock to Pratap, and he fell into a mire of self-doubt and loathing. The conditions came to such a pass that, Pratap, who was earlier a happy go lucky, caring, and a self-aware person, started remaining depressed.

- What are the qualities lacked by the colleagues and superiors of Pratap?
- What could be the possible reasons behind the negative attitude of office employees towards LGBTQIA+ community?
- As a friend of Pratap, what advice will you give him? (20 marks, 250 words)

प्रताप एबीसी इन्फोकॉम में कार्यरत एक डेटा इंजीनियर हैं। प्रताप एक ईमानदार कर्मचारी है जिसे उसके वरिष्ठ, सहकर्मी और अधीनस्थ समान रूप से पसंद करते हैं। एक दिन, दोपहर के भोजन के समय, कुछ सहकर्मी एक समाचार पर चर्चा कर रहे थे। LGBTQIA+ समुदाय के समर्थन में एक रैली थी जो आने वाले रविवार को होनी थी। जबकि समाचार सभी के लिए कौतूहल और मनोरंजन का विषय था, प्रताप इस मुद्दे को लेकर संवेदनशील थे। उन्होंने अपने सहयोगियों को दूसरों के समान समान नागरिक अधिकारों के लिए LGBTQIA+ की मांगों को समझने का महत्व समझाया। प्रताप के सहकर्मी कमल का मानना था कि ऐसी प्रवृत्तियाँ समाज के पारंपरिक मूल्यों के पक्ष में नहीं हैं। एक अन्य कर्मचारी, सुषमा ने कहा कि उन्होंने विभिन्न समाचार चैनलों पर कुछ विशेषज्ञों को यह बात करते हुए सुना है कि कैसे LGBTQIA+ समुदाय द्वारा उठाई जा रही मांगें प्रकृति के नियमों के खिलाफ हैं। सेल्स टीम मैनेजर भानु भी बहुमत की राय से सहमत थे, भानु ने कहा कि उनके माता-पिता का मानना है कि LGBTQIA+ लोगों का झुकाव मानसिक बीमारी का प्रकटीकरण है। सभी के लिए समान अधिकारों के पक्ष में प्रताप का तर्क उनके सहयोगियों के लिए कोई मायने नहीं रखता था, जो समग्र रूप से समुदाय के खिलाफ एक कठोर रवैया रखते थे।

निर्धारित दिन जब रैली होनी थी, कमल अपने घर से रैली का लाइव कवरेज देख रहे थे। उन्हें आश्चर्य हुआ जब उन्होंने प्रताप को LGBTQIA+ रैली में देखा। अगले दिन कार्यालय में जब कमल ने प्रताप को बताया कि उसने उसे परेड में भाग लेते देखा है, तो प्रताप सहमत हो गया और उसने कमल को बताया कि वह समलैंगिक है। इस घटना के बाद प्रताप को न केवल अपने सहकर्मियों और अधीनस्थों बल्कि कार्यालय के प्रबंधन के व्यवहार में भी स्पष्ट परिवर्तन दिखाई देने लगा। जबकि पहले सभी लोग प्रताप को विभिन्न आधिकारिक और व्यक्तिगत अवसरों पर उपस्थित रहने के लिए परेशान करते थे, अब वह स्वयं को अवांछित महसूस करने लगे। यहाँ तक कि उनके सहकर्मी भी अपना दोपहर का भोजन अलग करने लगे। प्रताप पहले अपनी ईमानदारी और समर्पण के कारण सभी का आदर और सम्मान करते थे। लेकिन अब उनके पेशेवर गुणों को नजरअंदाज कर दिया गया और वह सभी के लिए मनोरंजन की वस्तु बन गये। उन्होंने देखा कि लोग उन्हें अलग-अलग नामों से बुलाने लगे, जिससे उन्हें एहसास हुआ कि यह उनके व्यक्तित्व पर कलंक है।

मामला तब तूल पकड़ गया जब पदोन्नति के लिए प्रताप की अनदेखी की गई। इससे पहले, विभिन्न अवसरों पर प्रताप के वरिष्ठों ने उन्हें बताया था कि उनके अच्छे काम से संगठन को काफी फायदा हुआ है और अगले मूल्यांकन के बाद उनकी पदोन्नति होनी है। इसलिए, यह अधिक्रमण प्रताप के लिए एक कठोर और निराशाजनक आघात के रूप में आया, और वह आत्म-संदेह और घृणा के दलदल में गिर गया। स्थितियाँ ऐसी आ गई कि प्रताप, जो पहले खुशमिजाज, देखभाल करने वाला और आत्म-जागरूक व्यक्ति था, उदास रहने लगा।

- प्रताप के सहकर्मियों और वरिष्ठों में किन गुणों की कमी है?
- LGBTQIA+ समुदाय के प्रति कार्यालय कर्मचारियों के नकारात्मक रवये के पीछे संभावित कारण क्या हो सकते हैं?
- प्रताप के मित्र होने के नाते आप उसे क्या सलाह देंगे? (20 अंक, 250 शब्द)

The case vividly narrates

how people of LGBTQIA+ community or supporters of it are subjugated in every possible manner by people around. As soon as someone knows about it, a negative tremor of thoughts set in and the world never remains same.

