Q.10) A doubt has been raised whether option (d) i.e. Fazlul Huq can also be an answer for the question.

Exp) The answer remains option (a). While Fazlul Huq engaged in discussions and welcomed the 'Bengal Pact' of 1923, alongside other prominent Muslim leaders like H.S. Suhrawardy, he was a representative of Muslim interests being consulted, rather than the primary author or drafter of the pact.
