

Dear Students,

This is to inform you that:

1) We want to bring to your attention a crucial matter regarding the upcoming test. It is imperative that you write the test at your designated center to which you have been allotted. Failure to do so will result in your test not being evaluated. Your cooperation in adhering to this guideline is vital to maintaining the integrity and fairness of the examination process. We appreciate your understanding and compliance with these instructions.

2) We do not encourage candidates who are late, and rush in, disturbing other candidates. In case you are late by 5 minutes, there will be a penalty marks of - 2. In case you are late by 10 minutes, you will be awarded penalty marks of -5. If you report to the venue 15 minutes after the test commencement, under no circumstance will you be allowed to write the Test.

3) It is sometimes seen that graduate and post graduate students coming late show aggression towards office executives who are following the rules and then accuse them of misbehaviour for following rules. It is expected that candidates reflect the behaviour that matches their existing educational qualifications and their own aspirations of a future administrator.

4) Please Note the SFG is a monthly subscription based study program where fees cannot be paid for both months at one go. Students who do not qualify for second month, or do not subscribe for second month, will be removed from the complete program. Thus, they will also lose access to the first month test papers.

5) This is not a flexible program and students looking for flexibility may explore other flexible programs for prelims and mains at ForumIAS.

For more and updated information please keep following the official noticeboard of SFG: <https://forumias.com/blog/sfg/>