* Important Ethical considerations & legal considerations

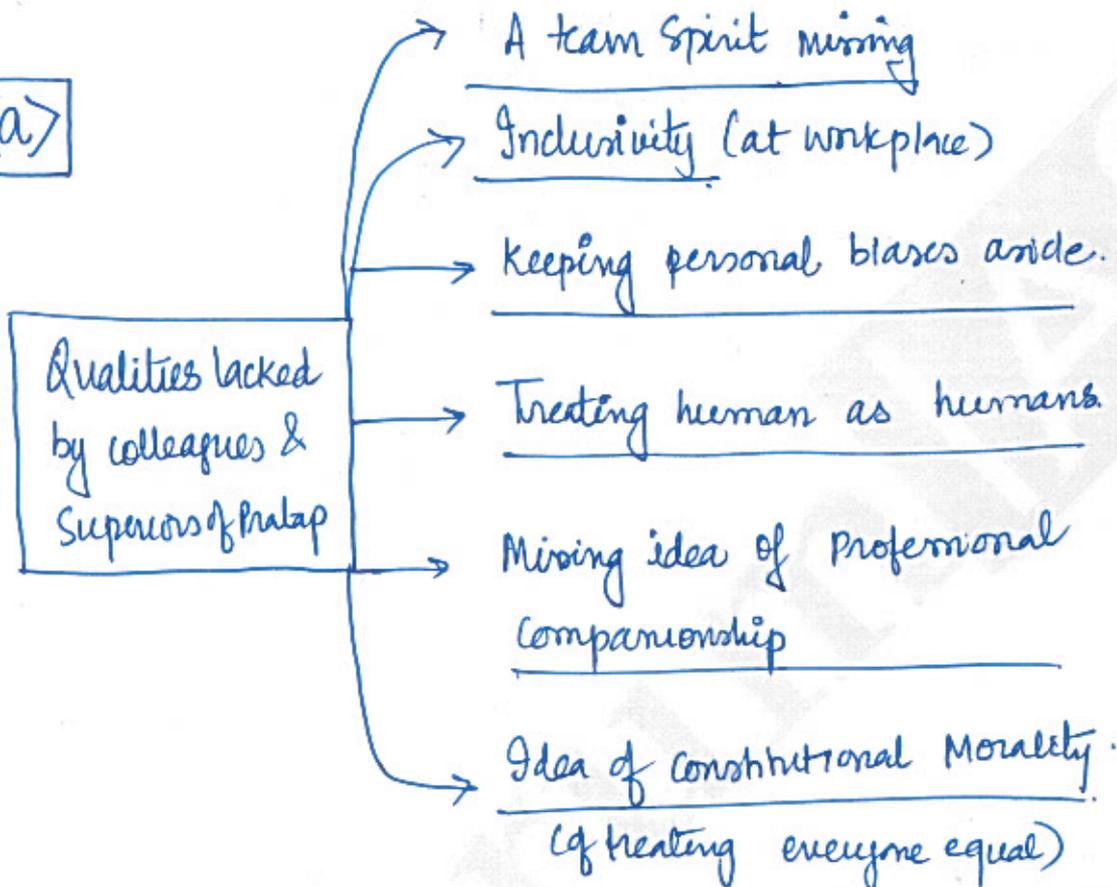

i) Article 14 → Right to Equality

ii) Article 15 → Non discrimination on basis of Sex.

iii) Personal autonomy (To practice a life) v/s Social considerations (against LGBTQIA+)

iv) Professional ethics (of not judging person's private affairs)

(a)

(b)

Possible reasons behind negative attitude against LGBTQIA+

i) Personal bias and prejudices

People are personally prejudiced against LGBTQIA+ community — For eg → few consider them abnormal.

i) Come from prismatic societal background

↳ Many of them may come from those corners of society where open discussions and acceptance of LGBTQIA is not done

ii) Poor office culture (negative work culture)

↳ where seniors and supervisors are negatively biased against LGBTQIA+

and we all know "when ethics is poor at the top, the value system moves down the ladder"

iii) They have not been sensitized i.e. they have not got education on treating LGBTQIA+ sensitively

iv) Poor understanding - scientifically & socially about LGBTQIA+ community

<C>

As a friend of Pratap, my advice would be following:

- i) Firstly, I will assure him that he is perfectly right in supporting cause of LGBTQIA+ and I am proud of having him as a friend.
- ii) Secondly, I will ^{extend my} support to him to ensure his confidence doesn't dwindle.
- iii) Thirdly, asking him to talk about it more in the office so that people can understand about the fact that LGBTQIA+ are quite normal.
- iv) Fourthly, asking him to raise his concerns to the ~~senior~~ senior/supervisors and also higher grievance redressal authorities, about why despite good performance his hike and Promotion was withheld.

We need to understand that "Ship doesn't sink because of water outside the map, it sinks because of water which comes inside"

We need to keep any negative affirmations against LABTRIA+ -or similar ideas at an arm length distance from us if we want to maintain a society for all and by all .and every. Pratap needs to be supported like brand ambassador if we fail to do that, the water (negative discussions) will ~~be~~ enter our society and we will all sink

Q.9) Prachinmath is a pilgrim town nestled in the laps of Himalayas. The town is part of one of the border states of the country. It serves as the base for a highly revered and well-known pilgrimage undertaken by millions of people every year. The people of Prachinmath, who are largely from a close-knit community of Pahadi tribe, have lived in the area for several generations. The Pahadi people, since many generations, have developed a lifestyle which is integral to the ecosystem of Prachinmath. The traditional knowledge of the tribe passed from one generation to other have helped the people in living with the environment in a sustainable manner. The people of Prachinmath worshipped the local deity, and believed it to be their destiny to live in the region in a peaceful and harmonious way.

However, the increasing pace of unplanned development, uncontrolled religious tourism, creation of strategic infrastructure etc., in the contemporary times have fundamentally altered the minimalistic nature of relationship that the people of Prachinmath had with the local/fragile environment. Prachinmath Bachao Committee (PBC), a civil society organization of Pahadi tribals, has consistently opposed the unbridled and brazen exploitation of the resources of Prachinmath. They have through petitions, jan sabhas, nukkad nataks etc., highlighted the grave consequences of the unsustainable development model that the state and the Union governments were adopting for Prachinmath. However, their petitions had fallen on deaf ears. Moreover, the government justified the infrastructure creation in Prachinmath in order to cater to its strategic and religious significance.

The problems came to a head when the government decided to construct a tunnel in Prachinmath, in order to generate hydroelectricity. The PBC as well as prominent geologists of the country vehemently opposed the idea citing its negative impact upon the region. The scientific community was of the opinion that as Prachinmath sits on geological fault lines and is built on a debris of a landslide, any large-scale construction may cause irreparable damage to the environment. Nevertheless, the government went ahead with the project, constructing the tunnel in a record time, citing its necessity for the energy security of the country. Even many economists were of the opinion that increased energy capacity will help India curtail its import bill. Such steps were hailed by the government as the stepping stone of the country towards strategic autonomy.

The worst fears of the local and scientific communities came true when the houses in Prachinmath started showing large cracks. The reason for the crack, as found out after a detailed study, was attributed to the subsidence of land in Prachinmath. The sinking of the land, development of large cracks, collapsing of the buildings etc., caught the attention of social, electronic, and print media alike. Overnight, Prachinmath became the talk of the country. Even the international media highlighted the episode, and the existential threat that it posed to the local communities as well as the environment. The state and Union governments swung into action and formed an expert committee, comprising of scientists, bureaucrats, NDRF/SDRF personnel etc., to look into the matter. The committee advised the government to evacuate Prachinmath completely, as the sinking of the land was continuing. Working on the recommendations of the committee, government prepared a detailed resettlement and rehabilitation plan for the people of Prachinmath.

