

Corrigendum/Explanation SFG 2026 Level 2 Test 4

There is 1 change in today's paper (Q.13). The correct answer of Q.13 is Option d.

Q.13) A doubt was raised the Child Nutrition Report is published/released by UNICEF or UNESCO.

Exp) UNICEF releases Child Nutrition Report that examines how unhealthy food environments are shaping children's and adolescent's diets and contributing to the surge in overweight and obesity.

For Future Reference:

Q.13) Consider the following pairs:

Reports/Indices	Published/ Released By
I. Global Hunger Index	Food and Agriculture Organization
II. The State of Food Security and Nutrition in the World	Concern Worldwide and Welthungerhilfe.
III. Child Nutrition Report	United Nations Educational, Scientific and Cultural Organization

How many pairs given above are correctly matched?

- a) Only one
- b) Only two
- c) All the three
- d) None

Ans) d

Exp) Option d is the correct answer

Pair I is incorrect: The **Global Hunger Index** is a tool used to track and assess countries' progress toward achieving hunger-related Sustainable Development Goals (SDGs). **It is published annually by the Irish humanitarian organisation Concern Worldwide and the German aid agency Welthungerhilfe.**

Pair II is incorrect: The **State of Food Security and Nutrition in the World** is published annually by the **Food and Agricultural organization**. It presents the headline number of undernourished people around the world, while advocating for strategies against hunger and malnutrition. SOFI is jointly produced with fellow UN agencies IFAD, UNICEF, WFP and WHO.

Pair III is incorrect: The **Child Nutrition Report** is published by the **United Nations Children's Fund (UNICEF)**. It focuses on child food poverty, malnutrition, and obesity, providing data on the status and trends of children's nutrition globally.