The Pahadi people, who squarely blamed the government for the crisis, felt cheated by the actions of the government and refused to evacuate from Prachinmath, the place of their ancestors.

- What are the various conflicting interests in the above case study.
- As a DM of the district in which Prachinmath falls, how will you convince the people to evacuate from the area?
- What can we do to avoid such situations in the future. (20 marks, 250 words)

प्राचीनमठ हिमालय की गोद में बसा एक तीर्थ नगर है। यह शहर देश के सीमावर्ती राज्यों में से एक का हिस्सा है। यह हर साल लाखों लोगों द्वारा की जाने वाली अत्यधिक पूजनीय और प्रसिद्ध तीर्थयात्रा के लिए महत्वपूर्ण स्थल के रूप में कार्य करता है। प्राचीनमठ के लोग, जो मुख्यतः पहाड़ी जनजाति के घनिष्ठ समुदाय से हैं, कई पीढ़ियों से इस क्षेत्र में रह रहे हैं। पहाड़ी लोगों ने, कई पीढ़ियों से, एक ऐसी जीवन शैली विकसित की है जो प्राचीनमठ के पारिस्थितिकी तंत्र का अभिन्न अंग है। जनजाति का पारंपरिक ज्ञान एक पीढ़ी से दूसरी पीढ़ी तक हस्तांतरित होने से लोगों को पर्यावरण के साथ टिकाऊ तरीके से रहने में मदद मिली है। प्राचीनमठ के लोग स्थानीय देवता की पूजा करते थे, और मानते थे कि इस क्षेत्र में शांतिपूर्ण और सौहार्दपूर्ण तरीके से रहना उनकी नियति है।

हालाँकि, समकालीन समय में अनियोजित विकास, अनियंत्रित धार्मिक पर्यटन, रणनीतिक बुनियादी ढांचे के निर्माण आदि की बढ़ती गति ने प्राचीनमठ के लोगों के स्थानीय/संवेदनशील पर्यावरण के साथ संबंधों की न्यूनतम प्रकृति को मौलिक रूप से बदल दिया है। पहाड़ी आदिवासियों का एक नागरिक समाज संगठन, प्राचीनमठ बचाओ समिति (पीवीसी) ने प्राचीनमठ के संसाधनों के बेलगाम और खुलेआम दोहन का लगातार विरोध किया है। उन्होंने याचिकाओं, जन सभाओं, नुक्कड़ नाटकों आदि के माध्यम से उस अस्थिर विकास मॉडल के गंभीर परिणामों पर प्रकाश डाला है जिसे राज्य और केंद्र सरकारें प्राचीनमठ के लिए अपना रही हैं। हालाँकि, उनकी याचिकाएँ अनसुनी कर दी गईं। इसके अलावा, सरकार ने अपने रणनीतिक और धार्मिक महत्व को पूरा करने के लिए प्राचीनमठ में बुनियादी ढांचे के निर्माण को उचित ठहराया।

समस्याएँ तब सामने आईं जब सरकार ने पनबिजली उत्पन्न करने के लिए प्राचीनमठ में एक सुरंग बनाने का निर्णय लिया। पीवीसी के साथ-साथ देश के प्रमुख भूवैज्ञानिकों ने इस क्षेत्र पर इसके नकारात्मक प्रभाव का हवाला देते हुए इस विचार का पुरजोर विरोध किया। वैज्ञानिक समुदाय की राय थी कि चूँकि प्राचीनमठ भूवैज्ञानिक भ्रंश रेखाओं पर स्थित है और भूस्खलन के वाले क्षेत्रों पर बना है, इसलिए किसी भी बड़े पैमाने पर निर्माण से पर्यावरण को अपूरणीय क्षति हो सकती है। फिर भी, सरकार ने देश की ऊर्जा सुरक्षा के लिए इसकी आवश्यकता का हवाला देते हुए, रिकॉर्ड समय में सुरंग का निर्माण करते हुए परियोजना को आगे बढ़ाया। यहां तक कि कई अर्थशास्त्रियों की भी राय थी कि ऊर्जा क्षमता बढ़ने से भारत को अपने आयात बिल को कम करने में मदद मिलेगी। सरकार द्वारा इस तरह के कदमों को देश की रणनीतिक स्वायत्तता की दिशा में पहला कदम बताया गया।

स्थानीय और वैज्ञानिक समुदायों की सबसे भयावह आशंका तब सच साबित हुई जब प्राचीनमठ के घरों में बड़ी दरारें दिखाई देने लगीं। विस्तृत अध्ययन के बाद पता चला कि दरार का कारण प्राचीनमठ में भूमि का धंसना बताया गया है। भूमि के धंसने से बड़ी-बड़ी दरारें पड़ने, इमारतों के ढहने आदि ने सामाजिक, इलेक्ट्रॉनिक और प्रिंट मीडिया का ध्यान समान रूप से खींचा। रातों-रात प्राचीनमठ देश भर में चर्चा का विषय बन गया। यहां तक कि अंतरराष्ट्रीय मीडिया ने भी इस प्रकरण और स्थानीय समुदायों के साथ-साथ पर्यावरण के लिए अस्तित्व संबंधी खतरे को उजागर किया। राज्य और केंद्र सरकारें हरकत में आईं और इस मामले को देखने के लिए वैज्ञानिकों, नौकरशाहों, एनडीआरएफ/एसडीआरएफ कर्मियों आदि को शामिल करते हुए एक विशेषज्ञ समिति का गठन किया। समिति ने सरकार को प्राचीनमठ को पूरी तरह खाली कराने की सलाह दी, क्योंकि भूमि का धंसना जारी था। समिति की सिफारिशों पर काम करते हुए, सरकार ने प्राचीनमठ के लोगों के लिए एक विस्तृत विस्थापन और पुनर्वास योजना तैयार की।

पहाड़ी लोग, जिन्होंने संकट के लिए सीधे तौर पर सरकार का दोषी ठहराया था, सरकार के कार्यों से ठगा हुआ महसूस कर रहे थे और उन्होंने अपने पूर्वजों के स्थान प्राचीनमठ को खाली करने से इनकार कर दिया।

- उपरोक्त केस स्टडी में विभिन्न परस्पर विरोधी हित क्या हैं?
- जिस जिले में प्राचीनमठ पड़ता है, वहां के डीएम के रूप में आप लोगों को इलाका खाली करने के लिए कैसे मनाएंगे?
- भविष्य में ऐसी स्थितियों से बचने के लिए हम क्या कर सकते हैं? (20 अंक, 250 शब्द)

As per UN reports of Disaster,
from 2013 India has seen one major disaster
at least every. From Mumbai floods to
Jashmath, India has moved a decade but
what has remained consistent is environmental

(b)

As a DM, following steps to convince people to vacate the area.

Push factors

- i) Make them learn about threat to life being at Prachinmath.
- ii) Scientific report on further land subsidence could be put in front of them.
- iii) Telling them that schools, for children, hospitals etc, tourism of their area is getting closed \Rightarrow No point staying
- iv) Showing them past data on how society ruined themselves by staying in such a dangerous situation

Pull factors

- i) Promising them of continued (24*7) governance support
- ii) Providing them with readied house and livelihood opportunities on relocated area.
- iii) Ensuring them of security of their land, property etc in Prachinmath.
- iv) Schools, hospital etc readied at new location
- v) Promise to get them back once situation gets ripe

(C)

Avoiding such a situation in future

i) Short Term

- Ensuring Scientific Susceptibility Mapping of all the project done before taken up.
- Environmental Impact Assessment (EIA) mandatory for all project above a threshold.
- Social Audit by locals who know the terrain well

Long Term

- Satellite Mapped vulnerability mapping of entire area and zoned in zones of varying risk.
- Empowered Action committee whose assent mandatory for any project even after EIA
 - Locals
 - Scientific Community
 - Administration

→ Sustainable tourism and benchmarking the carrying capacity of every area
↳ beyond that all activities are capped

→ Corporate Social Responsibility needs to have Corporate Environmental Responsibility mandatory.

We need to understand "NO one is safe till all of us are safe". Today the epicentre of problem could be Prachinmath but if actions are not taken it could reach any math and thus we need to be proactive, scientific and most importantly prudent while we make our decision.

Feedback.

Q.10) Bihar is a state in the Northern part of the country. Prohibition laws in the state completely ban the storage, possession, sale, and consumption of liquor in any form. Despite the ban, the liquor mafia in the state has succeeded in supplying spurious liquor through various illegal dens. The activities of liquor mafia flourish under the nose of both the civil administration and the police department. Many Civil Society Organizations, women organizations etc., on numerous occasions complained to the authorities about the illegal production, sale, and consumption of liquor, but their complaints have fallen on deaf ears, and no substantial action was taken by the government to curb the menace.

As fate would have it, one day there was an unfortunate incident when a large group of fifty construction labourers died after consuming spurious liquor from an illegal den being operated by the mafia. Many of the victims were sole bread winners of their families. While the state was clear on its position that consuming liquor in the state was an illegal activity that warrants no sympathy or compensation (for the next of kin) from the government, families of the victims and also many CSOs were demanding compensation for the families of the deceased construction laborers.

The incident got both national and international coverage in print, electronic, as well as the social media. The pressure on the state government was mounting to amicably resolve the issue.

Anjali is posted as the Joint Secretary in the Secretariat. The CM has asked her to create a detailed report on how should the state government handle this crisis.

a) Under the given circumstances, what measures should Anjali recommend to handle the above crisis.

b) Critically evaluate the decision of state government to not compensate the victims of spurious liquor. (20 marks, 250 words)

बिहार देश के उत्तरी भाग में स्थित एक राज्य है। राज्य में शराबबंदी कानून किसी भी रूप में शराब के भंडारण, कब्जे, बिक्री और खपत पर पूरी तरह से प्रतिबंध लगाता है। प्रतिबंध के बावजूद राज्य में शराब माफिया विभिन्न अवैध अड्डों के माध्यम से नकली शराब की आपूर्ति करने में सफल रहे हैं। शराब माफिया की गतिविधियां नागरिक प्रशासन और पुलिस विभाग दोनों की नाक के नीचे चलती हैं। कई नागरिक समाज संगठनों, महिला संगठनों आदि ने कई मौकों पर अधिकारियों से शराब के अवैध उत्पादन, बिक्री और खपत के बारे में शिकायत की, लेकिन उनकी शिकायतों को अनसुना कर दिया गया, और सरकार द्वारा खतरे को रोकने के लिए कोई ठोस कार्रवाई नहीं की गई।

जैसा कि भाग्य को मंजूर था, एक दिन एक दुर्भाग्यपूर्ण घटना घटी जब माफिया द्वारा संचालित एक अवैध अड्डे से जहरीली शराब पीने के बाद पंचास निर्माण मजदूरों के एक बड़े समूह की मृत्यु हो गई। पीड़ितों में से कई अपने परिवार के एकमात्र कमाने वाले थे। जबकि राज्य अपनी स्थिति पर स्पष्ट था कि राज्य में शराब का सेवन एक अवैध गतिविधि है जिसके लिए किसी सहानुभूति की आवश्यकता नहीं है, पीड़ितों के परिवार और CSOs भी मृत निर्माण मजदूरों के परिवारों के लिए मुआवजे की मांग कर रहे थे।

इस घटना को प्रिंट, इलेक्ट्रॉनिक और साथ ही सोशल मीडिया में राष्ट्रीय और अंतर्राष्ट्रीय कवरेज मिला। राज्य सरकार पर इस मुद्दे को सौहार्दपूर्ण ढंग से सुलझाने का दबाव बढ़ रहा था।

अंजलि सचिवालय में संयुक्त सचिव के पद पर तैनात हैं। सीएम ने उनसे एक विस्तृत रिपोर्ट बनाने को कहा है कि राज्य सरकार को इस संकट से कैसे निपटना चाहिए।

a) दी गई परिस्थितियों में अंजलि को उपरोक्त संकट से निपटने के लिए क्या उपाय सुझाने चाहिए?

b) जहरीली शराब के पीड़ितों को मुआवजा न देने के राज्य सरकार के निर्णय का आलोचनात्मक मूल्यांकन कीजिए। (20 अंक, 250 शब्द)

The above case reflects a grave issue where states make very stringent laws & policies but have shabby enforcement mechanism. And in the name of law, ideas of social justice (here non payment of compensation) is put into dark pits.

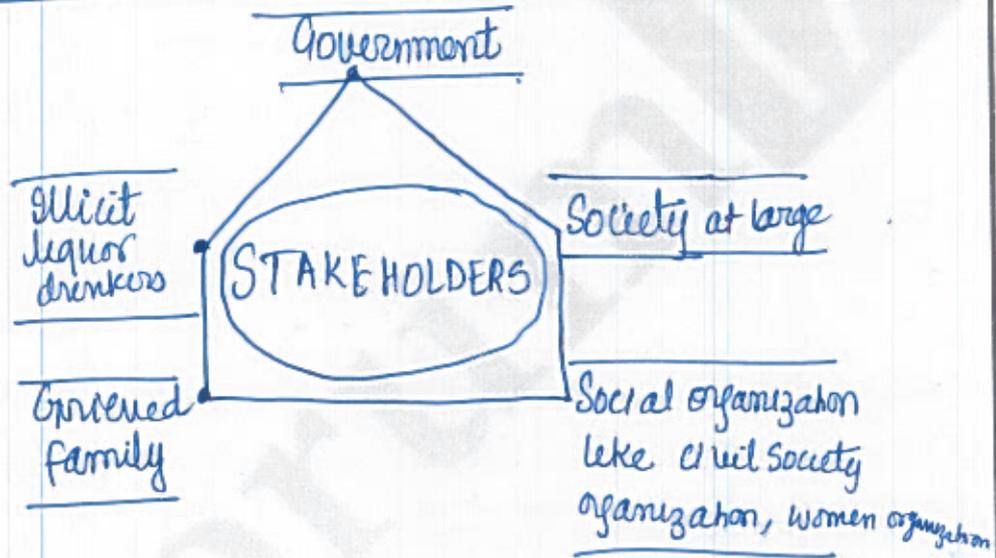

Fig 1. Stakeholders

(a) Following could be Anjali's recommendation.

SHORT TERM RECOMMENDATION

- Effective Regulation
- charting out terms

i) with regard to illicit liquor deaths

↳ Government st needs to understand that the deaths of people are of bread earners

And if no support is given then their family and childrens could face severe repressions.

↓
One time exceptional measures

Cash

- ① To carry out last rite
- ② To carry out normal functions of house for sometime before other arrangements could be made.
- ③ To aid calming down the matter so that long term measures could be taken

kind

- ① Providing job to the lady of the house will help solving many issues
 → continued earning for the house
 → Close of ^{illicit} liquor for other member will be very difficult

But limiting it to one time exception and it can't be permanent solution.

ii) Effective Regulations

↳ Team of intelligence officers of state, policemen and local spy → raiding liquor mafia and dismantling their set up.

↳ Anti liquor drive and Jail Abhuyan to create a deterrence

↳ Cash incentive policy for informers

iii) LONG TERM

① Proper education, awareness generation & sensitization of people

② Nasha Mukti Kendras for people who want to ~~leave~~ leave liquor.

③ Employment for people who are working in illicit liquor manufacturing factories.

(b) Evaluation of State government decision to not pay compensation

Positives

- ① Part of the law
- ② Exchequer money needs to be invested in rightful activity
- ③ creates a deterrence
- ④ ~~the~~ family understand the grievous condition and deter male members from drunk even more

Negatives

- ① Eventually burden lies on the state → as they were not able to regulate effectively.
- ② If not paid and they are bread earners → entire family would suffer
- ③ If they can be paid compensation in case of any disaster, this is no less than a disaster.

While to pay or not to pay compensation

remains to be a sensitive discussion and based on own's personal judgement a person could really either way. But one ~~most~~ question which definitely everyone has is "~~that~~ how do we reach a situation where so many deaths has happened?"

Government needs to abide by the Social contract as mentioned by John Locke for continued legitimacy.

Q.11) Kamlesh is a civil servant who has been recently posted as Additional Chief Secretary in the education department of the state. Kamlesh has a meticulous service record and is well known for his honesty, and a no-nonsense attitude. After joining the new department, the first major task before Kamlesh was to conduct the recruitments for the post of lecturers in government schools. The posts were lying vacant for a long time, and the government wanted to fill up the vacancies without further delay as it was one of the poll promises made by the present government.

The recruitment process took place successfully under the supervision of Kamlesh. The concerned minister congratulated Kamlesh and informed him that the appointment letters will be allocated to the successful candidates in a ceremony which will be presided by the CM himself. Kamlesh was happy that his work was getting recognition at the highest level.

One day, Kamlesh was sitting in his office when his secretary brought him a letter from a leading investigative journalist of the state. The letter dealt with the recently conducted recruitment of the lecturers. Kamlesh was shocked at the content of the letter. The investigative journalist had alleged that the question paper of the exam was leaked to a few successful candidates, who had also forged their documents to appear in the exam. The letter also highlighted a nexus of middlemen, politicians, and civil servants who facilitate such illicit practices. Moreover, the investigative journalist had also attached credible proofs. Kamlesh corroborated the facts of the letters from his own sources and found the allegations to be true prima facie. Since the matter was serious and warranted immediate action, Kamlesh brought the matter to the notice of his minister. To his surprise, the minister asked him to sit over the matter for some time. Minister reasoned that bringing out this matter will bring ignominy not only to the department but also to the government. Further, the minister reasoned that cancelling the whole recruitment process will be detrimental for the education department, schools etc; also, the sincere and honest candidates who have invested a lot of time and money for preparation may also get affected negatively. He also reminded Kamlesh that the participation of the CM has already been announced.

After leaving the minister's office, Kamlesh got a phone call from Minister's Personal Secretary (PS). The PS hinted to Kamlesh that the concerned candidates were closely connected to the ruling political party, and going against them may create professional troubles for Kamlesh. On the other hand, his cooperation in this matter, the PS assured, will not go unnoticed and will be handsomely rewarded.

Kamlesh had just settled in his new posting. He knows that going against the wish of the Minister may cause him his present posting. What was more, Kamlesh's father is undergoing treatment in a local hospital. A shunting out from the district would mean that his father would have to be left alone to fend for himself. Further, Kamlesh's wife Priya, also a bureaucrat, is posted in the Chief Minister's Office (CMO). Kamlesh realises that his actions will also have a bearing on her career as well.

- Bring out various ethical dilemmas faced by Kamlesh.
- Consider yourself in Kamlesh's position. What are the various options available to you?
- Critically evaluate each of the option listed by you.
- Which of the above option should Kamlesh adopt and why? (20 marks, 250 words)

कमलेश एक सिविल सेवक हैं जिन्हें हाल ही में राज्य के शिक्षा विभाग में अतिरिक्त मुख्य सचिव के रूप में तैनात किया गया है। कमलेश का सेवा रिकॉर्ड बहुत अच्छा है और वह अपनी ईमानदारी और व्यावहारिक रवैये के लिए जाने जाते हैं। नए विभाग में आने के बाद कमलेश के सामने पहला बड़ा काम सरकारी स्कूलों में लेक्चरर पद पर भर्तियां कराना था। पद लंबे समय से खाली पड़े थे और सरकार बिना किसी देरी के रिक्तियों को भरना चाहती थी क्योंकि यह वर्तमान सरकार द्वारा किए गए चुनावी वादों में से एक था।

कमलेश की देखरेख में भर्ती प्रक्रिया सफलतापूर्वक संपन्न हुई। संबंधित मंत्री ने कमलेश को बधाई दी और उन्हें सूचित किया कि सफल उम्मीदवारों को एक समारोह में नियुक्ति पत्र आवंटित किए जाएंगे जिसकी अध्यक्षता खुद सीएम करेंगे। कमलेश खुश थे कि उनके काम को उच्चतम स्तर पर पहचान मिल रही है।

एक दिन, कमलेश अपने कार्यालय में बैठे थे, तभी उनका सचिव उनके लिए राज्य के एक प्रमुख खोजी पत्रकार का पत्र लेकर आया। यह पत्र हाल ही में आयोजित व्याख्याताओं की भर्ती से संबंधित है। पत्र का मजमून देखकर कमलेश हैरान रह गये। खोजी पत्रकार ने आरोप लगाया था कि परीक्षा का प्रश्नपत्र कुछ सफल उम्मीदवारों के लिए लीक कर दिया गया था, जिन्होंने परीक्षा में शामिल होने के लिए अपने दस्तावेज़ भी जाली बनाए थे। पत्र में बिचौलियों, राजनेताओं और सिविल सेवकों के गठजोड़ पर भी प्रकाश डाला गया है जो इस तरह की अवैध प्रथाओं को बढ़ावा देते हैं। इसके अलावा, खोजी पत्रकार ने विश्वसनीय सबूत भी संलग्न किए थे। कमलेश ने अपने स्रोतों से पत्रों के तथ्यों की पुष्टि की और आरोपों को प्रथम दृष्टया सही पाया। चूंकि मामला गंभीर था और तत्काल कार्रवाई की आवश्यकता थी, इसलिए कमलेश ने मामले को अपने मंत्री के संज्ञान में लाया। उन्हें आश्चर्य हुआ जब मंत्री ने उनसे मामले पर कुछ देर बैठने के लिए कहा। मंत्री ने तर्क दिया कि इस मामले को उजागर करने से न सिर्फ विभाग बल्कि सरकार की भी बदनामी होगी। इसके अलावा, मंत्री ने तर्क दिया कि पूरी भर्ती प्रक्रिया को रद्द करना शिक्षा विभाग, स्कूलों आदि के लिए हानिकारक होगा; इसके अलावा, सत्यनिष्ठ और ईमानदार उम्मीदवार जिन्होंने तैयारी के लिए बहुत समय और पैसा निवेश किया है, उन पर भी नकारात्मक प्रभाव पड़ सकता है। उन्होंने कमलेश को यह भी याद दिलाया कि सीएम के शामिल होने की घोषणा पहले ही हो चुकी है।

मंत्री के कार्यालय से निकलने के बाद, कमलेश को मंत्री के निजी सचिव (पीएस) का फोन आया। पीएस ने कमलेश को संकेत दिया कि संबंधित उम्मीदवार सत्तारूढ़ राजनीतिक दल से निकटता से जुड़े हुए हैं, और उनके खिलाफ जाने से कमलेश के लिए पेशेवर समस्याएं पैदा हो सकती हैं। दूसरी ओर, पीएस ने आश्वासन दिया कि इस मामले में उनके सहयोग पर किसी का ध्यान नहीं जाएगा और उसे भरपूर इनाम दिया जाएगा।

कमलेश अभी-अभी अपनी नई पोस्टिंग पर आए थे। वह जानते हैं कि मंत्री की इच्छा के विरुद्ध जाने पर उन्हें अपनी वर्तमान पोस्टिंग से हाथ धोना पड़ सकता है। और तो और, कमलेश के पिता का स्थानीय अस्पताल में इलाज चल रहा है। जिले से बाहर जाने का मतलब यह होगा कि उसके पिता को अपनी देखभाल के लिए अकेला छोड़ दिया जाएगा। इसके अलावा, कमलेश की पत्नी प्रिया भी एक नौकरशाह हैं, जो मुख्यमंत्री कार्यालय (सीएमओ) में तैनात हैं। कमलेश को एहसास होता है कि उसकी हरकतों का असर उसके करियर पर भी पड़ेगा।

- कमलेश द्वारा सामना की गई विभिन्न नैतिक दुविधाओं को उजागर करें।
- अपने आप को कमलेश की स्थिति में समझें। आपके लिए विभिन्न विकल्प क्या उपलब्ध हैं?
- आपके द्वारा सूचीबद्ध प्रत्येक विकल्प का आलोचनात्मक मूल्यांकन करें।
- कमलेश को उपरोक्त में से कौन सा विकल्प अपनाना चाहिए और क्यों?

(20 अंक, 250 शब्द)

Paper leaks and favoured recruitment

are becoming common today. In many of the cases, despite the knowledge of wrongdoings in any recruitment, the righteous action doesn't follow because of dilemmas - both personal and professional gains. In this case, Kamlesh is facing similar dilemma.

(b)

Options available to Me. as Kamlesh

- i) Towing to the idea of minister → being silent about the issue → it will help me, my wife and my ailing father
- ii) Putting strong reservation against the happenings. Cancelling the recruitment and taking perpetrators to task.

(c)

(Option 1)

Positive

- ① Better career prospects as it will allow Kamlesh to come in minister's good books
- ② Better prospects for Kamlesh's wife in CMO
- ③ Better support condition for Kamlesh with regard to his ailing father

Negative

- ① Against the rule of law
- ② It can create slipping slope
- ③ A negative addition to meticulous service of Kamlesh.
- ④ Against Professional ethics.

Option 2

Positives

- ① following the professional ethics in letter and spirit
- ② will help Kamlesh against crisis of conscience → due to choosing wrong path
- ③ Social Justice to meritorious students who might have left out
- ④ creating a 'good deterrence' for officers in similar condition in future

Negatives

- ① career divergences for Kamlesh and his wife alike
- ② Ailing father could be left on his own mercy.
- ③ Possible action from Menaka and CM
- ④ Public furore and rallies.

(d) Kamlesh should choose the 2nd option

Reasons for that

↳ "Even if every one is wrong in the class, one should follow the path of righteousness" —

Right doesn't have to be supported, fight is just right [integrity as foundation value]

- ii) Kamlesh is duty bound to follow the Constitutional morality
- iii) It is expected from an upright officer like Kamlesh that he will uphold the law and will not go for favours.
- iv) Kantian categorical imperative will ask him to do the same.

Every officer must follow the idea that "a wrong is a wrong even if thousand does it and a right is a right even if no one practices it". It is during difficult time, the character of a person is judged and officers like Kamlesh need to show that

Q.12) XYZ is a premiere coaching institute located in Chatterjee Nagar locality of Himnagar. XYZ specialises in the coaching for medical and engineering entrance examination. The main office of the coaching, where the daily classes are conducted, is located in a congested locality, from where several other coaching institutes also operate.

One day, while classes were in session in the top floor of the building and some 200 odd students were in attendance, a fire broke out in the premises of XYZ coaching. The fire incident created a commotion among those present in the building. Everyone, in a state of confusion, started running helter-skelter. Some students rushed to the very narrow stairs. Many stumbled and fell, hurting themselves. The emergency exit plan of the building was not suitable to cater to the large number of students and staff. In order to save themselves from asphyxiation, some students broke the window of the classroom. However, in absence of a fire stairs they had to climb down using the balcony ledge. In the process, many students had a free fall and hurt themselves badly.

While two boys lost their life due to stampede caused while exiting the building, one girl got fatally injured while climbing down the ledge. The civil administration immediately started an audit of the building. Joseph is posted as the Municipal Commissioner of Himnagar. Chatarjee Nagar falls under his jurisdiction. Joseph has ordered an enquiry into the whole incident.

Coincidentally, Joseph's younger brother, Frank, is also a student of XYZ coaching. He was not present in the coaching during the fateful day. The owner of the XYZ coaching approaches Joseph and requests him to be lenient in the enquiry report. They propose that looking at the good track record of Frank they are willing to give him a scholarship to fund not only his coaching fees but also his graduation from any college in the country. They also promise that since Frank is a sincere student, they will dedicate their top faculty to ensure that Frank comes out with flying colours in the coming under graduate entrance examination.

Joseph knows that his brother has repeatedly failed in the entrance examinations earlier and a special focus will help him immensely. Also, Joseph himself was under student debt, which he was still paying in small instalments from his own salary. Recently married, and having risen from a poor family, Joseph has always worried about funding his brother's education.

a) Identify various ethical concerns in the case study.

b) You are a friend of Joseph. Joseph turns to you for advice. What advice will you give to Joseph and why?
(20 marks, 250 words)

XYZ एक प्रीमियर कोचिंग संस्थान है जो हिमनगर के चटर्जी नगर इलाके में स्थित है। XYZ मेडिकल और इंजीनियरिंग प्रवेश परीक्षा की महत्वपूर्ण कोचिंग है। कोचिंग का मुख्य कार्यालय, जहां दैनिक कक्षाएं संचालित होती हैं, एक भीड़भाड़ वाले इलाके में स्थित है, जहां से कई अन्य कोचिंग संस्थान भी संचालित होते हैं।

एक दिन, जब इमारत की सबसे ऊपरी मंजिल पर कक्षाएं चल रही थीं और लगभग 200 छात्र उपस्थित थे, XYZ कोचिंग के परिसर में आग लग गई। आग लगने की घटना से बिल्डिंग में मौजूद लोगों में हड़कंप मच गया। सभी असमंजस की स्थिति में इधर-उधर भागने लगे। कुछ छात्र बहुत संकरी सीढ़ियों की ओर भागे। कई लोग लड़खड़ाकर गिर पड़े, जिससे उन्हें चोट लगी। इमारत की आपातकालीन निकास बड़ी संख्या में छात्रों और कर्मचारियों के लिए उपयुक्त नहीं थी। खुद को दम घुटने से बचाने के लिए कुछ छात्रों ने कक्षा की खिड़की तोड़ दी। हालांकि, आगे की सीढ़ियों के अभाव में उन्हें बालकनी के किनारे का उपयोग करके नीचे उतरना पड़ा। इस प्रक्रिया में, कई छात्र गिर गए और उन्हें गंभीर चोट लगी।

इमारत से बाहर निकलते समय मची भगदड़ के कारण जहां दो लड़कों की जान चली गई, वहीं एक लड़की खिड़की से नीचे उतरते समय गंभीर रूप से घायल हो गई। नागरिक प्रशासन ने तुरंत इमारत का ऑडिट शुरू किया। जोसेफ हिमनगर के नगर आयुक्त के पद पर तैनात हैं। चटर्जी नगर उनके अधिकार क्षेत्र में आता है। जोसेफ ने पूरी घटना की जांच के आदेश दे दिए हैं।

संयोग से, जोसेफ का छोटा भाई, फ्रैंक भी XYZ कोचिंग का छात्र है। वह उस दिन कोचिंग में मौजूद नहीं था। XYZ कोचिंग का मालिक जोसेफ के पास जाता है और उससे जांच रिपोर्ट में नरमी बरतने का अनुरोध करता है। उनका प्रस्ताव है कि फ्रैंक के अच्छे ट्रैक रिकॉर्ड को देखते हुए वे न केवल उसकी कोचिंग फीस, बल्कि देश के किसी भी कॉलेज से स्नातक की पढ़ाई के लिए भी उसे छात्रवृत्ति देने को तैयार हैं। वे यह भी वादा करते हैं कि चूंकि फ्रैंक एक ईमानदार छात्र है, इसलिए वे यह सुनिश्चित करने के लिए अपने शीर्ष संकाय को समर्पित करेंगे कि फ्रैंक आगामी स्नातक प्रवेश परीक्षा में अच्छे अंक लेकर आए।

जोसेफ को पता है कि उसका भाई पहले भी प्रवेश परीक्षाओं में बार-बार असफल हुआ है और विशेष फोकस से उसे काफी मदद मिलेगी। इसके अलावा, जोसेफ स्वयं एक ऋण के अधीन था, जिसे वह अभी भी अपने वेतन से छोटी किरतों में चुका रहा था। हाल ही में शादी हुई और एक गरीब परिवार से आने के कारण, जोसेफ हमेशा अपने भाई की शिक्षा के वित्तपोषण के बारे में चिंतित रहता है।

a) मामले के अध्ययन में विभिन्न नैतिक चिंताओं की पहचान करें।

b) आप जोसेफ के मित्र हैं। जोसेफ सलाह के लिए आपके पास आता है। आप जोसेफ को क्या सलाह देंगे और क्यों? (20 अंक, 250 शब्द)

This case talks about a fire broken in top floor of a coaching institute. Instead of accepting their fault and vowing to follow the rules properly, the owners are using negative technique of connection forging to solve the matter.

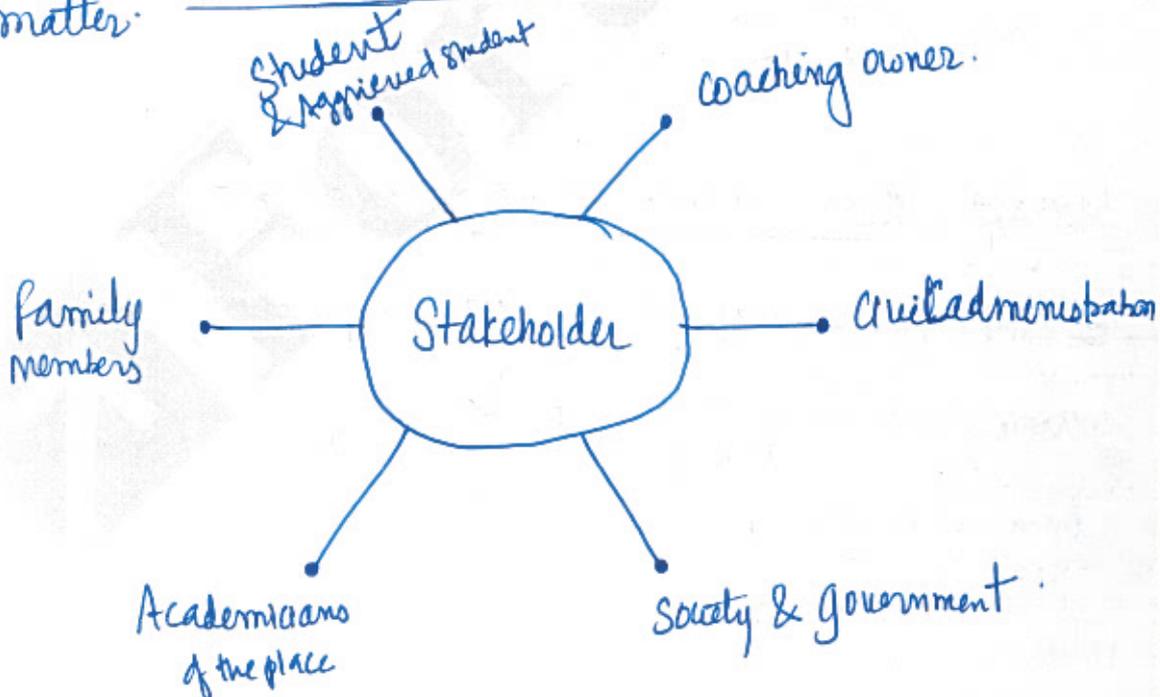

Fig 1. Stakeholders

(a) Ethical concerns in the case

i) Personal Gains versus Professional uprightness

↓
 • Frank getting scholars who happens to be Joseph's brothers

↓
 Taking strict action as per the rules.

ii) Violation of National Building code

- ↳ Not having a prudent emergency exit
- ↳ Death of 2 students
- ↳ injuries to many

iii) lenient civic administration

↳ The fact that these coaching institutions were running without following rules is a reflection of lenient civic administration.

iv) following rules versus Bribing administration

↳ instead of accepting the fault and following

rules, the coaching owner is trying to bribe the civil administration.

(b) As a friend of Joseph, following advice could be given:

i) Taking strict note of the situation

↳ It will help students (2 deaths and various injured) gets justice

↳ It will create a deterrence for other coaching institute

↳ It is about life of students, tomorrow even grievous cases might emerge which could create havoc.

↳ Go for highest possible fine and penalty as possible.

ii) Regular checkups and audit of all Coaching institutes

↳ Making a team of people from civic administration having knowledge about Building code.

This will give information about all Coaching institutes → This will help in understanding the issue in detail

iii) Asking coaching institute to refurbish their space or alter their space in next 6 months till then minimal & vigil operation of coaching is possible after that license would be cut

This will curtail any future mishap.

iv) Talking to student who are aggrieved and supporting them in whatever they need from the civic administration side. Also confidence building measures among parents who would be worried will also help.

"A terror and disaster free educational institution is a minimal requirement for holistic education". These coaching institutions need to understand this and civil administration has a role to make them understand this.

Availing Mentorship - Now made easy & seamless via mentorship.forumias.com

Dear Students,

You can now avail Mentorship in both online & offline mode seamlessly. All you need to do is login to below URL and pick up a date and time and your Mentorship is scheduled at the designated time.

Visit the URL <https://mentorship.forumias.com> or Scan the QR code

When must you seek mentorship? When you are unable to fully comprehend the directions given by the evaluator in the MGP copy. A Mentor will help you understand the nuances of your evaluated MGP copy. He / She will also be able to make suggestions, if needed, on improvements that you could make.

If we are already doing well, a reinforcement from the Mentor will further assist us in following the right path. A Mentor may also be able to give valuable inputs with respect to time management, presentation, structure etc. He may recommend you clearly to work on content or may suggest you to take courses / read books in case he feels you lack content that may be quickly improved with a course at ForumIAS or elsewhere, or some study material.
